POLICIES AND PROCEDURES MANUAL

POLICY NO.: I:01:02 DATE: April 21, 1982
 SUPERSEDES POLICY NO.: I:01:02 DATED: October 1, 1981
 SUBJECT: Policies and Procedures not Necessarily Contained in the Manual
 APPROVED: Robert O. Riggs, President *Robert O. Riggs*

The development of the Policies and Procedures Manual is an attempt to define and codify policies and procedures which guide the overall operation of the University. The Manual is intended as a handy reference to enable key administrators to be consistent in their interpretation and administration of University policy which, as a general rule, is not contained in other documents. To include all policies contained in other documents in this Manual would be impractical. However, each administrator should be familiar with the policies contained in these other documents as appropriate to his/her area of responsibility. The documents referred to here and the officer responsible for each are as follows:

Faculty Handbook	Vice President for Academic Affairs
University Bulletin	Vice President for Academic Affairs
Class Schedule	Vice President for Academic Affairs
Staff Employees' Handbook	Business Manager
Student Handbook	Vice President for Student Affairs
EEO/AA Procedures Manual	Business Manager
TOSHA Handbook	Vice President for Administration and Development
