AP celebrates African-American History Month

Compiled by ALICIA MOOREHEAD

Various departments and offices at Austin Peay are sponsoring events throughout February in celebration of African-American History Month.

Felix G. Woodward Library is presenting an exhibit titled, "Come See the Music, 1965-1997." The exhibit features the paintings of Marvin Posey Jr., an alumnus of Austin Peay High School and Austin Peay. It will be on display until Feb. 28 on the main floor of Woodward Library.

Posey's paintings hang in America's museums and galleries. Entertainer James Madrell and publisher Charles Dumas are among the celebrities who have collected Posey's in their private collections.

On Thursday, Feb. 6, Galen Abdul-Razek, an internationally known flautist and pianist will be performing in the Kimbrough Auditorium of Kimbrough at 7 p.m.

department immediately following.

Also on Feb. 6, from 2-3 p.m. in the Harbamee Room of the AACC, there will be a lecture titled "The African Roots of Jazz" by Abdul Razak.

The Alvin Ailey Repertory Ensemble will perform on Monday, Feb. 10, at 7 p.m. in the concert theatre of the Music/Mass Communication Building. Sponsored by the Center for Creative Arts, admission is by series membership. APSU students will be admitted free of charge.

There will be a reception celebrating African-American military accomplishments, both historical and contemporary, on Tuesday, Feb. 11, at 4 p.m. Carlton Phlips, who is responsible for the Monument of the Buffalo Soldiers Association and retired Col. Franklin J. Henderson, chair of the Buffalo Soldiers Association and retired Col. Bradley Briggs, first officer paratrooper, will be honored.

The reception will take place in the Harbamee Room of the AACC and is sponsored by the Office of Development and Uni-

versity Relations.

FOCUS will present Jack Jackson, a motivational speaker and alumnus of Austin Peay, on Tuesday, Feb. 11, from 5-6:30 p.m. in the University Center Ballroom. Jackson will perform "Our Heritage: The Link Between Our Past and Future." The event is sponsored by the Office of MultiEthnic Services.

The Second Annual Gospel Fest, featuring the award-winning Pilgrim Jubilee Quartet of Chicago, will be held on Saturday, Feb. 15, from 1-6 p.m. in the Harbamee Hall Gallery. Sponsored by MultiEthnic Services, the fest will feature local gospel groups.

There will be an African-American Poetry reading on Tuesday, Feb. 18, from 11:45 a.m.-12:45 p.m. in the Harbamee Hall Gallery. Students, staff and faculty, including Dr. Susan Calovini, will read works by African-American writers.

Calovini is an assistant professor of languages and literature and the coordinator of the Women's Studies Program. The reading is sponsored by the department of languages

and literature and Women's Studies.

The Women's Studies Program is sponsoring a Women's Book Talk Series, which will feature "The Culinary and Literary World of Dori Sanders" and "Clover," a novel that focuses on relationships in a biracial family.

Dr. Linda Barnes, assistant professor of languages and literature, will lead the discussion. The talk will be Thursday, Feb. 20, from 11:45 a.m.-12:45 p.m. in Study Rooms 5 and 6 of the Woodward Library.

George Curry, editor-in-chief of "EMERGE: Black America's News magazine" and a panelist on "Lead Story," a news analysis program on Black Entertainment Television, will lecture on Friday, Feb. 21, at 3:30 p.m. in the Harbamee Room of the AACC. The title of the lecture, sponsored by the AACC, is "The Social and Political Obligation of this Generation of African-American Students."

The APSU Chamber Singers will perform a new choral set to Dr. Martin Luther King Jr.'s "I Have a Dream" speech on Friday, Feb. 21, at 8 p.m. in the concert theatre of the

Music/Mass Communication Building. The event is sponsored by the Center for the Creative Arts, and an admission charge will be announced.

Leroy Dixon, chair and chief executive officer of Day-Lear Systems Inc., will lecture in the area of business. Day-Lear Systems is a California-based systems engineering company that contracts with the government and private industry.

