

Technology Access Fee Allocation Committee

Membership: 3 faculty, 1 staff, 3 students, associate vice president/chief information officer of technology, 1 representative from the office of information technology, executive director for Fort Campbell Center (or their appointee), director of distance education. Faculty, staff and student representatives will serve a two-year term. The associate vice president/chief information officer will be permanent assistant chair of this committee. The other assistant chair will be elected by the group and must have served on a prior TAF allocation committee for at least one year.

Description: The committee reviews the faculty, staff, and /or administrative proposals for Technology Access Fee (TAF) funding and make recommendations to the Information Technology Advisory Committee as a whole for final approval.

(Approver: Vice President for Finance and Administration)
