*Miss Mary
Katheryn Tanner*

Comparatively few of the students who have passed through the halls of Austin Peay have had the rich experience of attending Miss Tanner's language classes. Those who have done so came away impressed by her unusual kindness and ability. To know her better is to get a glimpse of a soul whose desire to know has led to the acquisition of an un-

usually broad body of knowledge. In acknowledgment of such rare blending of understanding and scholarship in this person who, because of her unassuming nature, may not receive proper recognition, THE 1953 FAREWELL AND HAIL is dedicated to Miss Mary Katheryn Tanner.

President Harvill

Students of Austin Peay State College:

This year will end twenty-four years of educational work on this campus from the standpoint of a state supported institution. From a very small beginning the Austin Peay State College has developed into an institution of higher learning that stands high and travels in the ranks of the best. The development and growth has not been so much unlike that of a child growing toward and into full manhood, full of visions, hopes, and faith. We who have been here since 1929 have had visions of witnessing on these grounds the growth and development of an institution that has no superior in doing worthwhile tasks. Our hopes have been that you would profit by being a part of Austin Peay State College. You and all who have enrolled year after year are the Austin Peay State College.

Our faith is and has been that God in his wisdom guide and direct us that you may receive as students instruction and associations that mold youth into manhood and womanhood pleasing to Him.

You will soon be filling the better positions throughout the Nation. If you have done well your part here, I have no fear for your future. You will have rough roads to travel, as most generations have. I am confident the world will be better by your having lived and worked for the finer things of life. Do not be content with getting the bare necessities, but go for the *finer extras* that make for better living.

Sincerely,
HALBERT HARVILL, *President*

Mrs. Violet Parrish, B.S., Secretary to President Harvill.

Members of the Student Council are chosen by the student body to serve as their advocates throughout the year. They work with faculty and students to bring about satisfactory relationships for both. It is their goal to make life on the campus more pleasant and profitable. For this purpose they have encouraged stronger clubs and class organizations; they have worked toward more well planned social activities for the student body. They have tried to instill in the students a pride for the school and a willingness to cooperate in worthy

civic enterprises, such as the Red Cross and the blood bank. This year they sponsored the establishment of a Student Christian Association on the campus. Believing that their type of organization has proved advantageous at Austin Peay, members of the Student Council have helped other colleges of Tennessee to set up a similar program. Here at Austin Peay they have planned a post election program to aid officers for the following year.

The Austin Peay College Band

All of us have experienced the indescribable tingle that races up and down the spine when rousing strains of band music fill the air and enhance the excitement of a football game. The music, the crisp air, and the yells of a tense crowd are inseparable components of a college football game. We await with expectancy the polished performance of the majorettes to hold our attention during the half period. But few of us stop to think of the long hours of practice on the part of the leader, the musicians, and the majorettes that must have preceded such a performance. They deserve the highest praise, along with the athletes, for bringing laud to the name of Austin Peay State College.

The members of the band have had fun during the year, too. Highlighting their activities were the participation in a parade at Paris and a trip to Decatur, Illinois, to assist the team in their contest with Milliken.

Members of the annual staff are entrusted with the task of preparing an album for the family that lives and works at their school. The 1953 FAREWELL AND HAIL staff has tried to represent every person and to recognize every activity that is an important part of our campus life. It has been the ideal of the editors to present an annual which, many years hence, will remind you of valued associations and experiences at Austin Peay. It is their hope that, as you thumb through the pages that shout of opportunities offered

to you, you will have no cause to say, "It might have been."

Future annuals may be more artistically and effectively arranged. They will, doubtlessly, become larger as the school grows. But the 1953 FAREWELL AND HAIL cannot be replaced by a newer and better edition. Keep it and watch it increase in value with its age. For these are your friends; these are your days; these will be your memories.

Third Row: Paul Sanders, Darward Harris, Jimmy Marshall, George Nicholson, Patty McReynolds, Kathleen Murchison, Betty Jo Curtis.

The All-State fills many needs at Austin Peay. First of all, it provides an excellent laboratory for students interested in English and journalism. Nothing can take the place of the actual experience of writing articles and preparing a publication. Through the reporting of campus activities all of the students are brought closer in feeling a mutual school spirit.