His lecture is titled "African-American Entrepreneurship" and will be held in the Harbamee Room of the AACC on Thursday, Feb. 27, at 4 p.m. The event is sponsored by the AACC.

Also on Feb. 27, Dr. Richard Gildrie, professor of history and philosophy, will present an academic paper titled "Frederick Douglass as a Social Thinker" in Harbamee 331 from 11:45 a.m.-12:45 p.m. Brown bag lunches are welcome. The event is sponsored by the department of history and philosophy.

All events are free and open to the public unless otherwise indicated. For more information, telephone the AACC at 648-7120.

A 21 year retrospective exhibit, "Come and See Music" opened in the Felix G. Woodward Library recently. The exhibit features the works of Marvin Posey, a local artist. The exhibit will be on display in celebration of African-American History Month throughout February. (photo by Andy Segelke)

Meacham beds draw complaints

By CARINDA BASSO

Meacham has always been a time change in a student's life, but on Thursday and Friday many students at Meacham Apartments were not thrilled with their most recent change.

New beds were being installed at Meacham to replace the old ones. Some of the beds had been in use since 1980, when Meacham was built.

According to Joe Mills, director of Housing and Residence Life, most of the springs were broken, the posts were rusty and there were several different types of beds.

"I found out that all the rooms had the same size. They vary from two and three inches, and I did not know," Mills said.

"I found a problem for some students who were unable to change their rooms as before. Meacham had taken the measure-

ment of a few rooms, and every room was the same. Students were notified by staff through Chorus 70 and 71."

"I think that's one of those things that I don't know how you can do it any different than the way it is by notifying the students," Mills said.

Members of Austin Peay's staff who the beds out while Mills and another housing member were present. This was to guarantee that the beds would be put in correctly as well as to protect student possessions.

There is a difference in the new beds. They now have plywood for a base, replacing springs. "It's better for your back. We had heard complaints about the springs and that the mattresses were dipping down too low. So now I've heard from a couple people that it's not giving enough," Mills said.

With the new beds, the mattresses now fit better, allowing students to make their beds easier. The other advantage is that students who are tall can now hang their feet over the bed without a foot board in their way.

There had been an earlier solution in the beds not fitting correctly and that was to saw off portions of the headboard. According to Mills, when Meacham gets new desks they will make sure they are smaller than the original ones.

"Sometimes you have to go about it piece by piece if you can't buy all that," Mills said.

Housing has a 15-year plan that examines replacing the furniture in various dorms. The painting of the buildings is on a five-year cycle. This allows each dorm to have changes during several cycles.

"When you start hearing complaints about a particular aspect of the building, you look into it and you start planning for the replacement of those items," Mills said.

According to Mills several changes are in store for the residence halls in the future. This summer the paving of the streets near Cross and Killebrew will be completed.

Other changes in the future include installing new light fixtures in Rawlins, a new security light at Cross, new lobby furniture, two phone lines and new kitchen hardware for Meacham.

"I don't mind putting in new stuff while students are here because I think it's good for students to see change," Mills said.

One plan for housing that is being considered is the possibility of Harbamee Hall becoming a 12-month hall, where people can stay year-round rather than paying for interim housing. Another idea is theme housing, such as a non-smoking floor and a quiet floor.

"I'm pretty proud of our housing here for what we charge and for what we have," Mills said. "From looking around at other state schools we definitely have a lot of advantages, such as bigger rooms."

Housing tries to tend to the students' needs as best they can. Student input is what most of their decisions is based on, according to Mills.

"I'm committed to making it better around here so if you know of anything, just let me know and we will try to do it," he said.

Any Weavers, Marketing and Public Relations Coordinator for the Economic Development Council in Clarksville, will be speaking on "Aspire 2000," a marketing plan to promote future economic developments in Clarksville.

Also tonight at 6 p.m. in Kimbrough Auditorium, Alpha Kappa Psi is sponsoring a speaker. Teresa Harrison, Tourism Director for the Clarksville Chamber of Commerce will be speaking.

