Department/Division Updates

Senator Jeffries tells the senate that the OIT is currently looking for a new hosted phone system. Looking at lots of vendors to include zoom and ring central. New solutions and being hosted will offer us a lot of new things. They may even come with an app for your phone if you want or stick with regular phone. Could also offer disaster recovery. Other things include blocking spam calls. They plan to make a selection soon and the plan is to upgrade over the summer. We don't have to do this overnight we can go slow. Please share with your departments.

Announcements

- Congratulations to our new officers and senators!

- Next meeting will resume in the Fall Semester. Hopefully in person but we will see!

- No official announcements. President Mitchell thanks everyone for bearing with her during a very interesting and unique year! She is looking forward to turning the officer over Vice President Swiger. We will spend time this summer transitioning. President Mitchell will offer support and help moving forward. Vice President Swiger says she is looking forward to our new normal next year.

Adjournment