The All-State is a democratic organ in which students may exercise their rights of self-expression. Desiring to

improve an institution whose faults they can see in spite of a sense of prideful possession, they point out the needs for improvement as they recognize them to exist. So it is that the All-State becomes a school for citizenship, a very mirror of active minds.

The issues of the All-State for the past year deserve praise for a growing evidence of maturity. They can only have been published through the combined forces of thought, cooperation, and hard work.

"... for the purpose of furthering social achievements in the light of a better spirit of cooperation, personality adjustment, and a better understanding of our fellow man," are the objective goals set forth in the fraternity constitution.

Phi Alpha Nu was formed at Austin Peay State College October 1, 1952. As the first social fraternity to be formed at APSC, the Phi Nu's have directed their efforts toward the formulation of sound traditions which will insure growth and success for the group.

... weekly socials, i.e., when the gang takes off for some spot in or near Clarksville for food and dance ... Week-end socials (might do almost anything)—if not a fad, have been popular ... Epicurean endeavor in general ... intramurals ... incidental business meetings ... All this and high aspirations marked the year's calendar.

The Queen's Court

The highlight of spring at Austin Peay is the Iris Ball, during which the Iris Queen is crowned. The queen and her attendants are chosen by the popular vote of the student body. An impressive scene is presented by the royal court in a gala setting of lavender iris.

This year's queen, Kathleen Murchison, may

stand proudly beside her regal predecessors. Picture a girl with a warm smile, shining brown eyes, a clear complexion, and a friendly personality. This is a portrait of Kathleen, Austin Peay's most representative coed. A combination of beauty, personality, brains, and industry is hard to find, but in her A.P. has made a lucky discovery.

Cast Rehears

Hayden Jolly catches Charlie Knight and Jo Ann Bagwell in an extra rehearsal for "Pure As The Driven Snow." In the play, Hayden plays the villain, Charlie the hero, and Jo Ann the heroine, who is "Oh so pure."

Rehearsals are now underway for the three-act "Cinderella," which will be given on December 3 and 4. The heroine who is being portrayed by the black-haired, voluminous, and beautiful Jo Ann Bagwell is the black-hearted villain, who is being portrayed by Hayden Jolly.

More persecuted heroine than Cinderella, played by Jo Ann Bagwell, a more thoroughly mounted heroine than Cinderella, played by Hayden Jolly.

COACHES

Coach Dave Aaron, Assistant (Line Coach) Ken Cooper, Assistant (Backfield Coach) Don Gary.

FOOTBALL

Coach Dave Aaron came to Austin Peay eight years ago after having served four years in the U. S. Navy. He was discharged in 1946, holding the rank of Lieutenant Commander.

Assistant (Line Coach) Ken Cooper was a member of the Baltimore Colts '49-'50. His gridiron ability was known locally when he held down a position on the Vanderbilt team. He came in the fall of '51.

Assistant (Backfield Coach) Don Gary is an alumnus of Union University. He was an Air Force man before he came to Austin Peay in '49.

This trio led the football through a seven won—two lost—one tied record in '52, a record not to be frowned upon.

A. P. held all opponents to 64 points with the exception of Camp Breckenridge which was the only team to score more than one T.D.

Camp Breckenridge was the Waterloo for the red and white this season, but it was one of the country's better teams.

The seniors on the '52 squad were: Bobby Ladd, Jim Odum, Charles Quarles, Carlton Balthrop and Harris Binkley.

Austin Peay played two V.S.A.C. games: tied one—won one. M.T.S.C. played only one—won it.

This makes us strong contenders for the Volunteer State Athletic Conference title.

We are truly proud of this year's record and are confident that these three capable men have given us the tops in sports for '52.

GOVERNORS TIE BUCCANEERS

In their opening game of the season Austin Peay's Governors and the Buccaneers of E.T.S.C. battled to a 6-6 draw. The red and white took the opening kickoff and marched to a touchdown in the first four minutes of the game. East Tennessee picked up its touchdown early in the second period and the clubs settled down to a gruelling defensive battle.

Outstanding men for the Governors were Ed Kulakowski, tackle, and line-backers, Smith and Quarles.

FLORENCE STATE BEATS GOVERNORS

The nine points scored by Florence State, in this the second game of the season for A.P.S.C., exceeded the Governor's point total by nine as the Aaron men failed to tally. Once again the Governors' defensive alignment played an outstanding game, but the offensive eleven failed to have the punch to move the ball across the final stripe for those points that a winner must have.

