THERE ARE MORE PEOPLE . . .

Opening its doors in 1929 with an enrollment of 102 students, Austin Peay State College has grown into a fully accredited four year institution. The total enrollment for the fall quarter of 1949-50 was 1194 students.

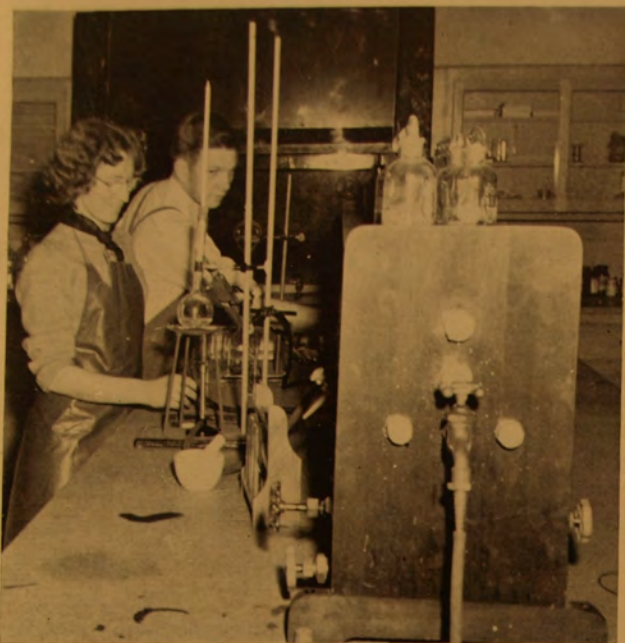

THERE ARE NEW BUILDINGS

Over one million dollars went into the College's building program from 1945 to 1948. The new Science Classroom building and the new Administration-Library building are now completed and in use. During the next few years another million dollars will be spent to erect a new health and physical education building and the new men's dormitory, which is in progress at the present time.

