Introduction

The Office of Student Financial Aid is responsible for administering federal and state financial aid programs to the students of the University. Certain standards must be maintained in order to comply with the guidelines set forth by the Office of Education regarding satisfactory progress on the part of the student.

The purpose of this policy is to establish procedures regarding retention and renewal of financial assistance at Austin Peay State University. This policy will be administered by the Director of Student Financial Aid, who will develop and enforce the procedures for aid retention.

This policy shall apply to Perkins Student Loan, Stafford Guaranteed Student Loan (GSL), Supplemental Educational Opportunity Grant (SEOG), Pell Grant, and Tennessee Student Assistance Award (TSAA).

The following standards are applicable to all students applying for and/or receiving assistance administered by the Student Financial Aid Office.

Standards
