The Man With The Camera

DR. HASKELL PHILLIPS

D E D I C A T I O N

This annual like every annual since 1946 contains pictures made by Dr. Haskell Phillips. Dr. Phillips is known the campus over as "the man with the camera."

In 1946 when the first **FAREWELL AND HAIL** was published the complete photography was done by him.

His work is well demonstrated in the motion picture, "This Is Your College." When this film was released in 1955 Dr. Phillips started making a new film of campus life. Some may consider this a duty, but we consider it love of a hobby and the college.

For your unlimited and untiring service to Austin Peay State College, we the staff proudly dedicate the 1956 **FAREWELL AND HAIL** to you, Dr. Haskell Phillips.

T H E P R E S I D E N T

We at Austin Peay State College are proud of President Harvill. For ten years he has served us as president. Before he became president, Mr. Harvill served the College as instructor of history, also as athletic coach. In 1930, he became Dean-Registrar. He served as Commissioner of Education for the State of Tennessee from 1938 to 1939.

During World War II, Mr. Harvill left us and reentered the Armed Forces. On his return he became president of Austin Peay State College.

Mr. Harvill is a strong believer of our motto, "Grow with Austin Peay." During his administration there has been an addition of four new modern buildings, a swimming pool and additions at the Demonstration School. A new Men's Dormitory is under construction and there are plans for a new cafeteria.

Also a civic leader, Mr. Harvill belongs to the American Legion, Civitan, Chamber of Commerce and Moose Club and Veterans of Foreign Wars. He is director of the First Trust and Saving Bank and a member of National Education Association, Tennessee Education, and Middle Tennessee Association.

Much of Mr. Harvill's time is spent at Madison Street Methodist Church. Here he is a member of the Board of Stewards, Chairman of the Building Committee and teacher of the Men's Bible Class.

This proves why we are proud of President Harvill. He has shown himself to be a civic, religious, and an educational leader.

1956 FAREWELL AND HAIL

An annual is a mystery until it is seen by the students for whom it is published. No one, not even the editor, knows just how it will be received.

Beginning in October, the 1956 **FAREWELL AND HAIL** started its long journey. Our task as staff was to fill up all the spaces so neatly outlined in the dummy. Our staff was an eager one as it attacked its year-long work. There were setbacks and discouragements, but there was also steady progress.

With its delivery in May, the growth of the **FAREWELL AND HAIL** itself ceases. But it is the hope of the staff that the book which they have produced will serve as something more than simply the history of life at Austin Peay during 1956; they hope that it will serve in the future as a memory-refresher, as a method of allowing its owner to return once more to the happenings of the year, and be a binding link to the traditions lived at Austin Peay State College.

ALL STATE

The *All State* is the only newspaper on the Austin Peay Campus. It is edited and written by the students and reflects the student thoughts and opinions.

It covers all phases of campus life, including personalities, campus features, humor and straight reporting. The editorial page presents and interprets problems confronting the student body and provides space for creative literary effort.

Each year the editor of the paper is chosen from the editorial staff of the previous year by the faculty adviser. The editor, in turn, selects his staff from anyone on the campus who is willing and able to work in journalism.

Reaching 1,600 people, the *All State* is circulated to the students through their mailboxes and is mailed to alumni.

The *All State* is proud to be in its twenty-sixth year of serving the student body, faculty, and administration.

With a long list of achievements behind them, the Student Council has made the year 1955-56 a most successful and profitable one for the students at Austin Peay.

Freshman initiation, formal and informal dances have been successfully handled by the Student Council. This year Austin Peay was host to both the District and State Student Government Conventions. This spring the APSC blood bank met its largest quota in history, with the all-out cooperation of the student body.

These achievements could not have been accomplished without the harmonious relationship between the members of the Council and the faculty. Nor could those goals have been reached without the capable assistance of their sponsor, Dr. Leo Weeks.

The Claxton Chapter of the Future Teachers of America is under the co-sponsorship of Miss Willie Stevens and Dr. C. O. McKee. This club is open to all students majoring or minoring in elementary or secondary education, the main objective being to develop an organization for young people who are receiving preparation to become teachers; this organization being an integral part of state and national education associations.

Foreign school operations has been the main topic of discussion followed this year by the group. Japan, France and Austria were the ones concerned during these programs. A panel discussion bringing back past members of the F.T.A. who are now teaching was also another interesting highlight of these meetings. The F.T.A. sponsored several activities this year, the Halloween party, the annual book sale during National Book Week, and a dance.

One of the fastest growing organizations on the campus is the Austin Peay State College Choir. The Choir, composed of mixed voices, is open to all students who enjoy singing. Founded in September of 1937, it is one of the oldest organizations on the campus.

Under the capable direction of Dr. Charles L. Gary and Mr. Jack Hurt, the choir has a varied repertoire including compositions of classical, folk and sacred music, as well as many hit tunes from famous Broadway musicals.

The choir participates in tours to schools in neighboring counties, the purpose of which is to stimulate interest in the rapidly growing music department of the College.

As an incentive to the students to belong to the choir, a colorful blazer, or jacket, is offered after six quarters of singing with the choir.

The choir also plays an important part in the assembly programs throughout the year. Indeed, the choir is an important asset to our College.

BAND

Much credit is due the members of the Austin Peay State College Band for their faithfulness and their endurance. No matter what the weather—rain, sleet, snow, or sunshine—you always find the loyal band members on hand to inspire our teams on to victory.

Not only are they loyal at home games, but when the team goes on the road, the band often goes along.