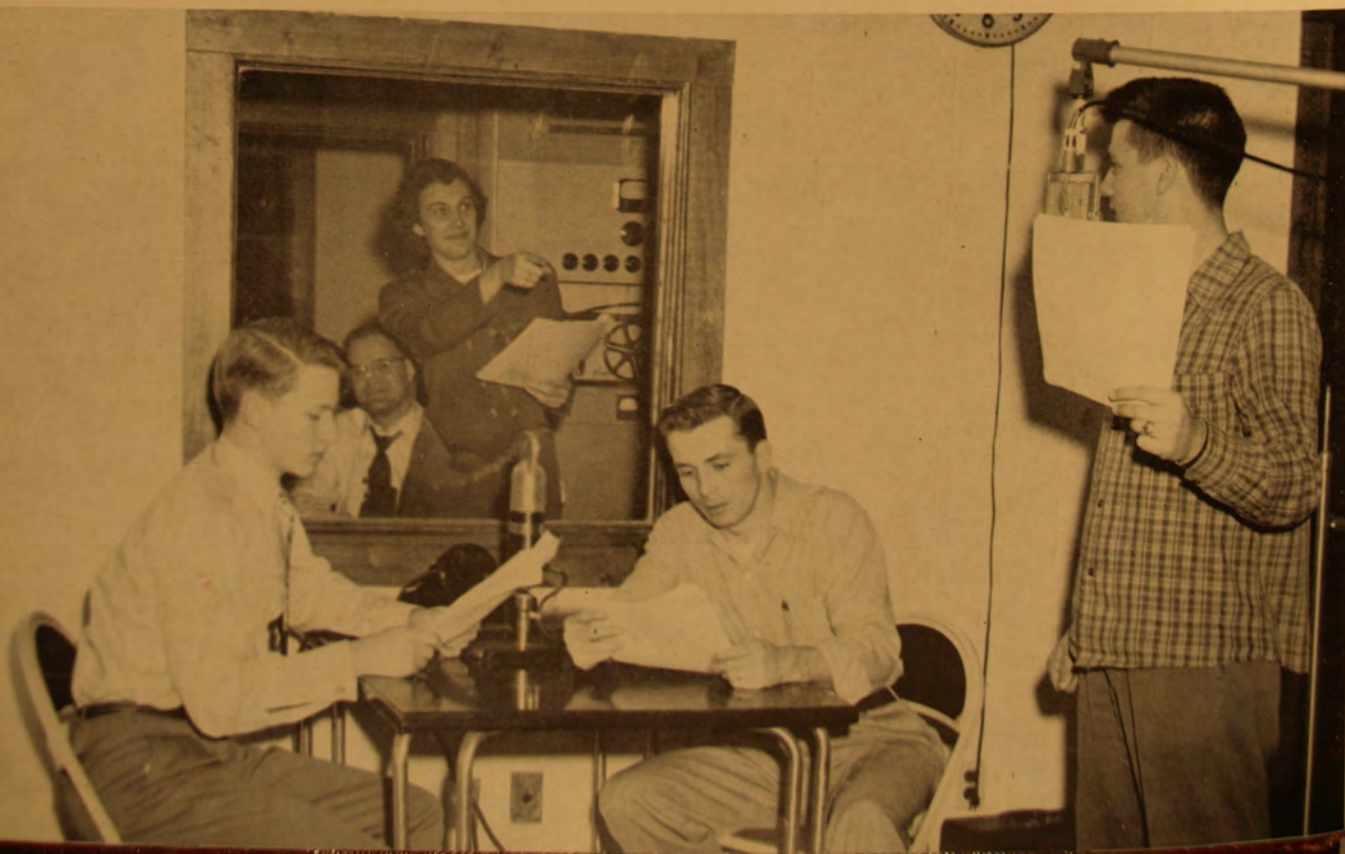

... AND NEW EQUIPMENT

Laboratories and classrooms in the new buildings are fully equipped with the most modern teaching facilities obtainable. No expense has been spared to make available to the students greater opportunities for learning.

College

New Departments in Library Science and Speech and Theater Arts have been added, and departmental offerings in Agriculture and Economics have been increased. A fully equipped radio practice studio, an agriculture laboratory, and a library science laboratory have been added to increase the effectiveness of these departments.

