ADDITIONAL INFORMATION

- Event of concern: the Foy is planning to host the step show this week with capacity set at 1200 people. The space is smaller in the past (one and a half basketball courts vs 3 full courts). The air handler in the building is offline.
- It takes the staff and faculty an average of 14 minutes, 50 seconds to complete the online Back the Vax form. It takes the students an average of 3 minutes, 46 seconds to complete the exact same form. 238 employees and 220 students completed the online form. LOL, right there is the digital divide.
