

Standing Committee Annual Report

Name of Committee or Council:

Study Abroad Committee

Chair:

David Rands

Meeting Dates in Current Year:

n/a due to pandemic

Major Actions or Accomplishments: Unfortunately, the covid pandemic continued through the 2021-2022 academic year. The lack of information from both domestic and foreign governmental agencies made a meeting for planning or organization pointless. From what we have seen, there will be study abroad from the summer of the 2022-2023 academic year, and the committee will once again have the ability to facilitate the study abroad program.
