

Standing Committee Annual Report

Name of Committee or Council:

Survey Policy Oversight

Chair:

Andrew Luna

Meeting Dates in Current Year:

8/13/22; 5/1/23;

Major Actions or Accomplishments:

SPOC's year was very slow. In our first meeting, we introduced the new committee members with the policies and procedures of the committee. We then reviewed recent changes to the policy that were made by the University Policy Committee upon recommendations by SPOC. We only had four survey requests. All of these were exempt from SPOC.

The committee is currently drafting a recommendation to disband because the anticipated need that started the committee is just not there.
