

AUSTIN PEAY STATE UNIVERSITY  
POLICIES AND PROCEDURES MANUAL

POLICY NO.: II:05:07 DATE: August 2, 1982  
SUPERSEDES POLICY NO.: IV:05:03 DATED: November 21, 1978  
SUBJECT: Major Disturbances and Disaster Control  
APPROVED: Robert O. Riggs, President 

The purpose of this policy is to establish policies and procedures for precautions and actions to be taken if a major incident and/or disaster threatens or occurs on the campus of Austin Peay State University.

## I. Definitions

- A. Campus Emergency: A condition under which special precautions and/or actions are necessary to maintain campus-wide order and to adequately safeguard University personnel and property. A state-of-campus emergency will be declared and terminated by the President of the University or his designee.
- B. Disaster: A sudden calamitous event which could cause great damage to University and pose a serious threat to the safety of University personnel (e.g., tornado, earthquake).
- C. Civil Disorders: An incident which will probably result in a major disruption of University activities, injuries to personnel and/or damage to University property.
- D. Building Emergency: A condition during which a specific building or a complex of buildings and its occupants are subjected to, or potentially subjected to, special precautions/actions necessary to maintain order and to adequately safeguard University personnel and property. (A building emergency may be declared and terminated by the Vice President for Administration and Development.)

## II. Procedures

## A. Campus Emergency

Upon declaration of a state-of-campus emergency, the following officials will be notified by the Director of Public Safety:

1. Vice President for Administration and Development
2. Vice President for Academic Affairs
3. Business Manager
4. Dean of Students
5. Director of Physical Plant
6. Director of Public Affairs
7. Director of Health Services (if appropriate)
8. Director of Athletics (if appropriate)

Each senior administrator will notify and coordinate the activities of the appropriate persons in their respective divisions. The above-named persons, plus the President and the Director of Public Safety, shall constitute an Emergency Operations Team and will function to coordinate:

1. Communications
2. Emergency electrical power
3. Protection of personnel on campus and their belongings
4. Health services
5. Protection of buildings and property
6. Emergency transportation
7. Clean-up and/or repair operations

The above activities will be handled in accordance with procedures found in the Major Disturbance and Disaster Plan in the Austin Peay State University Public Safety Manual.

The Director of Public Safety is designated as the campus Civil Defense Coordinator, and as such will maintain close liaison with the local Civil Defense, will ensure a maximum and continuing state of civil defense preparedness, and will coordinate all disaster recovery efforts.

1. Disaster: When it is determined that there is a high probability of an imminent disaster, the Director of Public Safety will (with the concurrence of the President or his designee) cause an alert to be issued via telephone to the Emergency Operations Team.
2. Civil Disorders: Procedures developed by the Student Affairs Division will be followed in the event of impending or actual civil disorder situations on campus. The Dean of Students will coordinate corrective procedures if a civil disorder should occur or appears to be imminent.

#### B. Building Emergencies

Each building or building complex will have a senior faculty or staff member appointed as the Building Security Coordinator. These individuals will be appointed by the Vice President for Administration and Development in accordance with the appropriate senior administrator. The responsibilities and duties of the Coordinator are outlined in the Public Safety Manual located in the Department of Public Safety.

Upon determination that a condition which could lead to a state of emergency exists or has the potential of existing in a single building or a complex of buildings through events restricted to a building or a building complex (i.e., bomb threat, equipment malfunction, etc.) the Building Security Coordinator and/or the Director of Public Safety shall be notified immediately. The Building Security Coordinator, the Director of Public Safety, and the appropriate senior administrator shall implement the necessary procedures to ensure the safety and protection of the persons and property in the building.

Emergency procedures developed by the Building Security Coordinator, the Director of Public Safety, and the Director of Physical Plant, and approved by the Emergency Operations Team, shall be distributed to appropriate department chairpersons and placed in the Public Safety Manual.

1. Disaster: When it is determined that there is a high probability of a disaster, the Building Security Coordinator shall be notified immediately. This person shall notify the Director of Public Safety. These two persons, in cooperation with other appropriate persons, will determine whether to notify department chairpersons, all persons occupying the building, to evacuate the building, or take other steps necessary to safeguard personnel and property.
2. Civil Disorders: In the event of a civil disorder develops or conditions develop which could lead to a disruption of normal activities, the Building Security Coordinator shall notify the Director of Public Safety, who, in cooperation with the appropriate senior administrator, will initiate the necessary actions to return conditions to normal.