On Thursday, in Kimbrough Room 216 and 109, the AMA is sponsoring a Resume and Interview Critique from 10 a.m.-12 p.m. Billy Boyd of Career Services, and Ron Jackson of Farmers and Merchants Bank will be there to critique student's resumes and practice interview situations with students.

Students who did not want their phone numbers published. Students who did not want their phone numbers published could fill out a form to avoid it.

Some of the things students said they liked about the directory are the coupons to some of their favorite Clarksville businesses and teachers' e-mail addresses.

"It's so much more user friendly than last year's. It is really handy," said Neal.

The new issues of the telephone directory are different this year. There are more green pages with student information, and student organizations are listed with the presidents and advisers.

It also shows the different awards the organizations received. "It's really positive," Neal said.

There is also an inclusive list of the departments and administration offices.

Other features include final examination schedules, intramural sports information, crime statistics, health services and more coupons. Students said their favorite coupon

was the spring semester \$100 richer. How did she get the money? No, the prize patrol didn't come to campus. She filled out a form in the school's new phone directory, and her name was pulled in a drawing to win the cash.

"I just thought it would be great if I could win. So, I signed up for it and won," Mitchell said.

Only 15 students turned in the forms out of thousands of Austin Peay students.

Many students said they either didn't see or didn't know about the entry form.

Angela Neal, coordinator of the telephone directory, said it took all summer to lay out the directory.

The telephone directory were issued last year for the first time in students' mailboxes, but they have become more important since Campus Police will no longer give out phone numbers after 11 p.m.

Neal said the biggest complaint about the directories came from

School may cut fall holiday

By KELLY WILKERSON

news editor

The Academic Council at Austin Peay is proposing to remove Veteran's Day from the 1997-1998 academic calendar. For the past few years, the federal holiday has been recognized at APSU by various ceremonies and events and by not holding classes.

The Academic Council is scheduled to vote on the issue at the next council meeting set for the third week in February.

According to Dr. Steven Pontius, chair of the Academic Council, when APSU submitted its calendar to the Tennessee Board of Regents, it was decided that to have a holiday on Tuesday would be academically sound. This reasoning came from the belief that students would skip class on the Monday prior to Veteran's Day.

Various members of the Veterans Student Organization (VSO) feel that removing the holiday is unfair. "This administration is trying to back out of arrangements made by the previous administration with the VSO," said Ken Stanley, vice-president of VSO.

Dr. Richard Gildrie, current advisor for the Veterans Student Organization and member of the Academic Council, said that an informal promise was made to the VSO under former APSU President Dr. Oscar Page. Gildrie suggested that the current administration has no obligation to uphold that promise.

According to Stanley, the council has suggested recognizing Veteran's Day by holding various activities including a banquet and flag ceremony. "They are suggesting the same activities that we have had for years," Stanley said.

Gildrie suggested that the administration does not

realize the importance of not holding classes on Veteran's Day. "I think the point is to have something of sufficient seriousness so that people recognize it as such," Gildrie said. "Ceremonies on campus are not sufficient, but a day off lets the community know that we take this matter seriously," he said.

Dr. Carmen Reagan, dean of the College of Business and member of the Academic Council, said that the purpose was not to discontinue recognizing Veteran's Day but to come up with an approach to a celebration that was more relevant to the academic calendar and the scheduling of a fall break.

"The Academic Council still wants to recognize Veteran's Day with special events," Reagan said. "The concern is the time that Veteran's Day is celebrated... it comes at an awkward time being too close to Thanksgiving."

According to Stanley, the Tennessee Board of Regents approved the recognition of the holiday with no classes for Austin Peay a few years ago, and Austin Peay is the only school in the TBR system that currently recognizes Veteran's Day by not holding classes.

Elaine Horn was the VSO adviser when TBR approved allowing APSU to recognize Veteran's Day with no classes. She suggested that this is a very fitting celebration for students and faculty alike due to the fact that so many APSU students are veterans and that they worked very hard to get recognition.

"I hope it remains an honor within this university to recognize our veterans, particularly our student veterans," Horn said.

According to Pontius, a proposal to have fall break immediately after midterm exams is before the Academic Council and there is discussion of having a longer break between semesters.

