**Subject:** RE: Standing Committee Annual Report

Dear Martha,

The Committee that I have been assigned to as the **chair** is the "**Inquiry Committee on Research and Scholarship Misconduct**". The committee has not met since I have been made chair until now.

Dear Martha,

However, I have just received a letter dated 4/26/06 with a package from Dr. Speck requesting the committee to look into an issue. Upon reading the policy/guideline (policy Number:99:013 of Jan 19<sup>th</sup>, 1999) I see that on page 4 (of 14) it is noted that "the membership shall consist of **tenured** faculty.....". I have contacted Tammy Delvendahl of Dr. Speck's office to get a clarification on the appropriateness of my appointment as Chair to this committee as my current status is "tenure-track" (I have received a letter from the President last month recommending promotion and tenure – but that, if gets approval from the TBR, will be with effect from Aug. 2006).

I am writing this to seek an extension of time in submitting the Annual Report until this situation is clarified from Dr. Speck's office.

Thanks you for your time and support!

Uma Iyer.

**Subject:** Standing Committee Annual Report

You are receiving this email as reminder to submit a standing committee annual report for work done on the committee you chaired for the 2005-2006 academic year. The brief report should include the following:

Name of Committee  
Name of Chair  
Actions/Accomplishments

You may submit these to me through email or campus mail. I will collect them for Dr. Hoppe's review.

If you have any questions, please let me know.

Thanks,  
Martha
