

Alumni Homecoming Game Slated Nov. 6

APSC Wins, Places On Graduate Exam

According to a composite report on the colleges taking the Graduate Record Examination under the auspices of the Southern Association of Colleges and Secondary Schools, Austin Peay State College seniors ranked first on the basis of the general education index. The sophomores ranked second.

These outstanding scores place the College in the foremost rank of the 25 colleges administering the test to their sophomores and seniors. The use of the graduate record examination as a measure of the quality of work done by institutions of higher education has been recently initiated by the Southern Association and participation in the program is required of all colleges who have been recently admitted to the association or who are requesting admission.

Austin Peay seniors made a general education index of 480 which represents an approximate average score in the field of mathematics, physical and biological sciences, social studies, literature, art and music, power of expression, and vocabulary. Sophomore seniors made a general education score of 421. Of the 25 colleges participating, the score made by sophomores was 430.

On a comparative basis Austin Peay seniors ranked below seniors enrolled in liberal arts colleges over the nation, but ranked 17 points higher than the examination on April 9 and 10. The tests are sent from New York office of the Graduate Record Examination Board and are returned for scoring to the New York office.

The examination will be administered again in the spring to all seniors and sophomores enrolled in the College at that time. According to the College catalog, sophomores who make an unsatisfactory general education index score in the neighborhood of 300 will not be admitted to the junior year.

Katchen To Present First CCMA Concert

The Clarksville Civic Music Association has scheduled another program of outstanding artists for the coming year. Three well known persons are to perform in the College Chapel beginning November 1, at 8 p.m.

The first artist, a pianist, will be Julius Katchen. Mr. Katchen is an American pianist from the East who recently returned from an extensive tour of Europe, the Scandinavian countries and Russia. He is expected to render an excellent exhibition of skill and technique.

Second artist, a soprano, will give the next concert on January 26, Mr. Maury, although youthful, is an accomplished singer. He also has made the grand tour.

The final performance will be held on March 12 by the contralto, Mrs. Frances Falken. Mrs. Falken features a contract to sing in the Metropolitan Opera.

Student tickets, at reduced price, will be available until the deadline. Those who are unable to purchase an extra ticket at student price.

Nine Teachers Added To APSC Faculty Staff

President Halbert Harvill has announced the addition of nine new members to the Austin Peay State College faculty, three of whom will be regular full-time members, and the others part-time instructors.

Dr. Wentworth S. Morris, professor of history and head of the division of social studies, replaces Dr. Donald Michelson, who resigned in August to join the teaching staff of the University of Miami.

Miss LaVerne Parks, professor of home economics, will head that department. Miss Mary D. Henderson, associate professor of home economics, has been granted a leave of absence.

Sam Bright, professor of mathematics, is taking the place of W. I. Layton, who resigned to accept position with the Alabama Polytechnic Institute.

Two new members of the faculty have been added as part-time teachers to take care of increased enrollment. Mrs. Joseph Trahern will teach classes in English, and Sam Boaz will teach a class in political economy. In addition to these, the following appointment of part-time teachers has been made: Charles W. Jordan, instructor in mechanical science, will teach a class on Saturday to teachers-in-service; higher than seniors enrolled in liberal arts colleges in the South and 23 points higher than seniors enrolled in teachers' college over the nation.

Dr. Morris, Miss Parks, and Dr. Bright come to the College highly recommended. Dr. Morris has his A.B. and M.A. degrees from West Virginia University. He has taught at the University of Minnesota, North Dakota State College, Oregon State College, and Belton College, Florida. Dr. Morris comes to Austin Peay from Hunter College, New York City, where he was a lecturer on European History.

Miss Parks has A.B. and M.A. degrees from Oberlin College and a M.A. degree from Western Reserve University. She has had additional work at the University of Chicago, Columbia University, and Ohio State University. She comes from Maygrove College, Detroit, where she was associate professor of home economics.

Mr. Bright received his M.A. degree at the University of Texas. He has done additional graduate work at Bryn Mawr College. He served in the armed forces during the first and second world wars and was in the College from Vanderbilt University, where he was instructor in mathematics.