Student wins cash with directory

By VENICELLON WILLIAMS

staff writer

APSU junior Jennifer Mitchell began the spring semester \$100 richer. How did she get the money? No, the prize patrol didn't come to campus. She filled out a form in the school's new phone directory, and her name was pulled in a drawing to win the cash.

"I just thought it would be great if I could win. So, I signed up for it and won," Mitchell said.

Only 15 students turned in the forms out of thousands of Austin Peay students.

For students who struggle with their taxes every year, help is on the way. This year students will have the opportunity to have their taxes prepared and filed on campus by H&R Block, for less than it would cost at the office.

The AII State has arranged for H&R Block to set up to prepare students' taxes and answer any questions they may have on Feb. 20 in the University Center from 11 a.m.-3 p.m.

Valentine Bouquet

The Health and Human Performance Club will be selling Valentine Bouquet for \$3.00 in the UC Lobby on Feb. 14 from 10 a.m.-1 p.m.

Study in Sweden

Students interested in participating in the APSU Mid Sweden University study abroad program are invited to an informational question and answer session on Tuesday Feb. 11 from 3-5 p.m. in the international conference room, Room 140 in Harned Hall. Scholarships are available.

Love and Astrology

On Feb. 17, there will be a program on "Love and Astrology" at 8 p.m. in Killebrew lobby. Guest speaker will be Pamela Rowe.

Extended Education

The Office of Extended Education is offering a beginning bird-watching course.

The class will meet on Feb. 11, Feb. 18, and March 4, 18, and 25 from 6-8 p.m. in Kimbrough 114. There will be a field trip on Sat. March 8, from 8-10 a.m.

The course is designed to provide a basic introduction to birding for those with no experience. Topics discussed will include techniques and field marks used for identification, bird calls and songs, recommended tools and equipment,

field guides and attracting birds to your yard.

The course fee is \$46 and there is a textbook fee of \$14. Barbara Wilbur, director of Austin Peay's High School Upward Bound Program, will be the instructor.

Participants must preregister at least two working days prior to the class. For more information, contact extended education at 648-7816.

Introduction to Windows 95, a course providing basic introduction to the Windows environment, will be sponsored by the Office of Extended Education.

Participants will learn how to use a "mouse". The course will be held on Feb. 8 and Feb. 15.

The course will be instructed by Andrea Hout, a computer operations specialist at Austin Peay. Stephen Taylor, a network manager for computer services, and Karl Geringer, an instructor for extended education.

Fees are \$38 for the course, \$16 for the textbook and \$5 for supplies. Both classes will be held from 9 a.m.-noon in the Business and Community Solution Center. This class or Introduction to Windows 3.1 should be completed before proceeding to other software application courses.

Participants must preregister at least two working days prior to the class. For more information, contact extended education at 648-7816.

The Office of Extended Education will offer two satellite conferences for parents and professionals on Feb. 13.

"How to Raise and Train Thinking Child" will be presented by the University Media Center from 1-3 p.m. and again from 7-9 p.m. The cost of the course is \$15. Parent-child behavioral specialist will be on hand.

The course will teach students communicate effectively with their parents preschool through high school years old.

Participants must preregister at least two working days prior to the class. For more information, contact extended education at 648-7816.

The Office of Extended Education is offering an Introduction to Home Page Development class on Feb. 10 and Feb. 17, from 8-9:30 p.m. in Kimbrough 214.

The course is designed to explore the Web for the purpose of learning how to create a Web. Web home page. Students will learn AOLpress and Internet introduction on how to create graphics for home pages.

The course will be co-instructed by Beth Robinson and will cost \$15. There also is an supply fee at \$15.

Participants must preregister at least two working days prior to the class. For more information, contact extended education at 648-7816.

H&R Block to offer tax help

taxes and get a copy to use for their financial aid applications on the same day in the same place.

According to Lowrey there are many different ways to file, each with different return times. "If you mail your return off yourself it will take an average of six to eight weeks to receive your refund," she said. "The most popular way people are filing is by getting a refund anticipation check from Beneficial bank, which is a loan from the bank you can get in two to four days," she said.