In an effort to recruit new members from the neighboring high schools, the band joins with the choir to give concerts at these schools.

At frequent intervals during the year the band takes its place in the assembly programs, in concerts, special music, and pep rallies. These are only a few of the examples of the band's part in creating school spirit.

The Eta Rho Chapter of Kappa Delta Pi, a nation-wide Honor Society in Education, was installed on the Campus of Austin Peay May 23, 1953.

The one hundred and thirteen members initiated since that date have dedicated themselves to the stated aims—"To promote a closer bond among students of education, to enter into more intimate fellowship with those dedicated to the cause of teaching as a profession, to encourage high professional, intellectual, and personal standards, and to recognize outstanding contributions to education."

Membership is open to graduate students, seniors, and juniors of moral character who have earnest desires in the field of education and who have maintained a scholastic rating in the upper-quintile of their respective classes.

The Eta Rho Chapter is proud to claim the membership of our College President, Dean of Instruction, and sixteen faculty members, and of course we laud our chapter counselor, Dr. George Boswell.

Lambda Sigma Lambda is the proper title for the club composed of English majors and minors and others who are interested in the work of the club. It has a social purpose as well as a productive one, since it sponsors various outings, TV parties, etc. Most of the club's efforts this year have been centered around the publication of the *Tower*, an anthology of student writings. This is the second year that the English Club has been in charge of this publication. This year the *Tower* was "bigger and better" because of the interest engendered by the large prizes offered in the following three divisions: essays, poems and short stories. The combined efforts of the officers and members of the club and the student body produced a publication of which Austin Peay State College can be justly proud, because it is another indication of the ability of AP students.

Front Row, left to right: Peggy Berry, Lucille Gunn, Doris Sanders, Aline Elouard, Rubye Shoemaker, Suzanne McWilliams, Jean Chestnut, Emma Jean Caroland, Pat Berry. ALPHA CLUB

Left to Right: Martha Stone, Rubye Shoemaker, Nina Marable.

The Alpha Club opened the new year with an addition of twelve new members.

The club's entry in the Homecoming parade, a beautifully decorated car with Alpha girls, won second prize in the car division.

In cooperation with the Omega Club and Beta Club the Alpha Club sponsored the annual Valentine Ball.

The Alphas were proud to have as their representatives for the Valentine Ball, Cissy Stone and Tate Rogers.

The club has been active in all phases of campus activities. They sold chances on a cake at one ball game and sold food in the dormitory.

The Alpha Club is an example of the best school tradition. It encourages hard work, academic training, school spirit and a well adjusted social life. Its members are the finished product of a successful and meaningful club.

The club has a group of enthusiastic campus minded members with Mrs. Phyllis Thomas as an able and interested sponsor.

BETA CLUB

The Betas opened wide the arms of their organization to welcome fifteen additional members.

With the cooperation of the Alpha Club, Omega Club, the Betas sponsored the annual Valentine Ball, having candidates for King & Queen of Hearts—Suzanne McWilliams and Don Woods.

The Beta Club with flashing black and gold colors were an asset to the Homecoming parade.

We owe much of our success to our sponsor, Mrs. Bertha Cayce.

Several of our members have been chosen to represent the college by various honors. They are: Suzanne McWilliams, Betty Rye Leech and Joan Russell, as Who's Who; Suzanne McWilliams as Miss APSC; and Betty Leech as First Lady.

CIRCLE K

Circle K is one of the newest organizations on the Austin Peay campus. The local chapter was organized in the spring of 1954 under the sponsorship of the Kiwanis Club of Clarksville. The primary purpose of the club is one of service. It aids both the college and the community by carrying out a number of worthwhile projects each year.

The principal project of the club is the sponsorship of a scholarship fund for sending a deserving high school student of this area

to Austin Peay College. The money for this scholarship is obtained from the proceeds of an annual invitational basketball tournament between local high schools, the second of which was held this past winter.

Members of Circle K are selected by a membership committee on the basis of leadership, ability, civic mindedness, and scholarship. Membership is limited to forty.

QUEEN KAY

The Baptist Student Union is closely coordinated with the local church and other B.S.U. organizations throughout the state. The purpose of the organization is to focus the aim of students more sharply on spiritual living.

The B.S.U. members meet for devotional services in the Little Chapel at noon each Monday and Wednesday, at which time inspirational messages are given by guest speakers. The B.S.U. works together with the Student Ministerial Association and the other religious organizations on the campus in presenting the annual Religious Emphasis Week.

Members of B.S.U. are always around on registration day in the fall to meet the freshmen, serve them refreshments, and present the advantages of membership to them. Other forms of recreation are sponsored throughout the year to balance with times of tedious planning and hard work.

Much credit for the Christian attitude of the students and the highly spiritual life on the campus can be given to the work of the Baptist Student Union.

In an effort to promote religious thinking on the campus and in order to bring together students of like faith, the Wesleys are one of the most active clubs on the campus.

Through the sponsorship of the Wesleys, many outstanding religious speakers are brought to the campus each year. A noonday devotional service is held in the Little Chapel each Wednesday at 12:30, and there is also a regular monthly meeting at night.

However, it is not only in religious activities but in wholesome recreational activities as well, that the Wesleys are extremely alive. At the beginning of each year the Wesleys are ready to entertain and welcome the Freshmen during "Freshmen Days." Throughout the year, numerous hayrides, wiener roasts, and skating parties are given. Each spring the year's activities of the Wesleys are culminated in a retreat.

