Speaks On "Life's Challenge"—Challenged Graduates To Serve One's Fellow Man, Practicing the Golden Rule.

The commencement sermon to the 1936 graduating class of Austin Peay Normal was delivered on Sunday evening, May 31, at the First Baptist Church by Dr. P. C. Walker, pastor of the First Baptist Church of Hopkinsville, Kentucky.

The subject of Dr. Walker's sermon was "Life's Challenge."

The speaker challenged the graduates to face the future with a philosophy of serving one's fellow-men, and by so doing, achieve the true Christian life. It was a difficult task in life and the one requiring the most courage," Dr. Walker declared, "is not some feat of daring, but is rather, the

temptation-besieged process of living the life of a real Christian. The universe and all its mysteries awaits man's efforts at solution. Your duty is to go forth and serve your God and your fellow man. That is the challenge of life."

Music for the occasion was furnished by the chorus of the Austin Peay Normal School, under the direction of Mrs. Elizabeth Bell. O. E. Hall, Jr., offered a solo, accompanied at the organ by Mr. Durward Tarpley.

## ALL STATE STAFF ENJOYS BANQUET

Editor-in-Chief Shaw Presides; Reports Made by Representative Members of Staff, Sponsors and Dr. Claxton

The All State staff enjoyed a most delightful banquet held in the private dining room of the college cafeteria, on Tuesday evening, June 2. This event was the final get-together of the group and the only meeting of the year which was all fun and no work. After a delightful dinner, planned and served under the capable direction of Mrs. Lewis Johnson, the toastmaster, Wyatt Shaw, called on representative members of the staff for two-minute talks. Everyone responded with enthusiasm and good cheer.

**Reports Made**

The first speaker, representing the Reporters, was Louise Henley, who briefly on "How We Got the News." Following Miss Henley, Russell Cooley, in his rather bombastic style, talked on, "How We Edited the News." Editor-in-chief Shaw, in a more serious strain spoke on "How the Editor-in-Chief Re-edited and Made Up the Paper." Speaking for the sponsors Mr. Riebel made a clever talk on "How We Censored the Paper." The business manager, Mike Northington, spoke interesting and humorously on "How We Got the Money." Lloyd Kirk, circulation manager, reported briefly on, "How We Circulated the Paper." Representing the faculty and students, Dr. Claxton addressed the group on, "How We Like the Paper." Dr. Claxton's talk was quite pleasing and encouraging to the staff.

Miss Huff, one of the sponsors, commented briefly on the year's work. (A summary of her comments may be found elsewhere in the paper). Those attending the banquet were Dr. and Mrs. Claxton, Mr. and Mrs. Harvill, Mr. and Mrs. Riebel, Miss Huff, Wyatt Shaw, Charles H. Russell, Mary Elizabeth Hubert, Russell Cooley, Frank Robertson, Louise Henley, Agnes Melchior, Douglas Haneline, Grace Hyde, Rickard Griggs, Julia Sanderson, James Woodward, Jr., Christine Crick, Rayburn Jackson, Marguerite Hambaugh, Eudora Loggins, Josephine Elliott, Willine Chadwick, Willard Ward, Mike Northington, Lillian Frances Owen, Lloyd Kirk, Barbara Hallam, Sue Bratton.

## Farewell and Hall Exercises Feature Commencement

Beautiful, Impressive Ceremony Held in Central Bowl on Thursday Evening.

On Thursday evening, June 4 the Central Bowl was the scene of the Farewell and Hall ceremony, the most impressive and beautiful feature of the commencement activities.

A band concert by the Clarksville High School Band opened the program. The assembly group of graduates, other students and visitors then sang "America the Beautiful." As the band played the graduates lighted candles from the torch held by Mrs. Mary Matlock DePriest, the first student to enroll at Austin Peay Normal School.

