

Annual 'A Day' celebration is today

'A' Club hosts 2nd annual event; students rejoice at 'free day of fun' and dance

It's "A Day".

Competition begins at 3:30 this afternoon at the fairgrounds for the ribbons and trophies awarded to the skilled "A Day" champions.

Classes will be dismissed at 3 p.m. so students can participate in the annual activities. These include, in addition to the field events, a dance and a picnic supper at Petrus Park.

The cafeteria will not be open tonight since its staff will serve food at the picnic which starts at 5:30 p.m. This will be the only activity during the day for which there is a charge.

The dance, which is free, is scheduled to be held in Petrus Park on the tennis courts. The Eschelon will provide music;

it is set to begin at 6:30 p.m. following the picnic supper.

Sponsored by the "A" Club, "A Day" features awards to the clubs and dorms whose members collect the most points. The individual may split his points, donating part to his club and part to his dorm, if he so desires.

Special features of the afternoon are the boys' and the girls' bicycle relays. Trophies will be presented to the winning dorm, club or team.

Among the other events and amusements today are such favorites as an egg throw, a dunking machine, a water-balloon relay, three-legged race and a class tug-of-war contest.

Over \$200 in prizes has been contributed by local merchants. The donors are: Kent's Dollar Store, Shainberg's, Brick's,

Woolworth's, Kuhn's, Cross, Pennebaker's, M.L. Cross, Holly Stores, Madeiroselle's, Lane's Ladies Shop, Berkman's, Sav-Rite, Lee's, High-Smiths and Rankin's. Others are A.J. Clark,

Joy's Jewelry, Dollar Bros., Blum's, Dickson-Sadler Drugs, Parks-Bell, Willoughby Drugs, Serch's, Third Street Shoe Store, Good Wilson's, Phillips

Elliott, Frech & Jones, Sites Jewelry, McNeal & Edwards, Brenners, Bill Brent Fashions, Pearson's, McLeellan's, Capitol Theater and Newt's Record Shop.

GO! — Getting in the spirit of things are two amateur water balloon relayers. Nimble of toe and slippery of fingers are two characteristics to watch for in today's "A Day" relay. Other events scheduled are an egg throw, bicycle race and water dunking. These and many other festivities will take place today beginning at 3:30 p.m. in the stadium. (Photo by Owen Hill)

Class officers

3 elected to lead in 1966-67

Last Wednesday, APSC students cast their ballots for class officers for 1966-67.

Those elected for the senior class were Bill Arrington as president, Caroline Vink as vice-president and Jeanne Darham as secretary. Terry Chappell was chosen as senate representative.

Philip Farnella will serve as junior class president. Also elected were Tim Arrington as vice-president and Jean Collins

as secretary. Mary Gosper was chosen as senate representative in a run-off election held Monday.

Morris Young was elected sophomore class president in the run-off. Kent Yates will serve as vice-president, and Martin Penick will be secretary. Raleigh Sapp was chosen in the Monday election as sophomore senate representative.

The three newly elected class presidents were asked to com-

ment on their new positions or on the record elections.

Arrington wished to thank the seniors for their vote of confidence. He agreed with Farnella, junior president, that the turnout for the elections, both the initial and the run-off, was rather poor.

Morris Young, sophomore president for next year, expressed his gratitude to those who voted for him in Monday's run-off.

Awards, assistantships disclosed in assembly today as students are recognized for outstanding service

Classes regularly scheduled for 9 a.m. this morning will be dismissed in order that students, faculty and administration may attend the Awards Day program in the Memorial Gymnasium. The one-hour program is required assembly, and students having classes at this time will be given institutional absences if they are present.

Those receiving citations and awards today are:

Larry Ray Richardson, Cro-

ton, Ky., Graduating Senior (Man) Distinguished for Citizenship - Clarksville Civitan Club Award.

Barbara Smith Sled, Clarksville, Graduating Senior (Woman) Distinguished for Citizenship - Halbert Harvill Award.

Glee Long Bell, Herndon, Ky., Graduating Senior with the Highest Scholastic Average in the Major Field of Mathematics - Clarksville Kiwanis Club.

Jerry L. Weatherspoon, Centerville, Graduating Senior with

the Highest Achievement in the Major Field of Business Administration - Wall Street Journal Award.

Wanda J. Bultard, Clarksville, Graduating Senior with the Highest Achievement in the Major Field of Business Education - National Business Education Association Award.

