

Standing Committee Annual Report

Name of Committee or Council:

Committee for Persons with Disabilities

Chair

Roy L. Baker

Meeting Dates in Current Year:

Monthly meetings we conducted or as
needed.

Major Actions or Accomplishments:

- Purchased and installed additional electric door opener for office located in Disability Services.
- Purchased and installed electronic door opener for MCC building. This allowed for individuals with special needs to enter the MCC auditorium and find seating without going down flights of stairs.
- Worked closely with personnel from all areas of the campus to monitor and maintain accessibility for students, staff, and faculty during campus construction.
- Aggressively pursued activity that will result in an ADA campus audit. This will be the first item of business on the agenda for 2010-2011.