After marching across the bowl with their lighted torches the graduates formed the letters A. P. N. S. on the north bank of the bowl and sang "My Homestead Tennessee." Then they were addressed by the class president, Frank Robertson. The graduates then sang "Aloha Oe." Following this the graduates formed a semi-circle on the north of the bowl (Continued on Page Six)

## Dormitory Clubs Give Annual Dinner

Alpha, Beta and Omega Clubs Are Hosts at Most Enjoyable Dinner at Dunbar Cave.

The Alpha, the Beta, and the Omega Clubs and their guests enjoyed their annual dinner at Dunbar Cave Tuesday evening, May 26.

The group went to the cave at 4 o'clock. Between that time and the call to dinner, various activities were taken part in by the pleasure seekers, swimming, boat riding, or strolling around the grounds. Some found time to do a little studying.

The lower dancing floor was used as a dining room and at 6:30 about 125 hungry people took their places at the respective tables, according to their club membership. The tables were all attractive and colorful, since each was decorated with its club colors (Continued on Page Six)

## RABBI JULIUS MARK DELIVERS THE ANNUAL COMMENCEMENT ADDRESS

Eighty Graduates Receive Diplomas at Seventh Commencement; Music Furnished by the Normal Chorus.

Austin Peay Normal School held its seventh annual commencement exercise in the auditorium, Friday, June 5, 1936.

After the invocation by Rev. J. Wayne Drash, First Christian Church, Clarksville, the assembly sang "America the Beautiful." Other music for the commencement exercise was furnished by the Austin Peay Normal Chorus, directed and accompanied at the piano by Mrs. Elizabeth Bell. The group sang "O,

Hush Thee, My Baby," by Arthur S. Sullivan, and "The Kerry Dances" by J. L. Molloy.

Dr. P. P. Claxton, president of A. P. N. S., introduced the speaker, Rabbi Julius Mark Vine Street Temple, Nashville, Tenn., who delivered the commencement address to the graduating class.

Rabbi Mark has traveled widely, is directly interested in education and in economic and sociological problems. He is well known as a lecturer and writer on these subjects. Recently, Rabbi Mark has made an intensive study of the Jewish problem in Germany and Russia.

A class of eighty graduates received diplomas for their two years' work at Austin Peay Normal School. After the presentation of the diplomas, Rev. George Smith Thomson, Cumberland Presbyterian Church, Clarksville, gave the benediction.

The commencement address was the last feature of the 1936 commencement program.

## Miss A. P. N.

RUTH LINK

Miss Ruth Link was elected "Miss A. P. N." by a school-wide vote. Ruth hails from Portland, Tennessee, and has been very popular during the nine months she has been in school here. She has been outstanding in all school activities. She was a star forward on the basketball team during the past season, and was a member of the girls' tennis team that won the MVC championship this year. Ruth is jolly, good-natured and well liked by all the students.

## BANQUET CLOSES ATHLETIC SEASON

Representatives of Various Teams Speak; Tunes, Arranged By Toastmaster Harvill, Sung; Other Entertainment.

A magnificent banquet held in the cafeteria on the evening of Friday, May 29, brought to a close the athletic season of the Austin Peay Normal. The members of all athletic teams attended the entertainment given by their teams. Approximately 75 were served, including many guests.

The entertainment of the evening was furnished by the Nitwit Trio composed of Misses Hazel Wade, Julia Nichols, and Frances Melhigan, and Miss Mary Lynn Vinson. The first group sang several numbers with Miss Melhigan correlating with a tap dance. Miss Wade rendered several songs with an accompanying tap dance. The Nitwits were accompanied on the piano by Miss Louise Kerr, while Miss Vinson was accompanied by her sister, Mrs. Johnson.

Dean Halbert Harvill, the master of ceremonies, introduced in turn a representative of each of the athletic teams, who said a word in regard to his respective team. Those introduced were Miss Christine Crick, girls' basketball; Ray Fambrough, boys' basketball; James Corlew, Louis Wickham, and Paul Northington, baseball; Miss Ruth Link, girls' tennis, and Russell Cooley, boys' tennis.