First row, left to right: Emma Jean Caroland, Phoebe Swift, Betty Lewis, Ann Jones, Jean Bivens, Dot Floyd, Bill Chambers. The Student ministers furthering their education at Austin Peay State College have not found secular education to be inimical to Christian principles. United by their common needs and interests they and certain other students interested in religious education meet bi-weekly for a brief oasis of devotion and some kind of information, inspiration program, usually a talk. Faculty members, students, and local ministers have been pleased to speak to the group.

Perhaps the most interesting series of talks was given by several faculty members, each of whom endeavored to show the relation between his own discipline biology, psychology, geography, philosophy, etc., and religion.

The fall quarter programs were built around collaboration with the University Christian Mission Emphasis Week of November 13-17. The Ministerial Association provided leadership and cooperation for that movement as well as regularly for assembly devotional programs.

The ministers hold themselves in readiness to counsel with students on spiritual matters.

The Home Economics Club is composed of Home Economic majors, minors and those interested in this field of study. It is affiliated with the Tennessee Home Economics Association and the American Home Economics Association.

During orientation week each year the Home Economics club sponsors Open House in the Home Economics department. This offers an opportunity for everyone to see our spacious apartment and beautiful furnishings. Another club project is the preparation of a Thanksgiving basket to share Thanksgiving with some family in Clarksville.

Each spring club members are hostesses to an annual fashion show presented by high school girls in the College auditorium.

Other club activities include both club and campus wide entertainment, and a bake-sell to raise funds for an international scholarship.

Men taking Home Economics? Yes, also they are active members in the club.

The theme of the club this year is "The Forward Look," and Home Economics students are looking forward to better things in the future.

The Industrial Arts Club is another of the hard working clubs on this campus which go hand-in-hand with the pursuits of a specific department. Industrial Art students and pre-engineers gain invaluable experience in being a part of this forward-looking club.

The club meeting help to foster an interest in modern Industrial Arts by way of films, lectures, and field trips to industrial plants in the immediate vicinity. Thus a better understanding of industrial processes is engendered.

The Industrial Arts Club, because of its expert ability in planning and construction, never fails to appear in the winners' circle when the Homecoming floats are judged.

The Industrial Arts Club, along with the department itself, has shown itself to be one of the many organizations on campus to carry forth the motto "Grow with Austin Peay." This is shown by increased interest and membership.

The Agriculture Club takes great pride in being one of the many outstanding student organizations of Austin Peay State College. Boasting its own clubhouse on the college's 475-acre farm, "Ag" Club members have blended fellowship and scholarship. The "Ag" Club strives to make all new students of agriculture feel they are a part of the club and the college.

With a firm foundation in a well qualified faculty, agriculture students are preparing for an unlimited future. Graduates include a district salesman of the Armor Fertilizer Division at Nashville, chemist and district salesman for fertilizer and feed companies, a trouble-shooter for International Harvester Company, a pilot in the Air Force and "even two puts in the Medical Corps."

The Agriculture Club is proud of its accomplishments and looks forward to even better years at Austin Peay State College.

The Physical Education Majors Club consists of women who are solely and vitally interested in the training of one's physical and mental aspects, handicapped or gifted.

We take great pride in that we have one of the best equipped departments in the South, both in superior instruction and teacher training.

This year, Mrs. Jean Gillis Jacobs, who instructed for eight years at the University of Chattanooga, is directing our club.

P. E. Majors receive actual student coaching in such fields as volleyball, basketball, softball, tennis, stunts and tumbling, soccer and speedball, rhythm and folk dances, and aquatic activities.

The P. E. Majors Club attended the Southern P. E. Convention in Nashville. They are active in recreation of all phases. New to our roster are field day events, swimming meets and play days.

We feel that we carry over to our later life the best training, socially, physically and mentally, that there is available.

The snappy red uniforms and white top hats of the Governettes became familiar to spectators at Governor football and basketball games last year when the drill team was organized.

This year they were again present to take part in half time ceremonies with their routines of precision marching and high stepping dances.

The Governettes are girls with a real desire to promote school spirit and who are willing to devote long hours of practice for the precision they display on the parade route and the playing field. Though they are still young as a campus organization, with the addition of fourteen new members this year and the return of fourteen members from last year, they have made a big step toward becoming the group they some day hope to be.

A lot of credit the Governettes deserve is due Bill Byrd, their originator and drillmaster; to Mrs. Phyllis Thomas and Mr. Lew Bowdine, who as sponsors are ever present and helpful, and to Mac Sands, assistant drillmaster.

The Governettes have been a welcome addition to the campus.

The William McClure Drane Award is an award of merit presented annually to the outstanding member of the APSC graduating class. The recipient is selected by the college faculty on the basis of character, scholarship, leadership and service to the college.

The Drane Award in the form of a handsome bronze plaque mounted in an easel type metal stand was established in 1950, by Miss Myrtle Drane and Mrs. Maud Drane Buckner in memory of their father, the late William McClure Drane, a prominent citizen of Clarksville and a patron of education.

In this issue of the **FAREWELL AND HAIL** the former recipients are being featured. They are: 1950—Nancy Carolyn Dowlen; 1951—Ben Sory Kimbrough; 1952—Hugh C. Davis; 1953—Sue Berry; 1954—Jo Anne Hoffman; 1955—Erma Dean Berry.

W H O'S W H O

Dorothy Cochran, a distributive business major, is very active in campus activities, being a member of the F.T.A., Kappa Delta Pi and the Business Club. An enthusiastic student and an energetic worker, Dot is undoubtedly a deserving recipient of this honor.

