

TALK ON RELIGION GIVEN IN CHAPEL BY RABBI MARK

ADDRESSES STUDENTS ON
BEHALF OF RELIGIOUS
CONFERENCE

Appearing under the auspices of the National Conference of Jews and Christians, Dr. Julius Mark, Jewish Rabbi of the Vine Street Temple in Nashville, addressed the student body of A. P. N. at the chapel period, Wednesday, April 27. The general theme of his talk was "The Place of Religion in the World."

Citing religion as the essence of a free democracy and world peace, Dr. Mark pointed to the barbaric persecutions existing today in Germany, and Russia; nations under the tyrannical rule of Nazism and Bolshevism. During the course of his remarks he declared, "Thank God for America! Thank God for her Christian ideals and her Christian brotherhood."

Later, "Christianity and hate are incompatible, whether they are both at the same time." He compared the religion of the world to universal brotherhood. As mother is dear to the heart of man, religion is precious to his soul. For bigots and fanatics to deprive a man of his choice of religion, is to deny him his personal esteem of his mother.

"As Christianity and hate are incompatible, so are religion and war. To bring war within the bounds of religion, and advocate the condemnation and eradication of the ideals of the common people to bring about the usurpation of religion and governmental prestige by a minority, is heinous and abominable," stated Dr. Mark. Where such a state exists, there can be no love, no freedom, and no justice. He played the very existence of war, charging that the belligerent attitudes of France and England have been instrumental in the making of the Hitler of today.

The discourse was eloquently presented, holding the precise spellbound, evincing intense interest. The speaker's reputation had evidently preceded him, as a large group of outsiders was present.

PASTEUR'S LIFE REVIEWED BY HUNT

ASSISTANT ALL STATE EDITOR
MAKES VITAL TALK
IN CHAPEL

Inaugurating a series of talks on the twelve greatest men of all time, J. C. Hunt, assistant editor of the All State, spoke on the life and work of Louis Pasteur. Mr. Hunt began by saying that he would ignore the historical background, the chronology in the life of his subject, and the scientific background, and would center on the accomplishments of Pasteur and the qualities of mind which made him a great man.

The speaker said that Pasteur was not brilliant, but diligent, that his love of truth and characteristic habit of painstaking accuracy accounted for his success in the field of science.

Mr. Hunt concluded by saying that Pasteur attacked theories, not men, and that in his private life he was as humble in the presence of his fellow scientists as he was humble in the face of the great ultimate truth that he sought.

CHOIR SINGS AT BAPTIST CHURCH

PREPARATIONS ARE BEING
MADE FOR COMMENCEMENT
PROGRAM

On Sunday, May 15, the college choir will sing at the First Baptist Church, having been extended an invitation by Mr. C. H. Moore, accounted for his feast of Deacons. The church has graciously consented to contribute all offering to the choir to the remainder due on the vestments.

Plans are being made for singing at the baccalaureate sermon on May 29, and at the commencement exercises on June 3. Also Orville Moffitt, Frances Manning, and Margaret Wilson will offer solo numbers in chapel soon.

Last Sunday, May 8, the choir traveled to Dickson for a program, and then went to Mt. Lebanon, where they received their evening meal in exchange for their concert.

Better do a little well, than a great deal badly.—Socrates.

FORT SELECTED ALL STATE EDITOR

MCCREYNOLDS APPOINTED
BUSINESS MANAGER
FOR 1938-39

At the last All State meeting, George Fort, Jr., was named editor-in-chief of the college paper, succeeding Gian Marocchi, the retiring editor. Mr. Fort is serving in this capacity in the issuance of the Freshman Edition and will be the chief editor during the ensuing year. This announcement to the staff was made by Mr. Woodward and Miss Huff, the faculty sponsors, who selected Mr. Fort after carefully considering the individual merits of those available for the position.

Mr. Fort has an enviable record which confirms the judgment of the sponsors in taking such a step. He has capably served as sports editor and assistant business manager of the All State during the past year, and as sports writer for the Clarksville Star. He served on the staff of The Purple and Gold, the Clarksville High School publication as business manager and reporter.