Big men for the Gobs were Ladd, Trenton, Brown, Ramsey, Gann and Mitchell.

VICTORY FOR A.P.

Arkansas A.&M. became the first team to taste defeat at the hands of the 1952 edition of the Governors. The final score was 20-7. Jerry Roberson picked up the first two touchdowns for Austin Peay on punt returns of 58 and 75 yards respectively. A safety was added in the second period when the Gobs recovered a bad snap from center in the A.&M. end zone. Bob Alexander circled left end for the final red and white T.D. Defensive standouts were Kulakowski, Vaughn, Smith and Collins.

GOVERNORS TROUNCE DELTA STATE

In their first road game of the year Austin Peay's red and white went on a scoring rampage after spotting Delta an early 7-0, and wound up the night with a 39-7 victory. The game was strictly a team victory as everyone seemed anxious to add his bit to spoiling the Delta homecoming. The Governor forward wall played one of its most outstanding games as it effectively bottled up the Delta attack and opened wide gaps for the charging backs to waltz through.

AUSTIN PEAY 40 UNION 7

The score of 40-7 pretty well indicates the superiority displayed by the Aaron men in their battle of October 18th, with Union University at Memorial Stadium, in Paris, Tennessee. Bobby Lewis was outstanding for Austin Peay as he passed, ran, and caught passes to make himself completely unpopular around the campus of the Union Bulldogs. A. P. garnered all its forty points before Union could reach paydirt on a Conway to Coleman pass. Tommy Bolen added the extra point to bring their total to 7.

HAPPY HOMECOMING!

A fired up Austin Peay varsity thrilled a cheering homecoming crowd as they ground out a 20-7 victory over the Gamecocks of Jacksonville State. Austin Peay scored first on a 32 yard run by Jerry Roberson and a conversion by Herring. Jacksonville marched right back to tie up the game, but the Governors would not be denied and by half time were leading 13-7 by virtue of a sixty yard drive climaxed when Alexander broke over tackle from 4 yards out. Jim Odum gathered the insurance T.D. in the fourth period. Herring converted.

GOVERNORS LOSE TO CAMP BRECKENRIDGE

For the first time this season Austin Peay's fine defensive wall found an opponent they could not stop as Camp Breckenridge scored on the first play from scrimmage and never let up to roll to a 49-0 victory. Governor fans found little to cheer about as the red and white found themselves completely outclassed by the Eagles who were led by former Notre Dame All-American Larry Coutre. Only in the third period when they pushed to the six yard line did the men of Aaron threaten to evade a white wash.

AUSTIN PEAY STOPS TROY

The Governors bounced back from the disastrous Breckenridge game to outfight a hustling Troy State eleven 26-7. Austin Peay took the opening kickoff and started a 65 yard drive that ended when Jerry Robertson plunged over from the one to give the Governors a 6-0 lead. Jim Odum picked up the second marker on a plunge from the one yard line midway of the second quarter. The Gobs picked up two more touchdowns in the last half before Troy could score on the red and white reserves.

"Roll Governors Roll"

GOVERNORS EMBARRASS MILLIKEN

A hard charging Governor line held the Milliken Big Blue to a minus eleven yards on the ground while the Aaron coached offensive machine scored forty points to insure an easy victory. Milliken gained its seven points on a seventy yard pass play in the fourth quarter. In the first quarter Austin Peay took advantage of two fumbles to score a pair of touchdowns. The red and white added two T.D.'s in the second quarter and one in each of the last two quarters to complete the rout.

AARON MEN DOWN SEWART AIR BASE

Writing the final chapter on a splendid season the Govs came from behind to pick up a 19-7 victory. The red and white played a fine game, one that was characteristic of the entire season, in downing their rugged Air Base opponents. This victory left the season's mark at seven victories, two defeats, and a tie. The offensive stars in the final battle were Charley Oakley, Oscar Odum, Jerry Roberson and John Martin.

The 1952-53 Cheerleaders were elected by the popular vote of the students. They were Donna Altfather, Dorothy Jo Coleman, Grace Chester Fore, John Hancock, Billy Underhill, and Billy Parker.

Billy Parker was chosen for the third straight year and is the captain of the group. He is a Clarksville boy and a physical education major.