Mrs. Trahern received her A.B. degree from Southwestern Presbyterian University and has done graduate work at Bryn Mawr College. Mr. Boaz earned his A.B. degree at Bethel College and his M.A. at the University of Tennessee.

Mrs. Jess Jordan, a former superintendent of the Clark County, has her A.B. from Peabody College. Teachers and has completed most of the requirements for her M.A. degree at the same institution. Mr. Boaz received his M.A. from John's Law School, New York City.

PARADE AND BANQUET FEATURES PROGRAM FOR OLD GRADUATES

APSC Enrollment Hits All Time High

The largest enrollment of regular students in the history of Austin Peay State College greeted President Halbert Harvill in chapel Wednesday, September 22, announced Dean M. P. Bowman.

The regular student body total 427, exceeding the 1947 enrollment by 26, a new record.

The total number of students receiving all types of instruction at A. P. S. C. this quarter is 877. The total college enrollment is 504, the remaining 225 being of subcollege level.

The freshmen have the largest class on the campus with 164, the sophomores are in second place with 142, and the juniors and seniors almost tied with 69 and 61 respectively. Those students still unclassified number 81.

Four off campus workshops make up 76 more in teachers training. D. L. Jones, in group with 24, Ashland City has 22, Waverly 19, Clarksville 11.

The students in subcollege level are in two groups: Co-Eds-Part A Training with 225, and Auto-Mechanics 58. Both groups are made up of veterans.

Class Officers, Sponsors Chosen For 1948-49 Term

Each class met and elected, Wednesday, September 29, its class officers, class sponsors, and students council representatives for the year.

The following were elected:

Freshman Class
President Jimmy Drye
Vice President Jimmy Lewis
Secretary and Treasurer Jane Harter

Council Representatives John Ford, Margaret Sexton
Sponsors Miss Garrison, Mr. Sandifer.

Sophomore Class
President Week House
Vice President Hendrix Fox
Secretary and Treasurer Jane Reason

Council Representatives Waldo Binkley, Paul Sullivan
Sponsors Mr. Wolf, Coach Aiken

Junior Class
President Tres Thompson
Vice President Homer Bell
Secretary and Treasurer Frances Bradley

Council Representatives Richard Powers, Weyland Alden
Sponsors Miss Stevens, Dr. Collinson

Senior Class
President Dick Hardwick
Vice President Van Riggins
Secretary and Treasurer Christine Price

Sponsors Miss Johnny Owens, Miss Helen Van Riggins
Council Representatives Mary Butler, Louise Catginn

Robert Fort, president of the Alumni Association, has announced that plans for Alumni Homecoming Day, Saturday, November 6, are in full swing. Preparations are being made for over 200 alumni who are expected to attend.

The program will begin with a student parade, including floats and featuring the game between the Austin Peay State College and Delta State College, Mississippi. The parade which will be staged at 2:30 P. M., will be followed by a business session of the Alumni Association at 4:00 P. M. and Open House and registration of alumni.

This will be followed by an alumni dinner at 6:00 P. M. in the College Cafeteria. The football game will be played in the Municipal Stadium and will begin at 8:00 P. M. All alumni of the College and their guests are cordially invited.

Year Book Staff Chosen For 1948

The new year book staff was elected during the last quarter of the 1947-48 school year by the student council.

The council elected Henry Rye editor, Paul Sullivan associate editor, and Nile Peacher business manager. The remainder of the staff was selected by Rye and Sullivan. They are: Senior class editor, Betty Giles; Junior class editor, Marian Reeks; sports editors, Bill Hunt, David Brown, and Louis Thornton; society editors, Evelyn Bell, Lorraine Welch, June Harer, and Don Miller; art editor, Margaret Page, feature editors, Van Riggins and James Neblett, business managers, Ann Evans, Jimmy Lewis; circulation manager, Betty Jo Parker.