**Introduces Guests.**

The master of ceremonies then introduced several of the guests, each of whom spoke briefly. Among these were Mike Northington, Sr., Holmes Fuqua, W. W. Barksdale, Jr., and Charlie Crowe.

Interpersed throughout the program were several periods devoted to group singing, led by Miss Frances Corlew. The songs sung were pertaining to Austin Peay Normal and the words, written by Dean Harvill, were put to the tunes of familiar numbers.

The concluding moments of the entertainment were marked with a short speech by Dean Harvill and a word of greeting from Dr. P. P. Claxton. Both stressed the (Continued on Page Six)

## Farewell To Thee

Farewells are not joyous occasions in their entirety, yet think of the perfect bliss that one derives from the shadowy memories of things that you've bid farewell to.

Farewell, college pals! Farewell, college days! But as we wend our way on life's bramble-hedged path, may we relive those scenes and friendships of dear old A. P. N.

Never can our campus of living beauty, with sunken gardens, curving maples and majestic oaks be dimmed by the static of the future.

The ringing laughter, hearty jokes, chatter and little nothings that the congregation in front of the historic Castle Building enjoyed, will find its way to us again after years amid the ether waves.

No years of time can erase those hours of dormitory life—the barn dances of Robb Hall, the attic parties of Myra Harned Hall—and that eternal call, "Lights Out."

Forever in memory will linger those hours of waiting in line at the cafeteria and the "cracks" about food.

Hours of fun in the gym, ball field, and tennis courts will fill a gap in memory's trail.

Happy smiles, pleasant "good mornings" from the faculty and president of our institution, and their kind and sometimes no-nonsense advice will remain with us always.

Can we forget those almost impossible lessons and the constant poring over books? Can we forget our carefree hours?

No. We say farewell to departing classmates, whom by chance

## Farewell and Hail

EDITOR'S NOTE: This speech was delivered by the president of the Sophomore Class during the Farewell and Hail ceremony on June 3.

President of Austin Peay Normal and faculty, fellow classmates, and friends:

First, let me express my sincere appreciation for having been accorded the honor by the Seniors of speaking to you on this most auspicious occasion—a beautiful impressive ceremony which will have a pleasant and lasting impression, lingering in our memories throughout the years.

It is with a gladness mingled with sadness that we are here gathered together this evening in this Farewell and Hail exercise. Somehow, I feel that the pleasant memories, pleasant associations of the students and the faculty, the friendships we have made will be treasured throughout the coming years among our most precious souvenirs.

We have lived together during the past two years, shared the same amusements, enjoyed the various social activities which have taken place, indulged in a proper amount of study and we feel that our being in school here has given us a broader view point and a deeper insight into, and an appreciation of the more wholesome and beautiful things of life and that we are better prepared

we may never again. We bid farewell to A. P. N.—its halls, gardens and foot-worn walks. Farewell to it all! But to those things afforded by it—learning, friendship, and happy memories—"Farewell never."

## Class Prophecy

Or Extracts Taken From  
40th President's Daybook

January 10—A gentleman came to the White House to see me today. It seemed as if I remembered the fellow, but I couldn't quite place him. He said his name was Cooley, and he was from Hollywood. He seemed to be O.K. and said that Lucille Cantrell and Margaret Shelby were co-starring in a picture to be released soon. The first lady said he was quite successful as a movie star. She further stated that he was interested in a certain Miss Herndon and she wouldn't be surprised if—He is a handsome rascal though. Originally from Clarksville, Tenn., so he said. Seems as if I've heard of that place before.

February 1—Well, well, I had the honor of entertaining Prince Alecsky Scottyck Trotter of today. Who would ever have thought that the great Czolpnowy Prince would ever have come to see me. Ah, you never can tell—that country may want to borrow some money. The heck of it is that I can't find Secretary of Labor Orbin Pegram since

she's been here. February 11—There is no use of me worrying over the next election now, for everything is sewed up. That bird, by the name of Shaw, that dictates everything down South is for me now. All he wants to do is to sit around my office and talk to my secretary. I wonder if she knows him. Why of course not, Miss Crick never knew him.