A charge, ranging from \$29.95 to \$39.95, based on the amount of the refund," Lowrey said, is taken from the check in addition to the charge for preparing and filing.

This year for the first time, the IRS will send your refund directly to your bank account without filing out a separate form. Students can simply put their bank's routing number, which is printed on their checks, on the 1040EZ, 1040A or 1040 forms. "Refunds should arrive about seven days sooner than if you waited for a check," Lowrey said.

According to Lowrey, with direct deposit it will take only two

to three weeks to receive a refund if you electronically file. "If H&R Block prepares the return and mails it in to the IRS it will take approximately three to four weeks to refund," she said.

In 1996, the IRS issued more than 80 million refunds with an average return of \$1,240. Many people are entitled to money they don't know about, according to IRS. There are several ways to increase your refund, for example if you payed someone to care for child under age 13, or a disabled spouse or dependent of any age you may be eligible for a tax credit according to the 1996 1040 instruction booklet.

Not all income is taxable either. If filers received child support from an ex-spouse, or a settlement for a personal injury, then they are not required to pay taxes on the income.

If all this seems confusing, come to the University Center Feb. 20 and bring your W-2 forms. If you do not want to spend \$30 to get your refund in a couple of weeks H&R Block will be happy to answer any questions you may have, free of charge.

Govs split road trip

By SCOTT HOSKINS
sports editor

Monday night in Cape Girardeau, Mo., Austin Peay's Governors lost to Southeast Missouri State 73-72 on a questionable no-call at the end of the game.

With just seconds remaining, Joe Sibbitt fired a 22-foot shot that bounced off the rim. Reggie Crenshaw's put-back missed as well, and Jake Powers pulled down the rebound.

Replays showed that Powers was fouled by two SEMO players, but the officials did not make the call, leaving Austin Peay with a very bitter loss to drop their record to 11-11 overall and 8-4 in the Ohio Valley Conference.

The Govs' hot shooting of late deserted them in the game. Peay shot only 21-of-56 from the field for 37 percent shooting. After falling behind 40-34 at halftime, the Governors quickly found themselves trailing the Indians 46-36 two minutes into the second half.

SEMO (7-4 OVC) continued to get easy baskets as 6-foot-10 William "Bud" Eley dominated the

center spot with 24 points.

Pressure defense got APSU into the game in the second half. The Govs forced SEMO into 23 turnovers while committing only 15.

With less than four minutes to play, APSU went on a 11-4 run to take their first lead since early in the first half.

SEMO retook the lead on its next possession and Colby Pierce missed an easy layup with 36.9 seconds left.

Austin Peay fouled and SEMO's Lako Keller missed the free throw that set up the game's final controversial shot.

Bubba Wells led Peay in scoring with 26 points. Crenshaw chipped in 19 points and 8 rebounds, while Sibbitt added 12 for the Govs.

Powers had yet another strong game for APSU with six points and seven rebounds.

The Governors swept the season series from the Eastern Illinois Panthers with an 85-69 victory in Charleston, Ill. on Saturday.

Without Wells, Peay had defeated the Ohio Valley Conference newcomers 85-69 earlier in the season for their first conference

victory.

This time Wells led the way with 26 points as the Governors pulled away for a 60-40 lead halfway through the second half after leading 37-27 at halftime.

After the game was knotted at 27, and Wells on the bench with two fouls, APSU went on a 10-0 run to end the half, sparked by Bibb's 3-point buzzer-beater.

Wells' return in the second half spelled doom for Eastern Illinois (9-9, 6-4 OVC). OVC assist leader Chad Peckinpugh shot only 1-of-10 from the field, a trend the entire Panther roster shared as EIU shot only 37 percent from the field for the game.

Nevertheless, Eastern Illinois pulled to 81-72 with two minutes remaining in the game after Marc Poine nailed four 3-pointers.

Austin Peay slowed the tempo of the game after that, however, and the Panthers were forced to foul. Austin Peay canned 7-of-8 from the charity stripe down the stretch to put the hosts away for good.

