

## Standing Committee Annual Report

**Name of Committee or Council:**

Diversity Committee

**Chair**

Moniqueka E. Gold-effective Jan. 2010; after  
Dean Pinder's December 2009 Retirement

**Meeting Dates in Current Year:**

Meeting #1-3/4/2010; Meeting #2- 4/15/2010

**Major Actions or Accomplishments:**

This committee held two meetings during the spring 2010 semester, The Austin Peay State University 2008-2010 Diversity Plan was reviewed and the following actions took place:

- Committee members divided the four goals into four teams and we began to research and collect data from resources on/off campus
- At our April 2010 meeting the data collected was inconclusive as to determine whether or not the campus had met any/all goals; therefore our task was to continue to collect data until we meet during fall 2010.

Diversity Committee's Plan of Action for fall 2010:

- Complete the collection and review of all applicable data
- The committee will discuss, reevaluate and revise our diversity goals where necessary
- We will develop a new Diversity Plan (developed on a two-year plan rotation or a five-year plan)

I would like to continue to serve as Diversity Committee Chairperson until the above plan of action is complete.

Sincerely,  
Moniqueka E. Gold  
Chair