He graduated with honors from C. H. S., being a member of the National Honor Society. Since entering A. P. N., he has distinguished himself as an outstanding member of the Freshman class, and should efficiently perform the duties of his newly constituted task.

Two other distinguished members of the staff were honored: namely, John Rubel, named associate editor, and Harris McReynolds to succeed Victor Williams as business manager.

Each should be equal to his task, as Mr. Rubel has ably served as news editor, and Mr. McReynolds as assistant business manager during the past year.

For the past week the walls of the auditorium have been covered with reprints of pictures which constitute a magnificent exhibit, lent the school by the Colonial Art Company of Oklahoma City. This is the second time that the school has had the advantage of examining reprints of the great pictures of the world.

Mr. Josiah Sibley, pastor of Lindsey Memorial Church in Memphis, who will preach the class sermon for the Austin Peay Normal School at the First Baptist Church at 5 o'clock Sunday afternoon, May 29, is a Southerner. He was born at Augusta, Georgia, got his preparation at the college at West School at Bell Buckle, and some years later returned to Bell Buckle and married Adeline Webb, daughter of Sawney Webb.

Dr. Sibley did his college work at Pomona College, California, taking his Bachelor of Arts degree there and later taking the Bachelor of Divinity at Yale University. He has been awarded the D.D. and LL.D. degrees from a number of colleges. Dr. Sibley has filled a number of important churches, among them the First Presbyterian Church in Long Beach, California; First Presbyterian Church, Knoxville, Tennessee; Calvary Church in San Francisco; Second Presbyterian Church at Chicago; Westminster Presbyterian Church at Pasadena, California, and Lindsey Memorial Church, where he now is. He has served the Presbyterian Church as a member of many important commissions and committees. He has been delegate to General Assemblies many times.

Dr. Sibley was chaplain at the (Continued on Page 4)

FRESHMAN PROWESS

The 1937-38 Freshmen of A. P. N. S. have definitely established themselves as a class well filled with athletic talent. They have exhibited their prowess on the gridiron and basketball court as a group against the Sophomores and have demonstrated their ability on the tennis courts individually against the best of the second-year athletes.

Last fall the Frosh engaged the upper classmen in a pickin' battle that easily revealed that the former possessed the better team. Although the Sophs were successful in holding them to a scoreless tie, the Freshmen threatened to cross the goal line, but each effort failed, as twice the Sophomore defense stiffened and the final whistle sounded a sustained drive. Yes, the Sophomores must be given credit, because, although they never neared touchdown territory, they did halt the powerful first-year team, a feat which merits recognition.

Then, in the winter, the Freshmen took on the ill-fated Sophs in a cage game which resulted in a 29-17 victory for the omnipotent Frosh. Although the defeated five held its own during the first half, which ended with the score at 12-12, the victors combine pulled into the lead near the end and was never headed.

And now this spring, in the tennis tournament, out of 27 players entered, 16 were Freshmen and five of the eight seeded players belonged to the mighty Frosh contingent. As the seeded players entered the quarter-finals, the Frosh held that 5 to 2 edge over the Sophomores, but there had the misfortune of the necessity of two of its members being eliminated due to matches with fellow-classmen. However, two Freshmen were placed in semi-finals, one of whom has defeated one of the upper classmen and gained a berth in the finals.

All told, the Freshmen have earned victory, have outplayed the opposition, although barely missing another conquest, and have been assured of a fifty-fifty chance of coping the tennis championship. They have not been forced to bow to the Soph-

omores through this year of athletic events and their future in the field of sports is very bright. More power to the Freshmen!

OUTSTANDING FROSH ATHLETES

The above accomplishments of the first-year class have been the work of boys not participating in the inter-collegiate activity of A. P. N. S. athletic squads. But there are many Freshmen who have confined their efforts to inter-collegiate sports and have contributed greatly to the cause of the Governors in competition with other colleges and universities.

ROY BROSTER—Football squad, 1937.