AND CURRICULA

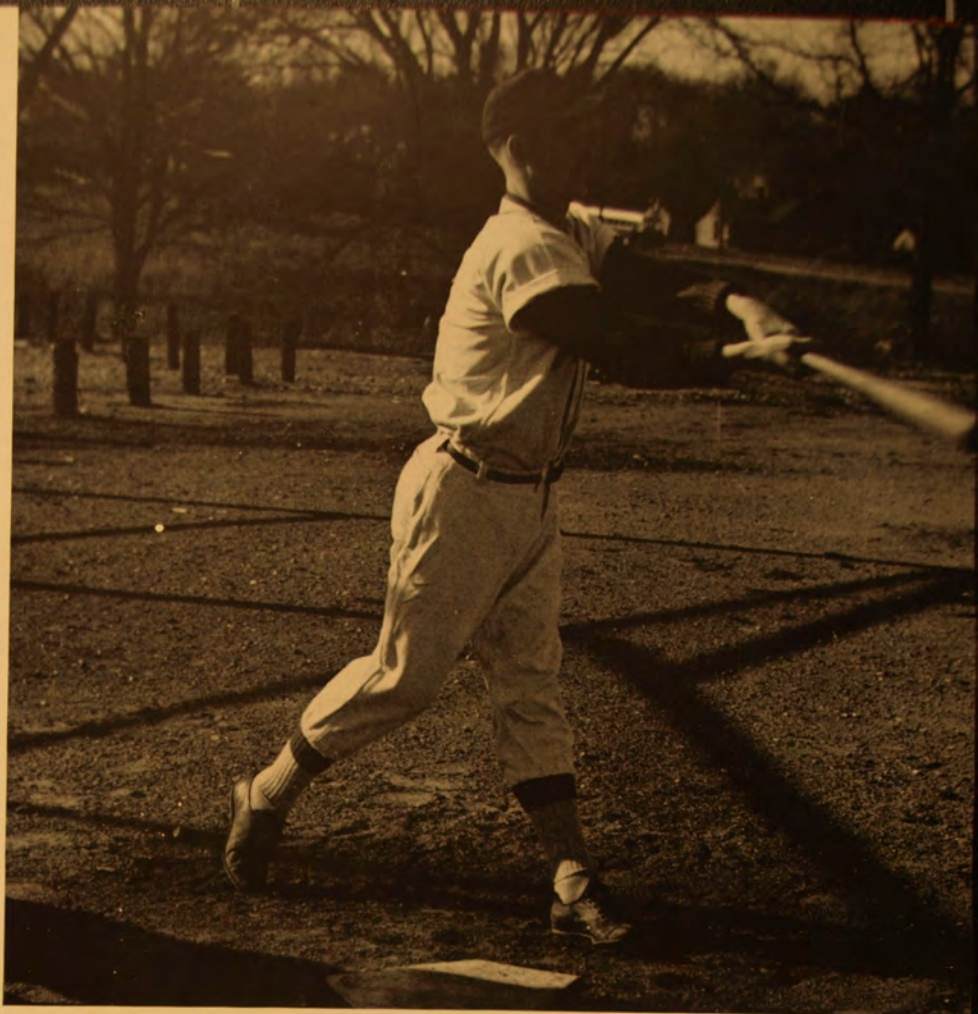

AN ENLARGED ATHLETIC

Football, basketball, golf, tennis and baseball along with the intramural sports give Austin Peay a well rounded athletic program. The nineteen forty-nine-fifty season has been a particularly good one, with the school fielding both a fine football and basketball team. The interest in sports has been at a high level this season and shows no sign of slackening up for the years to come. All signs point toward a bright future in athletics for Austin Peay.

PROGRAM

The high point in athletics for this year was the winning of the V.S.A.C. basketball tournament. This is the second straight year that our basketball team has earned this honor. This year's victory was particularly outstanding. The team entered the tournament a fourth seeded underdog but emerged victorious, but they won every game in the tournament with approximately a twenty-point margin. A team which can accomplish this feat deserves every tribute that can be heaped upon it.

AND MORE SPIRIT

A N D F U N

More people, new buildings, new courses, and new classes all lead to more fun and school spirit. All is not work at Austin Peay State. Pep rallies, parties, formals, square dances, bon-fires, movies, class outings, and club parties, all manifest increased social and recreational activity on the part of the student body.

TO FUTURE GENERATIONS WHO

We, the students of nineteen hundred fifty, entrust to you the traditions of our school. Nurture the ideals of Austin Peay State College, cherish its brilliant past, and build for it an even greater future. We have seen it grow from an humble Normal school with antiquated buildings to a modern college with magnificent new structures. With damp eyes we bid "farewell" to our Alma Mater, but with glad hearts we "hail" you who will follow us. The school is yours. Use it, benefit from it, and add glory to its history. The hopes of this school and of this nation depend upon you.

WILL PERPETUATE THIS PROGRESS

Students of Austin Peay State College,
Greetings:

Through your efforts and contributions this has been a banner year for Austin Peay State College. The spirit of the student body is and has been excellent. Your conduct has been on a high level. I am more convinced than ever that you want the best for yourselves and for future students who will enroll in this College. To have and to appreciate superior things, one must be superior in ideals and character.

Your opportunities are limited only by your determination and your preparation. The world needs strong mass leadership as well as strong individual leadership. It must have such leadership if civilization moves onward and upward. There is no place for weaklings in our social order of today and tomorrow.

May you be successful in your undertakings if they are clothed in honesty, truth, and knowledge.

Sincerely,

HALBERT HARVILL
President

GOVERNORS HAVE

The Coaches

Closing the season this year with an eight to two win-loss record stands as a tribute to Austin Peay State College's fine football team. This record is a duplicate of last year's, but the team as a whole has improved. The blocking and tackling was extremely vicious and the team played well as a unit.

Probably the thing which aided the team most in its successful season was the team spirit and cooperation toward their ultimate goal—victory.

Another big factor in the making of Austin Peay State College's football team was its coaching staff. Coach Dave Aaron as head coach, line coach Leon Sandifer and

backfield coach Don Gary all worked together to turn out a splendid team.

The cheerleaders and the students themselves aided a great deal in making this year's football season one of the best in the school's history. The hard work of the cheerleaders plus the pep and spirit of the fans in many instances gave the team that added spirit which is the difference between victory and defeat.

This year's team was a memorable one, and may the teams to come look back and live up to the fine standard they set.

Practice Makes Perfect

Surprise

This year marked the beginning of a rivalry in football at Austin Peay which we hope will last a long time. The Camp Campbell game this year will long be remembered by the school and the people of Clarksville as an outstanding football game.

For weeks preceding the game the excitement ran at a high pitch. The students, the people in the surrounding areas, and the men at Camp Campbell all looked forward to the game with great expectations. The players of both teams were keyed up to the last notch for the oncoming event.