February 23—Congressman Wootton from Tennessee, was in here to see me today. He wanted me to see his new bill. It provides for a tax on baby carriages over a certain weight. I doubt if it passes though.

March 2—Well, I just bought something and why I don't know. A Miss Frances Harvill who is selling Bibles for the Henley and Hyde Book Co., dropped in to the executive mansion and persuaded me to buy one. She certainly is kind-hearted to work so hard to help the concern progress.

March 14—I was so tired today that I went to the theater. Pretty good show and that dancing team of Morris and Fambrough was the "tops."

March 20—I had to speak at a ceremony to-day—the celebration of the first person to fly to the moon and back. Certainly was a large crowd present. They say

## Dr. P. P. Claxton

The All State originated during the first year that Dr. Claxton was at this school, the first issue appearing Nov. 30, 1930, and having Dr. Claxton as President of A. P. N. Dr. Claxton has ever shown a keen interest in the producing of a good paper at this institution.

this fellow Frank Adkins got his start motorcycle riding down in Tennessee.

March 30—Well, I had dinner at the "H and H" restaurant today, which surely is a nice place to where the executive men get stale. They say that one of the "H's" is a lady by the name of Hutton. She seems quite acquainted in the restaurant business. I haven't found out who the other "H" stands for but they surely serve some swell hams.

April 15—Chiefs Corlew and Wickham of the Department of Justice called in my office today on their checkup. Both seem to be nice fellows and Justice Law of the Supreme Court tells me they are tops as G-men.

April 28—Well, I had a little time off this afternoon so I went to the circus. Clement (the owner of this one) says that the circus business is quite a success and that the three clowns he discovered—Pitt, Woodward and Crockett, are the finds of the century.

May 17—I went to the opera today. If it hadn't have been for that supine Madam Mary Francesco Cotnam, I'd have been bored to death. And they tell me she's a howling success in the European courts.

May 25—They tell me Admiral (Continued on Page Five)

The affirmative, composed of James Woodward and Russell Cooley, and the negative, Wyatt Shaw, Lute Wootton, and Agnes Nicholson, debated the Pi Kappa Alpha topic: "Resolved, That Congress should be given the power to, by a two-thirds majority vote, override any decision of the Supreme Court declaring a law unconstitutional." Jim Bailey Harper acted as an alternates.

## Vesper Services Close For Year

Dr. Claxton Is Last Speaker of Year; Much Credit Due Sponsors and Chairman of Program Committee For Success.

Sunday evening, May 24, a very successful year of Vesper services was brought to a close in the living-room of Myra Harned Hall.

Dr. Claxton spoke interestingly on what vacation should mean to the students. It should be three months of broadening their minds, he said. He suggested the reading of good books as one way to do this.

Throughout the year the Vesper services have been well attended and a real interest manifested by both boys and girls. The programs have been varied. Sometimes there were speakers from town, and several of the meetings were conducted entirely by students. At other meetings the teachers of A. P. N. gave inspirational talks.

These meetings should mean much to the students since they tend to draw them closer together. There is a spirit about the school that lifts the moral of the school to the highest level.

Much credit is due Miss Brown, Miss Huff, and Miss Smith as sponsors, and Miss Christobel Rust, as chairman of the program committee, for the successful

## Girls' Dormitory News

Hutton, we wonder how you and Bratton rated a conversation with Dr. Claxton Tuesday night at a quarter til ten. Is there any secret?

Why so sad, Flo, Davis, Brown, Link, Bratton, and DePriest? Well, it is hard to part, isn't it?

Crick, did you notice the rose in Sullivan's hair Sunday night? Oh, yeah! That reminds me, I heard Pegram singing something about a rose Monday morning.

Too bad, but cars just will be cars and punctures just will happen in the best of tires, eh, Henderson and Sanderson?

Nubbin, we're glad you had such a lovely time at the club outing Tuesday night.

For a lot of the girls it is a relief, so with tears they say au revoir.