The Governors continued their good shooting, hitting 25-of-53 from the field for 47.2 percent. APSU also converted 31-of-40 free throws, while holding Eastern Illinois to only 17 foul shots.

Peay posted four players in double figure scoring. Besides Wells' 26 and 10 rebounds, Witherspoon dropped in 17 points. Sibbitt scored 16, 12 on 3-pointers, and Crenshaw added 10 points and seven rebounds.

Austin Peay's next game is tomorrow night at Middle Tennessee State. The Govs defeated the Blue Raiders 92-84 on Jan. 23. The Governors will be at home for four starting Saturday against Tennessee-Martin, followed by Murray State on Monday (television on Sportsouth), Tennessee State on Feb. 15, and the home finale on Feb. 20 against Tennessee Tech.

The game against Tech is Fan Appreciation Night. The game will be televised on Sportsouth also. Children will be admitted free, and faculty and staff can get half off reserved adult seats including spouses.

Lady Govs keep pace in OVC

By SCOTT HOSKINS
sports editor

The Lady Governors of Austin Peay kept pace with the Lady Colonels of Eastern Kentucky by virtue of their 80-67 victory over the Eastern Illinois Lady Panthers last Saturday.

Tennessee Tech's upset victory over Eastern Kentucky earlier Saturday allowed the Lady Govs to gain a game on the Ohio Valley Conference leaders.

After leading 37-28 at halftime, the Lady Govs stretched that lead out to 64-49 with just under six minutes remaining in the contest.

Eastern Illinois outscored the Lady Govs 15-10 in the next five minutes to further cut APSU's lead to nine at 74-65.

The Lady Panthers resorted to fouling in the end. APSU managed to convert 15-of-18 free throws in the last minutes of the

game to take the road victory, their fourth conference road victory of the season.

Amanda Behrenbrinker paced the Lady Governors with 19 points, including making 13-of-17 from the free throw line.

Simone Caldwell had an off night with a 5-of-14 performance from the field, yet still managed 17 points.

Tracy Dreschel hit a perfect 6-of-6 from the field for a career-high 12 points.

The Lady Govs return to action tomorrow night at Middle Tennessee State. The squad looks to make it four straight over their foes from Murfreesboro.

Note: The Lady Govs defeated Southeast Missouri State 77-60 Monday night.

Box Score

Austin Peay 80
Eastern Illinois 67

APSU-Dreschel 6-6
0-0 12, Behrenbrinker 3-9 13-17 19, Polzin 1-4 1-2 3, Miller 4-7 4-5 13, Caldwell 5-14 5-6 17, Suffren 1-2 0 2, Neely 0, Hayden 1-2 2-2 4, Virta 4-7 2-2 10. Totals 25-51 27-34 80.

Halftime-APSU, 37-28
Three-point goals-APSU 3-12
Rebounds-APSU 33

Austin Peay finishes fifth in OVC air rifle; second in track

Rifle Championships

The Ohio Valley Conference rifle team championships were held Jan. 29 to Feb. 2 at the University of Tennessee at Martin.

Austin Peay's rifle team participated in the championships and came away with a fifth place finish in the air rifle competition.

Murray State won the air rifle competition with a final score of 1,530 points. This was good enough to edge Tennessee Tech by one point.

Following the Racers and Golden Eagles were host team Tennessee-Martin with 1,483, Morehead State with 1,487, and the Govs with 1,299. The top four finishers in each category were in the Top 20 in the mid-season poll in December.

Ken Hicks of Murray State shot a 1,169 to win the smallbore title and earn the Most Valuable Player title in the competition.

Tennessee Tech's Charity Jacobson fired a 392 to take the championship of the air rifle competition. She earned the Most Valuable Player award as well. Austin Peay did not have any players named to the All-OVC squad in either the smallbore or the air rifle competition.