Grace Fore is a two-year member of the rooting team, a physical education major, and hails from Woodlawn, Tennessee.

John Hancock, the airborne tumbler from Hopkinsville, Kentucky, was a cheerleader last year. He is an agriculture major.

Donna Altfather was also a cheerleader last year. She is from Clarksville and is majoring in physical education.

The only new member of this year's chief rooters is Billy Underhill, a pre-law student from Nashville.

Dorothy Jo Coleman from Allensville, Kentucky, is a business major. She is a cheerleader for her second year.

Miss Ruth Garrison, physical education teacher, serves as the coach for the squad.

AARON MEN HAVE GOOD CAGE SEASON

Austin Peay's hardwood representatives racked up 1522 points against their opponents' 1477 and were known as a ball club that froze the ball so often that the foe had to foul them to get to play with the ball. They won 12 and lost 9 games, got second place in V.S.A.C. season play, and were runners-up in the conference tournament.

One point beat them in one game, two in a couple of heart breakers, and they lost five more by five or less points. If stars must be chosen, Tom Morgan, Dave Johnston, and Earl Chance, the team's high scorers, might be

picked or maybe Freddie Harrison and Jack Hunt for rebounding; but that would be leaving out Jim Odum and Jerry Huls, the best two ball handlers (except Goose Tatum) in the world. If we asked some of the opponents, they might say LeRoy Smith was their biggest threat, and we know Lipscomb thinks Donny Holmes is their cause of tourney failure.

For team fight and school spirit they were tops, and to them we say, "Well done."

"There's a time and place for everything," an old, worn adage says, and we suspect that there's more than a grain of truth in the saying. For those of you who "just can't wait" to plunge into the complexity of a serious love affair, or the responsibility of marriage, we suggest that you turn to page 5 and read what Frank L. Slutz has to say on this subject of timing and marriage. You'll acquire a few new ideas, we'll wager, and you might even change your mind

CONCERT CHOIR

Shown here is the newly organized Phi Alpha chapter, which was organized by right Ronald Denton, secretary John McKendrick, Jr., vice president, and George McKendrick, Jr., president.

For the first time in the history of this college, a Greek letter organization has been formed. The first meeting was held last week and was attended by the Phi Alpha chapter.

The group, which has Dr. Worth Morris as its faculty adviser, holds regular meetings each week for both pledges and active members.

John McKendrick has been chosen to lead this fraternity in its first year. George McKendrick, Jr., president; Joe Purdy, treasurer; Owen is secretary; and Ronald Denton is sergeant-at-arms.

The purpose of Phi Alpha can best be explained by...

WHAT EXPRESSIONS!

Austin Peay Men's Glee Club is shown above in a scene from the "Governor Galettes" which was presented last spring in the auditorium. Plans are being made for another performance of this musical to be given next quarter.

The "Governor Galettes" is a musical which is being accepted for the 1953 rough state, so all new ideas or suggestions are being accepted with great alacrity.

The plot, which was presented to the meeting by Barbara D... uses as its theme "around the world with the Governor Galettes." The different production numbers will feature the various types of music and dancing which are associated with other countries.

Under the direction of Dr. Les L. Gary, the production is being presented by the Music Department and only A-P-S-C. talent is used.

A few people have already been chosen for the various committees, but there are jobs open on any committee. Dr. Gary is anxious to hear from anyone who is interested in the dialogue writing or working on set design. Am Smith and Newton Becker, who are being composed...

At Austin Peay... The objectives of the Student Christian Association are: emphasis on Bible study; ship, outreach; and specific religious needs which are not met by the campus movement called the Student Christian Association. The S. C. A. also carries on projects such as painting church rooms and preparing playgrounds for children. The Student Christian Association is a nondenominational organization.

"Ceiling Unlimited" ---

Abraham Lincoln once declared: "I have no other ambition so great as that of being truly esteemed of my fellow-men, by rendering myself worthy of their esteem."

Today, world problems are multiplied but opportunities are multiplied in equal number.

Standing at the threshold of a chosen vocation, no one can be worthy of esteem if he be satisfied with mediocrity. The well-earned happiness of Graduation Time is a treasure to be guarded and developed into achievements.

In this difficult day a confused world makes its report to the new Graduates in the language of aeronautics—"Ceiling Unlimited."