Vice-President of the student body, Tom Duffy is an English major. A capable worker, Tom has served as class officer, president of Circle K and is known as a very efficient student committee member. Tom is also a member of the Veterans' Club. Certainly Tom is a well-qualified representative for APSC in Who's Who.

Dedicated to the pursuit of a business administration major, the numerous appearances of Billy Heaton's name on the Dean's List give evidence of his scholastic attainment. Also, outstanding in extracurricular activities, Billy is a member of the Band, Business Club, a participant in intramural basketball and co-

sports editor on the annual staff. Billy is the type of student that we would like to have become a part of the legend of APSC.

The selection of Charles Leavell whose quiet dignity and composure have graced the A.P. campus for the past three years to this group was indeed an excellent choice. Excelling scholastically in an industrial arts major, Charles also found time to serve in the Industrial Arts Club (currently as secretary) and in Kappa Delta Pi.

First Lady, Betty Rye Leech, is indeed a favorite of the campus. Betty Rye has served as Miss APSC, Iris Queen, Twenty-fifth Anniversary Queen and Homecoming Queen. Her numerous activities include the presidency of the Women's House Council, cheerleading, Beta Club and the Choir. Betty Rye, a biology major, is indeed an unquestionable choice for Who's Who.

Left to right: Mary Sanford, Charles Leavell, Judy Young, Billy Heaton, and Suzanne McWilliams.

IN AMERICAN COLLEGES AND UNIVERSITIES

Suzanne McWilliams, a double English and business major, is known as a very diligent worker and leader in many campus organizations including the English Club, F.T.A., Presidents' Club and Kappa Delta Pi. Suzanne has held various offices in these clubs and has been secretary of her class all four years. Also, she served as Twenty-fifth Anniversary Queen Attendant and Iris Queen Attendant.

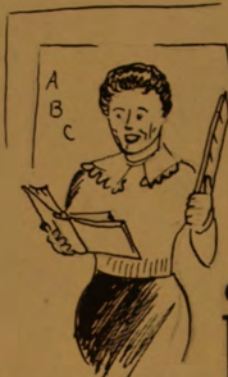

A business education major and a home economics minor, Joan Russell may be characterized as a dependable and efficient worker in many campus activities. Joan is president of the Beta Club, secretary of the B.S.U., vice-president of the Home Economics Club and was selected as queen of the Home Economics Club this year. Joan is also a member of the Presidents' Club and the F.T.A.

Mary Sanford, an appreciative and deserving student, is a creditable choice for Who's Who among students. Mary is a transfer student from Bethel where she was an active participant in clubs and organizations and was selected as Miss

Bethel, the outstanding personality on the campus. Mary continued her extracurricular activities at APSC and is a member of the F.T.A., Kappa Delta Pi and First Vice-President of the B.S.U.

A double English and history major, Betty Jo Wallace deserves recognition for her outstanding scholastic achievement. Betty Jo's extracurricular activities include the English Club and the F.T.A. Last year Betty Jo served as assistant club editor on the **FAREWELL AND HAIL** staff.

With a double major in business and biology Judy Young has added much to the A.P. campus with her charming quiet friendly manner. A good student and a cooperative worker, Judy is a member of the F.T.A., Kappa Delta Pi and the Business Club. Last year Judy was featured as a personality in the annual. Judy is certainly a favorite choice for Who's Who.

ATHLETICS

IN TRIBUTE TO COACH AARON

A familiar hat

After the war years, during which there were no athletics at Austin Peay, there came a new face to the campus in the person of Mr. David B. Aaron.

Coach Aaron received his training at Cumberland University in Lebanon, Tennessee. He was an outstanding football player there, being named on the "All Fifty Year" squad. In addition to the LL.B. degree which he received at Cumberland, Coach Aaron holds the B.S. and M.A. degrees from George Peabody College and was a Lieutenant Commander in the United States Navy.

Mr. Aaron was instrumental in helping form the Volunteer State Athletic Conference in 1947.

Many are the greats who have played under Coach Aaron, and we'll only have space to mention a few.

The 1946-47 basketball team was undefeated in college competition and placed George Fisher and James Stone on the TIAC All-Tournament team. Paul Aaron and Stone were named to the Banner All-State team and Stone placed ninth in the nation in scoring. Assisting Coach Aaron were Ed Rutledge and Lee McKinney.

1947-48 brought another good hardwood season for the Governors. They were the only team to beat Delta State on its home floor.

In 1948 Coach Aaron, aided by a former Clemson star, Leon Sandifer, installed the "T" formation. The new system paid off and the Red and White won 8 of 10 games. Golf, tennis, and other smaller sports began to appear that year for the first time since the war.

The '49 football team, with the addition of Backfield Coach Don Gary, again won 8 of 10, with the highlight of the season being a 20-6 victory over Camp Campbell.

The basketball teams during '47-'49 were also outstanding with James "Boxhead" Stone being named to the NAIB All-American team.

In 1950 L. E. Oakley was named to the Paul B. Williamson Little All-American team with Phil Krug and Julius "Rock" Sneed gaining honorable mention. Ben Fendley was named All-Conference for three years.

The 1950 basketball season saw Dickie Covington win two games on his outstanding free throw shooting.

In 1951 Kenneth Cooper of Vanderbilt fame was added to the coaching staff and is now head football coach.

