HOSPITAL	Deaths	Total active cases	% Change active cases	Positive daily cases	% change positive daily cases
* Inconsistent data	* inconsistent data	873	+9.3%	111	-6.3%

### ADDITIONAL INFORMATION

- The COVID Advisory Group is searching for credible, correct data. State is reporting zero hospitalizations and zero deaths. We know anecdotally that this is not true, but searching for an official source of info. We believe that the Tennessee Highland Rim Healthcare Coalition has the most accurate information. Their data is reported on Wednesdays.
