

Standing Committee Annual Report

Name of Committee or Council:

Study Abroad Committee

Chair: Marissa Chandler, Director of Study Abroad, is completing this form since there was no assigned Chair for last year.

Meeting Dates in Current Year:

N/A

Major Actions or Accomplishments:

Due to the global pandemic, the Study Abroad Committee did not formally meet. Unfortunately, there were no study abroad opportunities for students due to numerous travel and safety warnings. There were also no faculty international study abroad proposals submitted during the past academic year due to the uncertainty of the pandemic.

On the other hand, we are now also a part of the National Student Exchange (NSE) that does provide opportunities for study away in the US, Guam, Puerto Rico, Canada, and the US Virgin Islands.