On the hardwood

AND A DECADE AT AUSTIN PEAY

Family man

There are other very fine ball players who have played for the Red and White under Coach Dave. Just the mention of their names will bring back fond memories: Tony Hotstetler, George Morton, Frank Rubel, Edgar Settlers, Louis Catignani, Jack Butler, Mack Chandler, George Hoffman, Hendricks Fox, Dickie Hays, Bob Swope, Billy Covington, Carlton Balthrop, Ed Kulakowski, Homer Bell, Jim Odum, Freddie Harrison, Tom Lincoln, Melton Self, Waldo and Harris Binkley, Sam Reeks, and many others.

Coach Aaron is not only an athletics man but also a family man. He is married to the former Jane McTigue and is the proud father of three youngsters.

Our hats are off to the head basketball coach and athletic director of Austin Peay State College for a fine piece of work and a decade of service.

Since 1951 most of the athletic teams at Austin Peay have been above the average. The football record under Coach Aaron has been 44 wins, 32 losses, and 6 ties; and the basketball teams have had only one losing season while playing over 250 games.

THE SEASON'S

Coach Dave Aaron turned football over to Kenneth Cooper this year so that he might have more time to spend on basketball and as Athletic Director. Coach Aaron has served as head coach and Athletic Director for 10 years at Austin Peay. During this time he has shown ability in leadership and has won many friends.

Coach Leon Sandifer is head baseball coach and works with Mr. Aaron in athletic directorship. He hails from Clemson where he was an outstanding lineman.

Kenneth Cooper, who has completed his first season as head football coach, has proven to be very capable of the job. Coach Cooper is an ex-Vanderbilt star and played pro ball with the Baltimore Colts. Coach Cooper was an All-Southeastern Conference guard while at Vanderbilt and was Co-Captain of the team.

Earl Gartman finishes the coaching staff. He is backfield coach, and comes from Howard College at Birmingham, Alabama. He is an excellent coach and has done a good job with Austin Peay's backfield. We welcome Coach Gartman and we are expecting a hard running, versatile backfield next year.

The trainer, Ed Kulakowski, is a former Governor grid star and is now doing a fine job.

REVIEW

The Governors, led by Co-Captains Bill Alexander and Bobby Way, had a football season of six defeats, two wins and one tie. Although the games lost make the record look bad, the season was much more successful. The Govs lost their first three games by only one touchdown.

First on the Austin Peay agenda was East Tennessee who won a hard-fought decision over the Governors 6-0. The next week the Governors played the high-ranked Presbyterian College and suffered another loss of 13-7.

The Governors then journeyed to Florence State where they were stopped again by a score of 13 to 7. Next on the schedule was Middle Tennessee. The "Blue-Raiders" of Murfreesboro are the Governors' biggest rival and were highly favored over the Govs. But when the "Raiders" came to Clarksville, Austin Peay played a hard and determined game and managed to gain a 14 to 14 tie.

Austin Peay went to Missouri where they were defeated by a score of 20-2 and then played Murray State and lost 20 to 13. Still the Govs could not pick up enough spirit and determination and lost their seventh straight game to Tennessee Tech by a score of 37-6.

Publicity Director—Tommy Crews

Down for the count

Coaches—Ken Cooper and Earl Gartman

After seven defeats, something happened. The boys knew they were going to face the best team they had played all year. Spirits were high and Arkansas State came to Clarks-ville to make it eight losses. But the Governors began playing ball as soon as the ball was kicked and they walked away with their first win, 19 to 6.

The Governors closed the season with a 32-12 victory over the All-Stars of Fort Camp-bell. It was, without doubt, their best performance of the season. Quarterback Crow played his best game as he charged the line for two touchdowns. Leon Vaughn for AP was voted outstanding lineman for the game. Tackle Bobby Brown received the Sportsmanship award.

In the statistics department, Austin Peay picked up 116 firstdowns and their opponents picked up 132. Austin Peay picked up 1,505 yards rushing and the opposition picked up 1,836 yards. The Govs completed 30 passes out of 116 and had 12 intercepted for a passing yardage of 455 yards. The opponents passed 99 times and completed 40 for a net yardage of 698 yards. They had 10 passes intercepted. Austin Peay was penalized 665 yards and other teams were penalized 585 yards. The Govs punted 54 times for a total yardage of 1,747 yards. They averaged 32.4 yards per kick.

Virgil Hill, who was converted from guard to fullback, was the rushing leader for AP. He carried the ball 65 times for 315 yards. This is an average of 4.8 yards per carry. Fred-dy Layton had the best average for carrying the ball. He carried it 40 times for 211 yards for a 5.3 yards a carry. Al Rogers was next, picking up 260 yards in 50 tries for an aver-age of 5.2 yards per try.

Corso averaged 4.3 yards, Crow averaged 3.7 yards, Hawkins averaged 3.1 yards, Alex-ander averaged 3.0 yards, Cates averaged 2.4 yards, and Smith averaged 1.7 yards.

Oscar Odum, David Thompson, Don Woods and David Wagner served greatly at the ends.

No player can be picked as outstanding for the season. All the boys worked hard to-gether and every man did his share of the work. We especially welcome our ex-stars, Leon Vaughn and Oscar Odum, who have returned from the service and who both played ex-cel-lent ball this year.

We are looking forward to a successful season next year and three new foes have been added to the schedule. They are Troy State, Memphis State and Arkansas Tech.

Crow plans strategy for a T.D.

THE "A" CLUB

FIRST ROW, Left to Right: McClearn, Hurt, Martin, Lucas, Vaughn, Parks.

men's INTRAMURALS

Men's intramurals seem to be better and show more enthusiasm than any year previous to this. In basketball, the Rogues won the tournament and the Veterans finished second. We are proud to have so many participating in these sports, and hope that they will continue to draw more people out to participate.

