

Financial Aid and Scholarships Appeal Board Committee

Membership: 2 Faculty, 2 Staff, faculty athletics representative, university advancement representative and 2 *ex officio* (executive director of student financial aid and scholarships, representative from athletics)

Description: This appeal board hears the following appeals:

1. Those cases where students do not maintain appropriate grades to retain their scholarships. If students believe there has been an extenuating circumstance, they may appeal to the board in an effort to retain the scholarship.
2. Those cases where students that are participating in the College Work-Study Program appeal decisions relative to their appointments to work positions.
3. Those cases where students wish to appeal the non-renewal of athletic aid. This committee will meet when the director of financial aid deems it is appropriate or when a student files an appeal with the director.

The director of financial aid serves as a resource person.

(Approver: Vice President for External Affairs)
