ADDITIONAL INFORMATION

- Many areas including Athletics are not sending people for testing because they had so many positives and those individuals are in their 90-day window of not getting COVID again, so they are not sending them for testing. Most will get released from that 90-day window in the last week of October.
- County data could not be updated today because the county last reported data on 9/19/2021. The data for 9/19/2021 was potentially incomplete which means that TDH is about 4 days behind in reporting.