Final standings

SMALLBORE	
Murray State	4,606
Tennessee Tech	4,578
Tennessee-Martin	4,561
Morehead State	4,418
AIR RIFLE	
Murray State	1,530
Tennessee Tech	1,529
Tennessee-Martin	1,483
Morehead State	1,457
AUSTIN PEAY	1,299

Track and Field

The Lady Governor track and field squad performed well last weekend at the Indian Invitational hosted by Arkansas State in Jonesboro, Ark.

Telene Davis, Lora Price and Kenya Avant each finished second in their respective events.

Davis captured second in the shot put with a throw of 41-feet-1 3/4 inches.

Price captured second in the 5,000-meter run by crossing the finish line in 19 minutes, 16 seconds.

Avant took second in the 800-meter with a time of two minutes 23.2 seconds.

Emily Anthony finished third in the high jump with a leap of five feet 11 3/4 inches, while Peay's distance medley team also took third.

Melissa Olivo was 12th in the 800 and 13th in the mile.

Alvin Ailey Repertory Ensemble performs

Some of the best young dancers in America will reach for the stars and dance with spirit, passion and magic on Monday, Feb. 10 at 7:30 p.m., when the Alvin Ailey Repertory Ensemble performs on Austin Peay's campus.

The Alvin Ailey Repertory Ensemble serves as a bridge between the Ailey School and professional dance careers.

In 1974, Ailey began a workshop composed of the most outstanding scholarship students from the American Dance Center, the official school of the Alvin Ailey American Dance Theater. This hand-picked group of dancers became the original members of the Alvin Ailey Repertory Ensemble.

The Ensemble, which emphasizes a balance of repertoire, technique and performance, has grown into one of the most outstanding components of the Alvin Ailey Dance Center. Under the artistic direction of Sylvia Waters, a former principal dancer with the Alvin Ailey American Dance Theater, the Ensemble vitalizes the American dance scene by offering unique opportunities for artists in all areas of dance. The Ensemble members, all exceptionally talented dancers who have completed advanced programs at the American Dance Center, hone their skills while gaining invaluable performing and teaching experience.

More than 30 Ensemble members have been selected to join the Alvin Ailey American Dance Theater, and others have gone on to pursue successful careers as

dancers, teachers and choreographers with other professional dance companies.

Since its inception, the Ensemble has won critical praise for its national tours and residencies throughout the country and has received numerous honors, awards and proclamations from across the nation in recognition of its community outreach programs.

The Ensemble also performed with the Alvin Ailey American Dance Theater at the Ailey Anniversary Celebration performance at the Apollo Theater.

For more than 20 years, the Alvin Ailey Repertory Ensemble has been a favorite of audiences all over the country, providing a style of dance worthy not only of the Ailey name, but of its ever-growing reputation for high quality performance and teaching.

This performance, the highlight of this season's pops series, will take place in the Concert Theater of APSU's Music/Mass Communication Building. Admission is limited to series memberships, but APSU students may attend free of charge by presenting their current identification card at the Ticket Office. The Ticket Office will be open 10 a.m.-2 p.m. Friday, Feb. 7, and 10 a.m.-2 p.m. Monday, Feb. 10. Doors will open for seating at 7 p.m.

A limited number of general admission tickets may be available for sale that evening at \$15 each. Any available tickets will be sold on a first-come, first-served basis at the Ticket Office at 7:20 p.m. preceding the performance. For more information, telephone 648-7876 or 648-7001.

Job searching on the Net

college press service

Searching for a job has become one of the truly viable functions of the Internet. This spells good news for college students, since many have on-campus access to all that the Internet has to offer.

The following are some of the top Web sites to begin your job search surfing:

• **Online Career Center** (<http://www.occ.com>) OCC provides one of the most comprehensive (and usable) employer databases and career information services on the Internet for job hunters.

You can keyword search all ads, or view them by industry, state or city. You can post your resume for free and make it available to all who are interested. Send your resume in either text format or HTML (hypertext markup language) format to occareers@occ.com.

Your resume will remain active in the OCC database for 90 days and you can update it at any time.

• **E-Span** (<http://www.espan.com>) : E-Span provides a fully searchable job database that adds a twist: you are able to enter your personal profile. E-Span then will keep you posted on all new job opportunities that match your profile.