It's easy if you can do it

WOMEN'S INTRAMURALS

Mrs. Jacobs, who came to Austin Peay this year, has been very instrumental in beginning sports for women. This year the girls have had field meets, which included such things as softball throw, 50-yard dash, bicycle race, wheelbarrow race, etc. They have had swimming meets and various other sports as volleyball and ping pong. The women have responded by a large percentage of participation and everyone has had a lot of fun and various kinds of ability have been shown. Thanks to Mrs. Jacobs and we hope the intramurals continue to grow.

The wheelbarrow race begins

WILLIAM LAX

The Governors ended one of their best basketball seasons with 17 wins and 9 losses. They were ranked second to East Tennessee in the Volunteer State Athletic Conference. The first few games caught them just a little out of shape and they got off to a slow start. However, after a few games, they found the range of the basket and went on to beat some very good teams such as Arkansas State and Middle Tennessee. All of the starting lineup were freshmen and sophomores and they quickly caught the swing of collegiate basketball.

The Governors returned only 5 men from the '54-'55 squad. These were John Rendek, Doug Moore, Phil Brown, Bill Lax and Carl Taylor. Seven new men were added to the squad. They were Kenny Geraldts, Van Washer, Chester Garrett, Morris Clark, Frank Davis, Glenn Fenneman, and L. J. Sanders.

Doug Moore, a 6-9 center, graduated at Christmas and Coach Aaron was in need of a big man to take Doug's position. Uncle Sam answered this need by sending AP the big, husky, versatile Tom Morgan. Tom played with the Governors during the '52-'53 season and is one of the best ball players that we know of. During his first year at AP Tom averaged 20 points per game as well as doing a magnificent job on rebounding.

This year Tom has played in 20 games and scored 380 points for an average of 19 points per game. He made All-VSAC and All-VSAC tourney.

Tom was assisted by little Kenny Geraldts. Geraldts is a sophomore and is one of the best all-round guards you can find. Geraldts was voted the most valuable player in the Capitol City Invitational Tournament in Nashville and made All-VSAC.

For the entire season the Govs rolled up 2128 points as compared to their opponents' 1968 points. The Governors averaged 76 points per game and the opponents averaged 70.3 points per game.