Austin Peay went into the game a decided underdog, but after the kickoff the balance of events swung the other way. Our men drove down the field with the spirit and determination which characterized their play all season. When the final whistle blew the score stood, Austin Peay, twenty, Camp Campbell "Angels," six.

The hard work of each player and his determination to win, coupled with the loyal support of the fans, gave the team that extra punch which clipped the "Angels" wings and added another laurel to our team's season record.

Last year the Governors copped the Volunteer State Athletic Conference title to add the finishing touches to a successful season.

This year, the season of '49-'50, sees the Austin Peay cagers minus the services of three of their starting five. Two were lost by way of graduation and one via the ineligibility route. Even though the loss of a majority of the first team, and a few of the reserves, dimmed the hopes of the Governors considerably, an influx of capable freshmen and sophomores bolstered their anticipation of a successful season.

At this writing tournament time is not as yet under way. But at present Austin Peay definitely is the tourney dark horse. At times during the season the team has reached the epitome of hardwood combinations in court play. In every game their desire to win has been proficient enough to draw praise from both opposing coaches and players. Any season in which a team exploits that type attitude may be deemed successful.

With only a few returning lettermen from last year's squad, Austin Peay fielded its third baseball team since the end of the war. As yet baseball is still on a minor scale at Austin Peay, but with the influx of more students and greater emphasis placed on a full athletic program, baseball may soon join the ranks of major sports.

The Governors are fortunate to have access to Goodrich Field for all their home games. The field is well lighted with very good seating accommodations.

In the coming years we look forward to the time Austin Peay will be able to field a team on a par with teams in the larger conferences.

Why So Serious

A N D T E N N I S

Austin Peay has had tennis for only two years, but with the new concrete courts it has the facilities for sponsoring a fine tennis team. Last year's record was not impressive due to the absence of a coach for this particular sport, but the team held some matches and showed lots of promise. This year's prospects are much better. All of last year's players are back and with the addition of some new men, A.P.S.C. should have one of the better small college tennis teams.

The Austin Peay lettermen have again completed a successful season, with all the lettermen returning, but one. The Governors have shown exceptional skill and adeptness on the fairways this year to place them on a par with any of the smaller Southeastern colleges.

Austin Peay is most fortunate to have access to the beautiful Clarksville Country Club for both practice and its home matches. In the coming years Austin Peay hopes to enlarge its athletic program so as to secure its own links and encourage a year-round physical education program.

This year, in a highly competitive sport, the Governors have more than proved themselves capable of representing the high athletic standards of Austin Peay.

Thousands See Colorful Parade

The annual home-coming festivities were held at Austin Peay State College, Saturday, November 19.

Highlighted by a parade of colorful floats, and climaxed by a victory in the annual football classic, the home-coming was described by many as having been the most enjoyable they had ever attended.

The parade took place Saturday afternoon through the business district of Clarksville. Hundreds of spectators lined the streets as floats of various designs and brilliant colors, all depicting the defeat of Athens State, rolled by, led by the college band.

The Junior class won first prize for the best float in the parade. Second place was awarded the Sophomore class. The Junior class float depicted a cotton field in

A Reality . . .

This Bank considers Austin Peay State College a **vital** part of our community, not a separate entity. We believe our citizenship can better evaluate our college if we realize this is a reality.

As wholesome food becomes part of a living body and nourishes it, Austin Peay State College enters into and helps build the very life of each individual of this community.

As present plans also become a reality, we shall have an even greater and stronger citizenship because of AUSTIN PEAY STATE COLLEGE.

WE BID
A
FOND FAREWELL

(Signed)

THE 1950 FAREWELL & HAIL STAFF

A Memorable Year

•

- Congratulations to the Student Body and Faculty of Austin Peay State College for completion of another outstanding year of accomplishments.

- The Staff of your annual has worked exceedingly hard to give you a superb book and one which portrays the highlights of memorable activities.

- Neither time, effort nor expense have been spared to provide you with a permanent record, attractively presented and complete in every detail.

- To preserve the photography and literary efforts of the Staff, the best grades of material have been combined with skilled workmanship to provide the finest quality yearbook.

- We are proud that the 1950 Staff selected us to help design, print and bind the "Farewell and Hail." We have earnestly endeavored to fulfill the confidence placed in us.
