Architectural Notes \_\_\_\_\_

Hand-drawn floor plan of a carriage house on grid paper. The plan shows a main rectangular building with a chimney flanked by attic windows, a porch with metal decorative supports, and a separate carriage house structure. Annotations include 'additions', 'flat rooved car port extending from wing that is possibly orig. kitchen to structure', 'chimney flanked by attic windows', 'door opening into house entrance way', 'CARTRIDGE HOUSE', and 'house slides on cast iron support rollers'. A north arrow points towards the bottom left.
