

Standing Committee Annual Report

Name of Committee or Council:

Parking

Chair:

Rasheda Smith

Meeting Dates in Current Year:

April 28, 2021 and October 2020

Major Actions or Accomplishments:

- Decision made to allow Skanska use given APSU lots for MPEC employees/contractors. This increases parking revenue.
- All residential parking lots are now silver. Uniformity.
- Lot 7 will be split to meet the needs of both commuters and faculty/staff. The split comes on the heels of the new HHP building that will be placed in lot 8.
- Removal of the Enterprise parking on Govs Lane. Govs Lane is now all residential.
- Decision to move forward and present Premium Parking to Administration. Premium Parking would run on a semester basis. Premium parking would take place in a more central lot and give access to a guaranteed lot. Only those enrolled in the program will have key card access to the lot.
