

[26.] Space Allocation Committee

Membership: Provost/SVP Academic Affairs, VP for Finance and Administration, (Chair), VP for Legal Affairs/Organizational Strategy, VP for Student Affairs, Director of University Center, VP University Advancement, Faculty Senate President and Director of University Design and Construction (ex officio), SGA President or designee, Staff Senate President, 2 Faculty,

Description: All university buildings and land belong to the University as a whole and are subject to assignment and reassignment to meet the institution's overall priorities and needs. The space allocation committee is charged with the responsibility and authority for reviewing and recommending all individual space requests, campus wide space plans, and new space planning to the President.

Recommendations to the President are made after careful review of all relevant factors including: adherence to the master plan, compatibility with existing use of space, university strategic priority and cost, space utilization report, legal, environmental and external mandates. Requests regarding the allocation of academic space are to be directed to the Provost.

(Approver: Vice President for Finance Administration)