In individual scoring Tom Morgan set a new record in

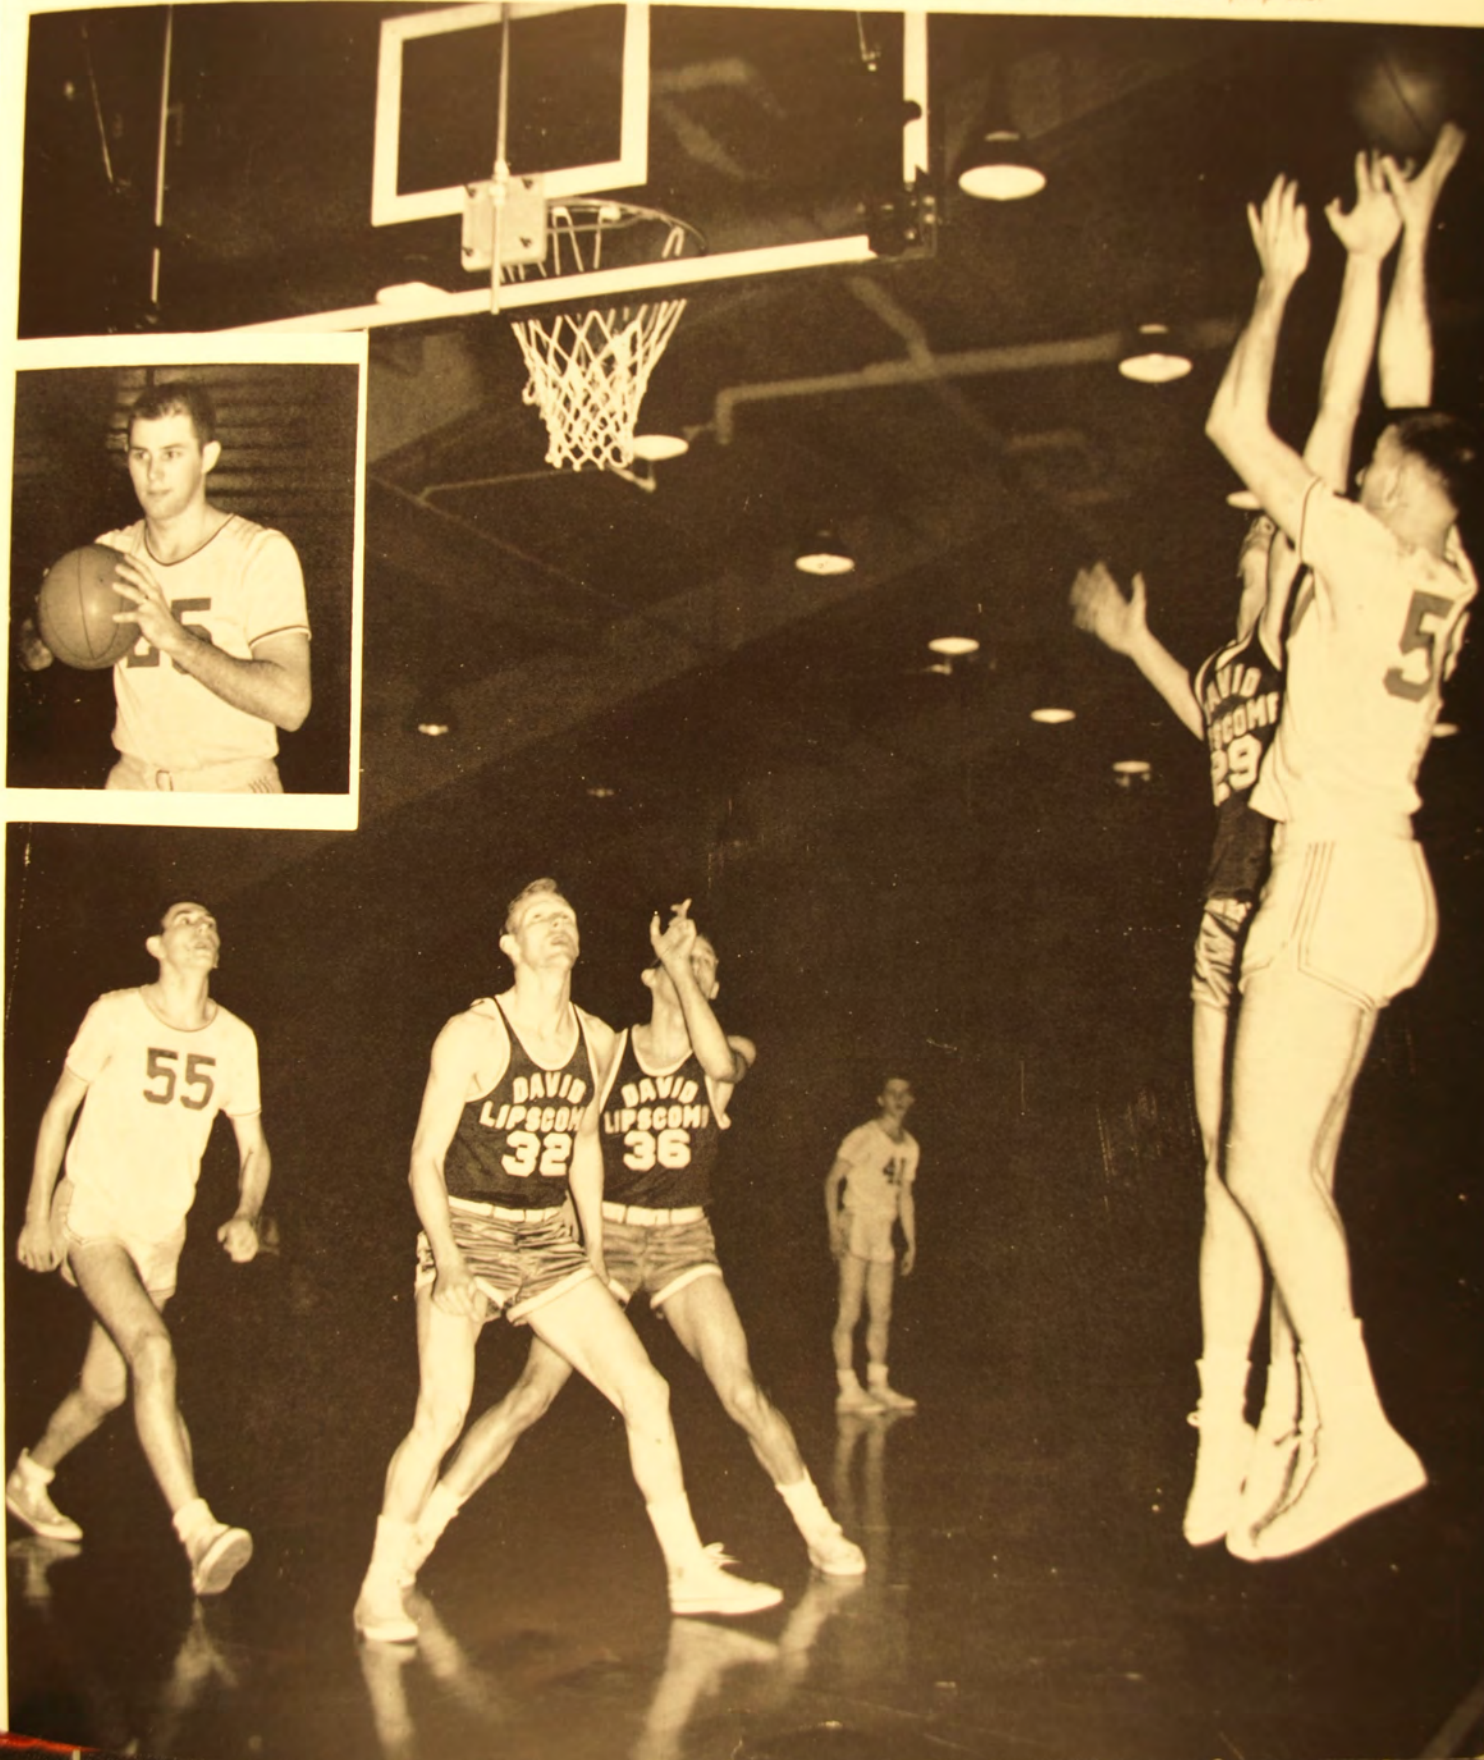

the AP Memorial Gym. He replaced Jim Cummings' 35 points with 38 points in one game.