The faculty sponsor was elected by the entire staff and Professor Harry Law was chosen. A specialty editor, listed as M. V. on C. editor, was added this year and the man chosen was Hayden Holley. The Photography, again this year, will be the hands of Professor Haskell Phillips and Dancy.

Garrett Elected A-Club President

At a recent meeting Leon Garrett, alternate captain of the Austin Peay State College football team, was elected president of the new organization A-Club, Secretary Billy Bennett, and treasurer, Bennet.

"Any student who has won a letter in sports at A. P. S. C. will be eligible for membership in the A-Club," said Bennet. The dues will be \$1.00 per year.

The purpose of the club, commented the secretary, is "to form a group of individual athletes to the school teams and followers."

"To safeguard and transmit to future athletes of this school the principles of clean living, sportsmanship, and character."

"To promote fair play and a cooperative spirit both on the field and off."

The slate of officers includes Garrett, alternate; Louis Catginn, vice-president; Bennet, secretary; and George Morton, Waldo Binkley, and Tom Lincoln, sergeant-at-arms.

DR. P. P. CLAXTON

PHILANDER PRIESTLY CLAXTON, CRUSADER FOR PUBLIC EDUCATION, a biography of Austin Peay State College's president-emeritus, Dr. P. P. Claxton, published by the University of Tennessee press was released recently. A former student of his and a prominent biographer, Dr. Charles Lee Lewis, is the author.

The book covers an eventful period in educational history and describes the role played by its subject in elementary, secondary, and college school life of the nation.

Commissioner of Education under three presidents, Dr. Claxton transformed the department from an insignificant bureau to a department that now exercises profound influence in the course of education. Because of his ability to foresee the country's needs, he stayed consistently ahead of his associates in educational thinking. He always had the courage to try own ideas.

It has often been said that Dr. Claxton has done more than any other man to repair the damage caused by Civil War upon the school systems of the South. Called the "Hersey Mann of the South" he has been a tireless crusader for public education and has devoted his life to that cause. His accomplishments both in the South and in the nation as a whole are manifold. He is responsible for Tennessee's first General Education Bill which set the pattern for other southern states to follow.

Reluctantly leaving the South, he responded to President Taft's call and became Commissioner of Education, a position which he held under three presidents. Following his resignation he returned to the South and in 1896 became head of Austin Peay Normal School. Here he continued his ideas in the knowledge that education is best served by well trained teachers. During his tenure of office he developed Austin Peay Normal into a four year college and maintained against all odds a faculty of the highest caliber. Now president-emeritus of the College he is devoting his time to writing and is beginning a new series of service.

The story told in the book begins in 1862 when Dr. Claxton was born in Bedford County, Tennessee, and continues until the present day in Clarksville where Dr. and Mrs. Claxton now reside and where he continues to devote his life to the cause of humanity.

The book should find itself a place in the homes of all who intend to teach and should be read with pride by all students of Austin Peay State College.

WORLD WAR III

It has been said that the first World War cost the nations engaging in it a sum approximating \$210,000,000,000. With this staggering sum it could have built homes costing \$2,500.00 each on 1-acre lots costing \$100.00 an acre. We could have equipped each of these homes with a thousand dollars' worth of furniture and given each a home to every family in Austria, Belgium, England, France, Holland, Ireland, Italy, Russia, Scotland, Wales, and the U. S. A.

Whether we could have achieved such a fantastic goal with all that money is, of course, a matter of conjecture. But we do know that we could have gone a long way towards accomplishing that objective. Now you can imagine what we could have done with the money that fostered the second World War? Perhaps, an even bigger home, made of brick, with two cars in the garage! Yet, a third World War may be just over the horizon.

Russia, the stronghold of communism, threatens to envelope Europe if the world, with her strong-arm tactics. The final objective of the Communist Party is world rule, and they are moving forward that goal step by step. Something must be done! But what?