BILLY "BUT" HUDSON—Manager of football team, 1937. The active squad members and Manager Hudson have done a good job in their respective fields, and these boys, the Freshmen of 1937-38, will be the experienced athletes of next year, who will form the nucleus for A. P. N. football, basketball, and baseball teams of 1938-39.

Commodores Bring Strong Ball Club Here Next Friday

The Vanderbilt University baseball team will engage the Governors on the A. P. N. S. mound Friday afternoon, May 20. The Commodores will come here to play a return combat, Austin having visited Nashville on April 2.

The Commodore squad includes many outstanding athletes and is well fortified at every position. The outfielders are Lunny Hollins, Dutch Rheinschildt, and Harry Bass in the infield, Chippy Chapman holds down first base duties, Turney Ford and Natt Dobbs form the keystone combination, while Charley Jetton holds down the hot corner; the catching department is ably managed by Austin Joe Agnew, who is rated one of Vandy's greatest baseballers; and for mound duties, there are Cy Perkins, who limited the Governors to four hits in Nashville, and Bob Rymer.

The first meeting of the two sides resulted in a decisive 12-3 victory for Vanderbilt. Coach Brown's charges, however, had had only a few days' practice and were not well-prepared for the tilt, but, with six weeks of baseball behind them, the Governors expect to furnish exceedingly tough opposition for the Commodores.

Play STC Today

On Friday of this week, the A. P. N. nine travels to Murfreesboro to meet S. T. C. in the second of two games. The first of these tilts went to S. T. C. 10 to 4, by virtue of a larger sized first frame, but the men of A. P. hope to come into their own today and chalk up a victory.

TPI Here Tuesday

The T. P. I. nine from Cookeville will appear here next Tuesday, May 17, as the adversaries of the Governors, who will be out to avenge a 7-2 defeat suffered in Cookeville. Austin Peay was somewhat handicapped on the hillside diamond with trees in left field and a hedge and street to the right. They hope to turn the tables on the boys from T. P. I., however, when they return to the familiar territory of Austin Peay Dell, and send their visitors home minus the victory.

APN NINE LOSES CLOSE CONTEST TO BURK'S TERRORS

GOVERNORS GIVE SEASON'S BEST EXHIBITION IN LOSING, 6-3

The Austin Peay baseball team dropped a close decision to Burk's Terrors of the Nashville Saturday League on April 28 on the A. P. N. diamond, 6 to 3. The Governors acquitted themselves well as they held the strong leaders of the Saturday League to a one-run victory.

The Austin Peay batting order was Murdock, ss; C. Branson, 3b; Sexton, cf; Hatley, 3b; H. Sandifer, cf; Edwards, 1b; Branson, 1b; Smith, c; Gallagher, p; L. Sandifer, p.

GIRLS' TENNIS TOURNAMENT BEGINS MONDAY---BOYS' FINALS TOMORROW

Boys' Doubles Also To Be Held Next Week Along With Girls' Singles—Hatley and Edwards Meet For Boys' Singles Crown

Play will begin Monday in the 1938 A. P. N. S. girls' singles tennis tournament. Drawings will be made Saturday for first round matches of both net meets. There seems to be much interest in both events, and a large number of netters should be attracted by them.

The lasses who have entered singles competition are: Misses Clark, Crockerall, Cherry, Hunt, Smith, L. Manning, Sharp, Herwerther, Hambaugh, M. Fitzpatrick, and Taylor.

The boys' doubles combination that have announced their entrance are: V. Williams and Keeling, Marochi and Spirakis, Lorentson and Edwards, Hatley and McReynolds, and Ford and Hudson.

The prolonged boys' singles tourney has finally reached the finals. J. D. Hatley will oppose Hubie Edwards, Jr. of P. N. in his supremacy Saturday. Hatley gained the final round by gaining a 6-4, 6-1, 6-4 victory over Dave Sexton. Edwards, last year's champ, won over Fort in the tournament's longest match, 6-4, 6-7, 3-6, 6-3, to gain the right to play Hatley.

