

Standing Committee Annual Report

Name of Committee or Council:

Residency Committee

Chair:

Jean G. Lewis

Meeting Dates in Current Year:

January 13, 2005

Major Actions or Accomplishments:

The Committee met on January 13, 2005. Five students appeared before the Committee and it was the judgment of the Committee that four students' residency was out-of-state and one was in-state. Student names are not included in this report because the chair has destroyed her Residency Committee file in preparation for retirement and Shirley Korbe has deleted information from the January meeting from her computer.