The girls' basketball record is hardly as impressive as that of previous year, yet a good team was produced which furnished some stiff opposition for their opponents. As the record indicates, many of the games were lost by only a few points and all of the games were hard fought. Link, Crick, and Morris led in the scoring, while Brown, DePriest, and Harvill were particularly outstanding as guards. Bratton served as general utility player, playing in every position well. The girls entered the MVC tournament at Jackson, and although they lost to W. T. S. T. C. in the first round, they made a creditable showing.

The basketball record of the boys is necessarily incomplete because of the score book being misplaced. As the above record shows, the season was hardly as successful as in previous years, although the Normal presented a tough, fast formidable team, which furnished much stiff opposition to the various teams encountered. Haley, Fambrough, and Pitt led in the scoring for the year. Clement, Wade, Puryear, Shaw and Northington also showed up well in the various games played.

to cope with the situation; that we must face in life.

We have been an ambitious class and have accomplished much more than may seem apparent at first glance; we have been faithful and earnest in our endeavor and have achieved a record which we believe to be outstanding in the annals of this school. We have been leaders in various activities, have created new live-wire organizations, and with the faithful co-

we have achieved pre-eminent success in all we have undertaken.

Many of us will be entrusted with the education of Tennessee's children during the coming years; others will continue their education in the various institutions of higher learning.

Our two years have been profitable to us. May the years to come be no less profitable. May we ever be ready and willing to render helpful service to the people of Tennessee in payment for the opportunity they have given us.

In this spirit, let us each

The Normal baseball team closed its 1936 season with the fast Bethel College nine of McKenzie, Tenn., losing by the score of 7 to 1. The game was played on the Normal diamond Friday May 22.

The Bethel Corporals touched Pegram, who had taken the mound because of Paul Crockett's absence, for eleven hits. The Normal Teachers were held in check by Crow's superb pitching. Although they collected seven hits off of the Bethel hurler, he kept them well scattered.

Frank Adkins, Normal center fielder, hit a home run on the first pitched ball to account for the lone A. P. N. run. Ward led the team at the bat, getting three out of four.

Star performers were Crockett Pegram, Fambrough, Puryear, Clement, Evans, Gupton, Brewer Corlew, Robertson, Adkins, Northington, O'Kain, Ward, Nelson, and Reding.

In concluding Miss Huff stated that at present there is no announcement being made as to the editorial staff for the coming year, but that there is good material at hand, as was evidenced by the Freshman issue, and that some of the prospective students are accredited with unusual journalistic ability. ## Girls' Clubs Close Very Active Year

Plates, Cakes and Sauters Given.  
Other Clubs to Donate Sil-  
verware to Dormitory.

The Alpha, the Beta, and the Omega Clubs, in checking over their year's work, find that they have had a very successful year.

Each club has been doing something to make money for the Alpha Club sold candy; the Beta sold peanuts and school supplies; the Omega sold soap. Also the Beta and Omega Clubs have made quilts which brought in a nice little sum.

The Alpha Club has purchased six dozen plates and sixteen dozen cups and saucers with the money they have made during the past two years. The other clubs are planning to buy silverware. Each club hopes to add something additional every year.

The following officers of the clubs have directed the club activities of the year very efficiently: Alpha—Martha Elizabeth Duff, president; Christine Smith, secretary; Beta—Connie DePriest, president; Mildred Ferrell, secretary; Omega—Gloria Rust, president; Doris Major, secretary.

Much credit must be given to the sponsors, Mrs. Bell, Miss Norman, Miss Huff, Miss Smith and Mrs. Claxton, who have helped make this a successful club year.

### New Officers

At the last meeting of the year, Wednesday evening, May 27, the three clubs elected new officers. For president, the Alpha Club elected Monteen Deason, the Beta Club, Buhler Hall and the Omega Club, Fanelle McCurdy.

### Farewell and Hall

Dr. P. P. Claxton.