Regardless of what we do there can be only three ultimate results; they are the defeat of Russia; the defeat of the U. S. A.; or world peace. Let us examine the first of these potential results. If we were to defeat Russia in war, and it is possible, they say, with the atomic bomb and our enormous production methods, we would have to provide a world-wide Marshall Plan. The whole world, more or less, would be our responsibility. Of course the atomic bomb would reduce world population, but that cost could be run into billions of dollars. Just imagine the cost of such an occupation army in Russia! Just imagine the cost of the whole war!

If we were to be defeated by Russia, that too may be possible, our government, of the people, by the people, and for the people would perish from the earth. It is impossible, of course, to even guess what would happen to our country. The most horrible dream, perhaps, would be mild in comparison to the actuality. This must not happen!

The third result would be world peace. Only that result would be rational. Only that result would be beneficial to the world as a whole. The lives of millions of people are at stake. Tension is high, and our country is in a perilous position. If we must fight, we will fight, but let us hope for peace.

THE PROOF OF THE PUNDING

It has long been the opinion of many educational authorities, among others, that Austin Peay State College is an excellent example of the progress that southern schools have made in the fight to raise the cultural standards of the South, despite many obstacles.

The outstanding record the Seniors and Sophomores of A. P. S. C. achieved in the Graduate Record Examination, last spring, confirms what many have long believed to be true. In competition with 25 colleges, who took the examination at the same time, the Seniors ranked FIRST and the Sophomores placed SECOND in their respective divisions. Also, it was revealed that A. P. S. C. Seniors ranked higher, on the average, than seniors enrolled in liberal arts colleges in the South and higher than seniors enrolled in teachers' colleges throughout the nation.

Our splendid faculty, who fostered the knowledge of these students, we extend our congratulations. Never in the history of education have so few done so much for so many for so little.

TEAMWORK

According to Noah Webster the definition of the word teamwork is: "Work done by a number of associates, all subordinating personal prominence to the efficiency of the whole."

The Austin Peay State College football team is a perfect example of that word in action. The Governors have defeated four strong teams, displaying teamwork in each game. In each instance they faced an opponent representing a larger school than APSC, schools with more money to spend on athletics, schools with more support, schools with larger football squads; but in each game the Governors did not meet a football team with more teamwork.

Football is a game that can be played many different ways. There are dozens of defensive and offensive theories that have been and are used by the hundreds of coaches throughout the nation. One coach will prefer the Notre Dame system and another the split-T formation—the choice, of course, is a matter of individual taste. But there is one concrete theory which all football coaches advocate. That particular theory is: a football team must have teamwork to be completely successful.

To Head Coach David Aaron, Line Coach Leon Sandifer, and each member of the APSC football squad, we offer our congratulations. You have demonstrated teamwork both on the field and off the field. We are behind you 100 per cent.

Arts And Science Building Will Be Completed By Dec.

By DICK BATSON

In the early part of the summer of 1947, the students at Austin Peay State College and the people of Clarksville saw the beginning of a great change taking place on the campus. This change began with the tearing down of the old Castle Building, which had long without purpose stood like an old castle. The building, finally had to be condemned. The site was needed for new buildings to be erected. The contract was signed for a fine new structure to be known as the Arts and Science Building, and work had actually begun on the erection of the new building before the Castle Building was torn down. We of the College, as well as the people of Clarksville, will be proud of this building when it is completed and ready for occupancy about December.

Some time long after the first structure was well under way, a second building was begun which would be the first five-story building. It was called the Library-Administration Building. On the day of the Centennial Anniversary of 1922, 1948 of the College there was a formal affair at which Governor Nathan Bedford Forrest, chairman of the Library-Administration Building. There was a large crowd gathered on the lawn in front of the gymnasium and President Halbert Harriss was there to welcome the guests. E. M. E. was the first commissioner of education and chairman of the State Board of Education. Governor Hays, Barbara Prady, and Jackie Miles. The Governor made a stirring speech on the need for education and Dean P. O. Woodward read the program of memorials. After that, Governor McCord placed the cornerstone which contained the following documents:

1. The history of education on this campus and the building when the first land-grant academy was established.
2. A copy of the program of this occasion.
3. A copy of the Leaf Chronicle, dated July 12, 1948, commemorating the Centennial Anniversary.
4. A bulletin of APSC, dated May 1, 1948.
5. A list of the gold star veterans of Austin Peay State College.
6. A list of all graduates from the Senior College from May 1942 to August 1948.
7. A list of the students enrolled in Austin Peay State College for the session 1947-48.
8. A copy of the Tennessee Blue Book for 1947-48.
9. A copy of facts about Clarksville prepared by the Department of Electricity in cooperation with the Chamber of Commerce.
10. A list of one building nearing completion in December, it is to be hoped that the second building—Library-Administration—will be ready for occupancy by the spring of 1949. The Arts and Science structure will have room for all the sciences, including chemistry, physics, and biology. It will also house the departments of economics, history, business, education, geography and art. The Library Administration Building will contain the library, department of education, offices for the president, dean of students, dean of residence, bursar and a student union room.

APSC STUDENTS AND FACULTY:

You are always welcome at Good-Wilson Drugs. If there is any extra service we can render it will be a pleasure to serve you.

Question Of The Week

Martin Keel
What is your opinion of Austin Peay's 1948 football team after their first three games?

Austin Peay will be the top team in their league. I don't think they have any trouble. I don't think they can be beat. —Barbara Prady.
"As far as I'm concerned, I don't think they can be beat." —Barbara Prady.

Austin Peay, with that T-formation is the fastest thing I've seen on twenty-two feet. This is the year we are going to win them all." —Richard Powers.

"The Governors are a credit to the college. They are a team we are proud to call ours." Let's show our appreciation by supporting them. —Joan Cherry.

The Governors are playing out-standing football and are indeed a football team we should be proud of. They deserve the fullest support we can give them." —Kenneth Curry.

APSC Cheerleaders Elected For 1948-49

During the first chapel meeting Wednesday, September 29, the student body elected its cheerleaders with Thomas Armstrong, vice president of the student body, conducting the election.

After tryouts by the cheerleader candidates, which consisted of leading the student body in yells an election by secret ballot was held. Two boys and four girls were selected. They are: Billy Davenport, Kenneth Curry, Sarah Ann Howser, Marianne Hayes, Barbara Prady, and Jackie Miles.

Billy Davenport and Kenneth Curry, who are members of the freshman class, hail from Clarksville and are graduates of Clarksville High School.

Sarah Ann Howser, the only returning cheerleader from last year, is a native Clarksvillean. A sophomore, Sarah will start her fourth year as a cheerleader, having performed these duties for two years at C.H.S. before entering A.P.S.C.

Marianne Hayes, a transfer from Bethel College, is a sophomore. A Clarksville girl, Marianne was a cheerleader at C.H.S.

Barbara Prady is another veteran cheerleader from C.H.S. Entering A.P.S.C. this fall, Barbara will be the only freshman girl cheerleader.

Jackie Miles, another Clarksville girl, completes the squad. This will be Jackie's second year at A.P.S.C.

Fresh Orientation Opens Fall Quarter

Continuing a policy innovated in the fall of 1947 all freshmen were given a four-day orientation and registration program beginning September 15.

Designed to acquaint the new students with the policies of the college and to advise and classify them, the program included the following: presentation of administration credentials, if these have already been presented; tests in mental ability, high school content, test in mathematics and English; purposes of sectioning; the filling out of classification record cards and questionnaires; physical examinations by the resident nurse and college physician, photographs for registration and transcripts; group and individual advisement; and registration.

APSC Veterans' Club Holds First Meeting

The Harper Veterans' Club held their first meeting Wednesday, October 1, at the home of Commander Harward presiding.

With over 200 veterans attending the special assembly, the group discussed what should be done, regarding the future, with the Harper Veterans' Store. A vote was taken and the club members favored a continuation of the project. Also, the operator of the store will be selected in the future by a committee designated by the club.

The American Legion auditorium was suggested as a permanent meeting place for the club, but the suggestion was shelved until a future date. Commander Harward reminded the members that the election of officers for the coming year would be the main element for discussion at the next meeting, which will be announced later.