Second round results were: J. B. Williams downed Marochi, 6-2, 6-2; Lorentson disposed of Keeling, 9-7, 8-2; Sexton eliminated Spirakis, 6-0, 6-1; Hudson defeated Sandifer, 6-4, 6-0; Edwards conquered Browning, 6-2, 6-2; and Ford won over V. Williams, 6-2, 6-1.

In the quarter-final, Sexton outlasted Hudson, 6-2, 6-8, 7-5; Hatley subdued McReynolds, 6-3, 7-5; Ford removed J. B. Williams, 6-1, 6-0; and Edwards topped Lorentson, 6-4, 7-5.

WESTERN KENTUCKY DEFEATS APN, 10-8

VISITORS SLUG GOVERNOR HURLING FOR 24 TOTAL BASES

The Western Kentucky Teachers College from Bowling Green conquered the Austin Peay nine in a slugfest Tuesday, May 10. The visitors, A. P. N. diamond, 10 to 8, as eight of their ten hits were for extra bases.

The Governors played their first game since the fray with Burk's Terrors but, despite heads-up playing, were unable to prevent the hard-hitting Western boys from coming from behind with three runs in the eighth and two in the ninth to win. Each team scored 10 hits, but the long range thumping of the visitors decided the contest.

The A. P. N. lineup was Murdock, ss; Edwards, 1b; H. Sandifer, cf; Hatley, 3b; Sexton, cf; C. Branson, 2b; D. Branson, 1b; Smith, c; Browning, 1b; L. Sandifer, p; Gallagher, p; and Perdue, 2b.

APN NINE BLANKED BY HOPKINSVILLE, 10-0, WITH 4 HITS

HOPPERS SCORE AT WILL AGAINST GOVERNOR FLINGING

Hopkinsville defeated the A. P. N. nine in Hopkinsville Thursday, May 6, 10 to 0, as three Kitten League twirlers blanked the Governors with four base hits.

The professionals scored in each of the first four innings off

Glascock, 1937 APN heaver, and added four additional runs in the ninth of Gallagher. Meanwhile, the collegians were doing nothing much against the three pitchers who opposed them, as only one runner got past second and only two reached the middle bases.

On Friday, May 6, the Austin Peay baseball team lost its seventh consecutive contest to T. P. I. in Cookeville by the score of 7 to 2. Wilkinson, T. P. The Austin Peay pitching was ineffective, and the batters were able to hit only seven balls out of the infield as they scored only single tallies in the third and ninth, the latter score coming on H. M. Sandifer's homer with two out.

The A. P. N. lineup was: Murdock, ss; C. Branson, 2b-3b; D. Branson, lb; Hatley, 3b-p; H. Sandifer, cf; Sexton, rf; Brown; lf; Perdue, lf-2b; L. Sandifer, p; Gallagher, p; and Hallams, p-lf.

Red, why all the sudden interest in Coyle since he has been around lately with a certain F. B.?

INTRA-MURAL SPORTS

Calvin 20; Robb 12

The Robb Hall Rats and the Calvin Hall Sluggers inaugurated the Austin Peay Normal Softball League season with a ball game on May 6 on the A. P. N. athletic field. The fray resulted in a 20 to 12 victory for the Sluggers as Sprague turned in the winning mound performance, and Sleigh wielded a potent willow.

Slickers 27; Jakes 12
On May 11, the City Slickers won their opening softball attempt over the patched-up Jakes, 23 to 12. Smithson hurried for the victors and Bagwell caught, while Spafford and McReynolds was the Jake battery.

Plans have been made for a four-team league composed of Calvin Hall, Robb Hall, the Jakes and the City Slickers. Coach Brown will make out a schedule for the softballers soon, and the popular sport will soon be in full sway.

Buddy—Yep, I had a beard like yours once, but when I realized how it made me look I cut it off. Joe—Well, I had a face like yours once and when I realized I couldn't cut it off I grew this beard.

Mr. Law—Carl, what is an octopus? Carl F.—Well, I've never seen one, but I imagine it's a cat with eight sides.

Sharp—I like that pair of socks, one red and one blue. Victor—Thanks, I have another pair at home just like them.