You who wear the cap and gown tonight have completed your work at the Austin High Normal School or will complete it soon, at the end of the six months term. You came here seeking opportunity for preparation for better and richer living and for more effective service. You and the faculty of the school have co-operated to that end. The school has done or soon will have done what it can for you. You go on to take up your life work or to continue elsewhere your preparation for still fuller life and greater service. Whichever it may be, you will remember that in our dynamic and changing civilization, preparation must be continuous. Growth and culture must be continued also.

If here we have helped you to make a beginning in the art of learning and of independent thinking, if we have helped you to see and hear more accurately and judge more justly, if we have helped you toward the better things of life, if we have helped you toward the formation of worthy purposes and the cultivation of strong good will, if we have helped you to a better understanding of the sacredness of the calling that rests upon you, accept as yours and to some skill in it, if we have caused you to comprehend the importance of education in our democracy and to see its close and necessary relation to life and work in rural Tennessee.

If we have done these things well, we have done all that could rightly be expected of us. Our success must be measured by your life and work. We examine you on your attainments here; through you the state and the world will examine us. If we have succeeded, if you fail, we have failed. For your own sake, for ours, and for the sake of those whose destiny you hold in your hands, God grant you may not fail and may give you abundant success.

We work in a time of great need and therefore of great opportunity. Our professions call for high ability and unselfish devotion. Therefore, through the ages the guild of

Christ was born across the sea,

With a glory in His bosom

That transfigures you and me.

As He died to make men holy,

Let us live to make men free—

From sin, from ignorance, from superstition, from vice, and crime,

From destructive warfare, from self-seeking greed, from the burden of sin.

You go forth to your work courageously, I hope, and never faltering in sunshine or in shadow; in times of peace or in days of stress and strain.

On the highways and byways of life may you fare well.

Like the leaves of the forest are the generations of college students. One generation goes, another comes.

For the school I have just said farewell to these graduating students, I greet you, this year they have been in position of leadership here. You who have had at least three quarters of work will now take their place. They have done well. We shall be disappointed if you will have partial fulfillment if you do not do better.

Their success should make your success more certain and easier.

The good name of the school is now in your keeping. As its guardians through the next school year, I salute you.

Thus I spoke on this occasion a year ago. I would tonight add only the reminder that we are now rounding out our first seven years, from of old a sacred number.

There may, therefore, rest on the members of this graduating class a more sacred obligation of high ability and holy devotion.

Next fall we shall begin another such period. Upon you who

## Garden Party Given Seniors by Claxtons

President and Mrs. Claxton, Class Officers and Club Presidents Receive Guests

The 1936 graduating class of A. P. N. was honored by President and Mrs. Claxton at a garden party given Monday evening, June 1, from 7:30 to 9:30.

The west lawn of the President's home was beautifully decorated with Japanese lanterns. Major, Cristofel Rom, Connie DePriest, and Mary Elizabeth Hutton. The hosts were assisted by the faculty of Austin Peay Normal.

With Crick as President, Has Been One of A. P. N.'s Most Active Organizations Distributing News to Counties.

Under the capable presidency of Christine Crick this has been the most active organization on the A. P. N. campus. It met once each week to write letters which were sent the different county papers.

The counties to which letters were sent are Montgomery, Stuart, Henry, Bedford, Dickson, Chester, Fentress, Lewis & Robertson.

After the meeting Saturday night the sponsor, Miss Huff, presided over the group of a party in which refreshments were served.

**CHORUS CLUB ENDS  
SUCCESSFUL YEAR**

Sunday Night; Social Hour Held at Last Meeting.

The A. P. N. Chorus Club has brought to a close a most successful year. There are eighteen members of this club and the work has been exceedingly successful.

One of the main features at the first Baptist church at the commencement Sunday night was the rendition of two numbers, "Purer, Yet Purer," and "Lovely Apparel," by the chorus. The singers showed signs of great talent in every way.

The chorus, which is under the capable direction of Mrs. Bell, has met every Monday night in the music room.

Last Monday night, which was the last chorus meeting, the members enjoyed a social hour following the regular practice.