GOVERNORS' STEAM ROLLER BREAKS UNION XIX

Bulldogs Baffled By Aaron Split-T

The Austin Peay State Governors opened their home season Saturday night, Oct. 5, by completely smothering a hapless Cumberland University eleven, 39-7.

The Governors, using the newly acquired split-T formation, struck for a single touchdown in the opening period, three in the second and two more in the third. Cumberland failed to threaten during the first three periods, but finally drove for their lone tally in the fourth period.

The Governors took the open kickoff and marched to the Bulldogs' 17-yard line, but Cumberland intercepted one of Quarterback Rubel's passes to stop the drive. Later in the period the Governors' fullback, Sam Reeks, intercepted a Bengals aerial to give the Governors the ball on their own 27-yard line. On the next play Charlie Gentry tallied 47 yards for the Cumberland 29-yard line. The Governors then moved the ball to the Cumberland 19-yard stripe on two successive plays. Charlie Rubel then faded and threw a pass to end Tom Lincoln in the end zone for the TD. The try for the extra point, booted by Louis Catignani, was no good, and the score remained 6-0.

In the second period the Governors broke the lawyers' backs and put the game on ice for the opening minutes of play. Charlie Gentry took the ball 36 yards around right end, and Catignani kicked the extra point to give the Governors a 13-0 lead.

The Governors kicked off to the Bulldogs, held them on downs, and then proceeded to score their third touchdown. On the first play the Peay squad drew a 15-yard penalty, but on the next play it was Lincoln on an end around for 13, then a pass from Quarterback Sager to Right End Oakley for 16, and Sager again through the line for the Cumberland 16, to give the Governors a first down. From there Lincoln scored on another end around, but Catignani's kick was blocked, making the score 19-0.

The fourth Governor TD came minutes later as the Governors again held the Bulldogs on downs, taking possession of the ball on their opponents' 47-yard line. It was Lincoln again on an end around getting 28 and snagging a pass from Sager for 12 more that spelled doom for the Bulldogs. The Cumberland line stiffened, however, and held for three downs, but on the fourth down a screen pass from Rubel to Gentry, who went all the way, made the count 29-0. Catignani again came in to boot the extra point, and the Governors led by a count of 29-0 at the half time.

In the third period it was Lincoln again as he rushed through

the Bulldogs' line to block a punt and recover the ball on the Bulldogs' 30. Three Governor plays failed to pick up a first down, and since more "Abe" Lincoln picked up 12 yards and a first down on the Cumberland 11-yard stripe via the end around. One running play failed to gain, but a pass from Rubel to Lincoln on the next play settled the Governors their fifth touchdown. The final APSC touchdown drive started from the Governor 30-yard line. A 47-yard pass from Sager to Henry Crotty sparked the drive and minutes later G. L. Bourne carried the pickin over from the one-half-yard line, making the score 39-0. The try for the conversion was no good.

Cumberland's lone tally came early in the final period with Carl Boyle, the Bulldogs' outstanding performer, carrying the burden of the 46-yard drive. Finally boiling his way over from the one-yard stripe, Boyle then converted the extra point to make the final score 39-7.

The Governors' forward wall completely outgained the Cumberland line holding the opposition to a mere 92 yards rushing, while the Peay men piled up 354 yards on the ground. The entire team played stout football, making it practically impossible to pick out individual stars.

This win gives the Governors a perfect record of two wins and no defeats in the VSAC for the year. The rest of their games are non-conference games.

The 7-pointed star and another football ball game at APSC is in full swing. The Governors' newly installed split-TT formation has exploded for 58 points in the first two games, and shows promise of many, many more in the eight remaining lies. The 1948 edition is a hard hitting, fast charging, quick thinking aggregation of gridirers who won't take "no" for an answer when a touchdown is in the offing.

The 7-pointed star and another football game at APSC is in full swing. The Governors' newly installed split-TT formation has exploded for 58 points in the first two games, and shows promise of many, many more in the eight remaining lies. The 1948 edition is a hard hitting, fast charging, quick thinking aggregation of gridirers who won't take "no" for an answer when a touchdown is in the offing.