You can conduct an initial search against the jobs database, then have E-Span keep you informed via e-mail as new posi-

tions are posted. Employers can also search against the resume. The Web site is updated continually, and you can also upload your resume for free directly to the E-Span ResumePro Database, where it can be viewed by interested employers.

You can send your resume in ASCII text format to resume@espan.com and use the subject line as the title for your resume. You will be given a password by return e-mail which will allow you to view, edit and delete your resume so you can keep it current.

• **Monster Board** (<http://www.monster.com>) : Monster Board provides a very cool interface with more than 50,000 jobs ready and waiting. While most of the jobs are skewed toward the experienced, there are plenty of entry-level jobs to be found. You also can submit your electronic resume to the Resume On-Line section and surf through more than 300 different employer profiles.

• **CareerPath** (<http://www.careerpath.com>) : CareerPath allows you to search help-wanted ads from 17 major newspapers including the Chicago Tribune, Los Angeles Times, Miami Herald, Atlanta Journal Constitution and New York Times.

The site includes search capability by newspaper, job category and keywords.

Art Scene

Upcoming arts events for Feb. 5-12

• Art Exhibit

A selection of works from the APSU permanent art collection is on display throughout the spring semester in the Harned Gallery. Gallery hours are 8 a.m.-4 p.m. Monday through Friday. It is free and open to the public. For more information, call 648-7333.

• Guest Artist Recital — Frank Koonce and Don Doyle

Classical guitarist Frank Koonce and narrator Don Doyle will perform Mario Castelnuovo-Tedesco's masterful setting of Spanish Nobel Prize-winning poet Juan Ramon Jimenez's *Platero y Yo* Sunday, Feb. 9 at 8 p.m. in the Gentry Auditorium in the Kimbrough Building. It is free and open to the public. For more information, call 648-7181.

• Alvin Ailey Repertory Ensemble

The Alvin Ailey Repertory Ensemble will perform Monday, Feb. 10 at 7:30 p.m. in the Concert Theatre of the Music/Mass Communication Building. This is an APSU/Clarksville Community Concert Artist Series Performance and admission is by series membership. APSU students are admitted free of charge but they must pick up a general admission ticket at the Music Ticket Office by 10 a.m.-2 p.m. Friday, Feb. 7, or Monday, Feb. 10, or at 6:30 p.m. preceding the performance. For more information, call 648-7686.

• Art Exhibit — Yves Paquette and Jean Koeller

Sculpture by Yves Paquette and paintings by Jean Koeller will be on display in the Trabers Gallery through March 7. The opening reception for this exhibit will be held Feb. 10 from 7:30 p.m. It is free and open to the public. Gallery hours are 9 a.m.-4 p.m. weekdays, 10 a.m.-2 p.m. Saturday, and 1-4 p.m. Sunday. For more information, call 648-7333.

For more information concerning any of the above events, contact Sheila Boone, events manager in the Center for the Creative Arts, at 648-7002.

Austin Peay's SEMESTER IN JAPAN PROGRAM - Fall, 1997

APSU Office of Extended Education

presents

Getting It All Done

A CareerTrack Seminar

How to manage priorities, deadlines and pressure.

Plan now to attend this day-long retreat for the professional development benefit of office personnel.

Course #: 175
 Date: Friday, Feb. 21
 Time: 9 a.m.-4 p.m. (Lunch will be provided)
 Cost: \$80
 Location: University Center Ballroom

Ever leave work with your to-do list half finished? If you are like most people, it happens often. You can get caught up—and start getting ahead. This seminar will help you to learn and master the essential skills of setting priorities and controlling your workday, so you move toward your objectives steadily and complete them on time.

You will get more done and add more value within your organization. You will feel less stressed and frazzled. And, best of all, you will be able to get to the high-priority projects for which you never seem to have time.

Do not miss your chance to gain the proven ideas and skills that will put you more in control on the job and in your life.

You will work smarter, manage better and live a happier, saner, more productive life.

For additional information or to register contact the APSU Office of Extended Education at 648-7816.