Others helping Tom in the scoring were: Kenny Geraldts with 320 points for 26 games for an average of 12.8. L. J. Sanders, a big freshman center, scored 260 points for an average of 11.3 points per game. Van Washer, a capable guard, averaged 9.2 points for 21 games. The other big man on the boards was Frank Davis who scored 223 for an average of 8.6 points. Chester Garrett, a man for tight games, scored 136 points in 21 games for an average of 6.8. Phillip Brown scored 153 points for 6.1 points. Captain John Rendek scored 99 points in 21 games for a 4.8 average.

All of the boys played good ball and showed good sportsmanship. When they were defeated, they would still smile and congratulate the winners. This is something we can boast about.

We are looking forward to next season when we are expecting our best year ever in basketball. All of our men are freshmen and sophomores except John Rendek, who is a senior. We hear rumors that some of our former stars are planning to join us again next year. We hope this is true and we will see you on the hardwood next year.

FIRST ROW: Woodard, Rogers, Smith, Way, Moore, Chipman, Clary, Wood, Key, Woods. SECOND ROW: Weeks, Toler, Alexander, Sands, Lewis, Brown, Corso, Kulakowski, Elliot, Hill.

TRACK, 1955

The 1955 track team displayed ability that all Governor supporters were proud of. They participated in four dual meets and one triangular meet. They won four of the meets and lost one to the University of the South. The Governors entered the Tennessee Intercollegiate Athletic Conference track and field meet at the University of the South, at Sewanee, and finished third behind Memphis State and the University of the South.

In the V.S.A.C. field and track meet, Austin Peay came in second, with East Tennessee winning the meet. The Governors set three new records in the meet. Al Rogers set one in the 440-yard dash as he made the distance in 53.4 seconds. The relay team composed of Chipman, Ted Smith, Virgil Hill, and Rogers set the new record for the mile relay with a time of three minutes and 39.7 seconds. Ed Kulakowski set a new record for the Govs with his shot put toss which traveled 42 feet and 5 inches.

The Govs racked up a total of $414\frac{1}{4}$ points during the regular season as compared to their opponents $264\frac{3}{4}$ points. They took 50 first places, 41 seconds, and 31 thirds.

They beat M.T.S.C. by a score of 104-27, T.P.I. by a score of $92\frac{1}{2}$ - $38\frac{1}{2}$, Murray State by 75-47 and lost to Sewanee by 58-73. In a triangle meet they scored $84\frac{3}{4}$ points to $43\frac{1}{2}$ for Murray and $34\frac{3}{4}$ for M.T.S.C.

Dave Wood was the leading Governor in individual scoring with $68\frac{1}{2}$ points followed by Tate Rogers with $51\frac{1}{4}$ and Dave Stoner with $41\frac{1}{2}$.

Other scorers are Don Woods 41, Bill Alexander 36, Eugene Lewis 26, Virgil Hill 24, Tom Weeks 22, Richard Weakley 18, Ted Smith $12\frac{1}{4}$, Bobby Way $11\frac{3}{4}$, John Hancock 11, Ed Kulakowski 10, Mac Sands $9\frac{1}{2}$, Roy Woodard $8\frac{1}{2}$, Lucian Chipman $6\frac{3}{4}$, Eugene Key $6\frac{1}{2}$, Bob Kulakowski 5, Ron Clary 4, Eddie Toler 1.

Holmes, Rendek, Brown, Chance, Martin

B A S E B A L L

Hill, West

Coach Leon Sandifer's baseball squad might have finished the season as what you would call a greatly improved team. The Governors got off to a poor start but caught fire about the middle of the season and went on to win 8 consecutive wins. They finished the season with an over-all record of 8 straight losses and the last 8 games were taken by Austin Peay.

The AP starters included Captain Martin, McClearn, Holmes, Chance, Elliot, Brown, Craig, Colley, and Rendek. Rounding out the team were: Cox, Corlew, Swiderski, Hill, Stoner, West, Moore, Turner, Stone, Hurst, Glover, McCauley, Burchett, and Hungate.

Coach Sandifer and the men did a fine job and we are looking forward to a very successful season next spring.

Welcome home, Donnie

Where did it go?

McClern, Moore, McCauley, Swiderski, Craig

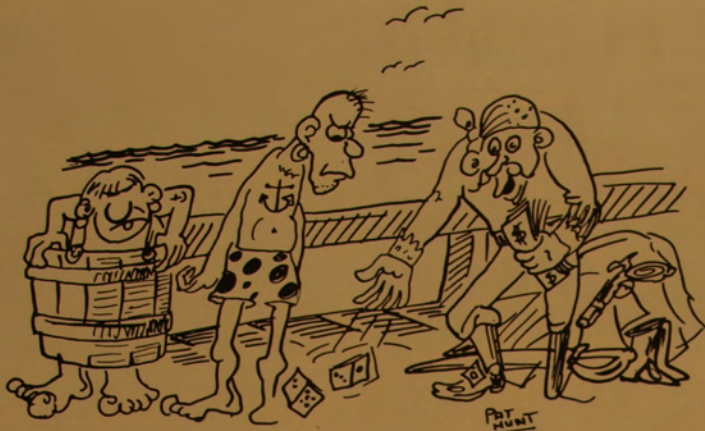

Cox, Burckett, Elliot, Haynie, Corlew

Let's go to the field

Keep your Cotton-picking Hands off

What did he say, Fran?

"Mission Accomplished"

The pen of Bulwer left us this conclusion: "A mind once
cultivated will not lie fallow for half an hour."

We offer our congratulations to the present graduating class, to all
Alumni of Austin Peay State College, and to the Faculty. Another "Mission
Accomplished."