Penalties Galore

Micuses are costing the Governors a lot of yardage. They lost 108 yards in the Cumberland game and almost as much in the Union tussle. In the Union tussle in penalties mostly for holding. Holding is all right in its place, but it hurts when the going is tough and a little yardage might decide the issue. Looks as if some of the campus cuties have been teaching the football boys bad habits.

Guts Personified

As one of Union's big, raw-boned guards came out of the huddle, he brought with him a bruised, battered body that had been blocked viciously by one Julius "Rock" Sneed. As he faced "Rock" for the next play, he snarled between his gritted teeth, "Bud-dy, I'm gonna knock (censored) out of you this time. In fact, they'll probably send two 'pill-rollers' and a stretcher for your carcass." "Rock" snarled back with a snarl, "Brother, I'll be here all night." And brother he was there all night, playing in the Union backfield about half the time.

Our steady fullback, Sam "Rip" Reeks, who dons the plastic nose guard, also had "sweet revenge" in the Union game. An opposing end had broken a cartilage in Sam's nose which addled him for a few minutes. A few plays after getting back in the game, he caught the same end at the gap with a bone-crushing block that must have jarred of his ancestors. The last we saw of him, his protruded form was in a prone position, the toes turned up—another victim of Governor fury. It will be hard to beat a team with that kind of hard hitting determination.

Union Bows 18-7

The Aaromons of Austin Peay State College opened their 1948 season by thoroughly trouncing Triangles University of Jackson 19 to 7. Rathrock Field was the scene of the first of the season usually unexciting by the Governors. It was the maiden voyage for the highly deceptive, newly drafted split-T formation at A. P. S. C.

Charlie Gentry and Ben Fendly accounted for three touchdowns and an extra point in the second quarter. To provide the scoring punch. After driving 48 yards in the opening minutes of the second quarter, Gentry finally slashed off tackle to score from the three. Rubel's attempted conversion from placement was blocked.

Not to be out done, Union came out fighting. After an exchange of punts, left halfback Jumpy faded back and rifled a 37-yard pass to halfback Chumney for a game-tying touchdown. Knight kicked the point to give the Union a 7-6 tie-half time lead.

The last half was all A.P.S.C. During the third quarter Austin Peay intercepted a Union pass on the Union 41. Ole Sager and Gentry pounded the line for 5, and a lateral. Rubel to Fendly, was good for a first down. Gentry then slipped over for his second touchdown.

In the fourth quarter after repeated gains by Rubel, Reeks, and Fendly, Fendly went over from the 3 and led the game. The boot was perfect.

The second half was marked by sterling defensive play of the A.P.S.C. line, plus a couple of beautiful runs. Fendly, aided by superb downfield blocking, went 67 yards for the longest run of the night. His jump, stopped on the 5-yard line set up the second touchdown. Reeks and Drye repeatedly ripped the Union middle for nice gains. Tom Lincoln and Homer Bell caught as Rubel, Fendly and Sager pitched some defused aerials. From end to end the line presented a stone wall that refused to be moved. Tackles and guards repeatedly broke through to stop the Union backs in their tracks.

For Union, James Coley turned in outstanding performance at tackle, while Martindale, Chumney, and Joyner were the big guns in the backfield.

Austin Peay: Lincoln L.E. Binkley LT, Quarles (Capt.) LG, Fox C, Sneed RG, Marton RT, Oakley RE, Rubel QB, Briggs LH, Fendly RH, and Reeks FB.

Union: Soobie L.E. Coley LT Laidon (Capt.) LG, House C, Hamby RG, Matthews RT, Mathews RE, Crosson CB, Joyner LH, Kewlhorn RH, and Gideon FB.

Scoring TD: A.P.S.C., Gentry 2, Fendly, Union, Chumney.

Extra Points—Fendly (placement), Union, Chumney.

A.P.S.C. -----0 6 6 7-19

Union -----0 7 0 0-7