David E. Rogers, Herndon, Ky., Graduating Senior with the Highest Scholastic Average in Alpha Kappa Psi - Alpha Kappa Psi Award.

Mildred Morris Cash, Woodlawn, Graduating Senior with the Highest Scholastic Average in the Major Field of Home Economics - American Home Economics Association Award.

Francis Lewis Richardson, Woodlawn, For Outstanding Leadership in the Major Field of Home Economics - Home Economics Club Award.

Jimmy Ray Barber, Hobbsville, Graduating Senior with the Highest Achievement in the Major Field of Industrial Arts - Industrial Arts Club Award.

Charles Louis Sadler, Trenton, Ky., Graduating Senior with the Highest Achievement in the Major Field of Chemistry - The Graduate M. Ravins Chemistry

BIG THREE — Recently elected officers of the sophomore, senior and junior classes, respectively, are (l to r) Morris Young, Bill Arrington and "Flip" Farnella. (Photo by Gerald Tenney)

Summer and fall

Readmission procedure set

Those who plan to attend summer school and are currently enrolled should secure two copies of the IBM readmission cards. The cards are available now in the Office of the Dean of Admissions between 12:40 and 12:50 p.m. Details of registration are included on the cover of the summer schedule.

Beginning today, applications for fall quarter admission are available from the desk in the Office of the Dean of Admissions.

There will be no 3 and 4 p.m. classes today.

The students are dismissed to attend the "A Day" activities.

All students must file a new application for admission for the fall quarter if they plan to return. Students may pick up the forms between 12:40 and 12:50 p.m.

Playhouse shows movie Tuesday

"Cyrano de Bergerac" will be shown at 7 next Tuesday night by the AP Playhouse in the Clement Auditorium. The admission charge will be 50 cents.

The film is one of a series that the Playhouse has been presenting. Popcorn will be free and cokes a nickel.

Date for yearbooks nearing

ROBERT HAMMER

"Many surprises are in store for the students in this year's Farewell & Hall," stated Robert Hammer, editor. The yearbook has been proofed and is tentatively scheduled to arrive for distribution next week.

This list would be the largest ever put out. It contains a complete coverage of all school activities.

A new section entitled "Academica" has been added. This section will include every department with faculty members and students.

The total lay-out is completely different. A new type tele-photo

Carnicus emphasizes student talent

by DAVID TUCKER

"An ice-breaker affair," was the phrase most often used to describe Circle K's Carnicus last weekend.

Also, according to many students, it was a test of the feasibility of big weekend entertainment at Austin Peay State.

Some examples of student opinion are: "The most exciting weekend I've had at APSU in my three years here," "A great weekend of entertainment" and "An innovation long overdue." There had been doubts among some students that Carnicus would receive the student support necessary to justify making it an annual spring weekend. As Carnicus unfolded, however, such fears were abated.

The Friday night stage performance was host to a full

house, as was the dance which followed. The water show held earlier in the afternoon had an estimated 2,000 spectators.

The stage show, which ran Thursday and Friday night, featured seven acts. Phi Mu Alpha took first place, with its presentation of a skit entitled "Gay Old Twenties."

Charles Easterling, as Johnny, a big-time gangster, headed the humorous presentation, directed and written by Jeff Wolf. The audience was treated to a new idea in the making of "bathtub gin" and a wild pie-throwing brawl as the finale.

A group called "The Folk-singers" led by Dianne Haneler received second place. They performed a variety of numbers both comical and serious.

Paul Dinello, director of Car-

(Continued on Page 5, Col. 3)

THE WINNERS! — Phi Mu Alpha's "Gay Old Twenties" captured first place award in the Carnicus skits presented Thursday and Friday. The skit, written and directed by Jeff Wolf, starred Charles Easterling as Johnny (Paul?) Dinello. One of Johnny's many accomplishments was the brewing of bathtub gin. (Photo by Robert Pickford)

COURT PROUDLY REIGNS — The climax of Carnicus, the Iris Ball, features its royalty (l to r) Tim Chilcutt escorting Marilyn Vaughn; Ed Sneed escorting Judy Keys; Bill Rudolph escorting Terry Moore; and Queen Linda Norris escorted by Don Stevenson. (Photo by Gerald Tenney)

WHERE HAVE ALL THE FLOWERS GONE? — To the young ladies at the Iris Ball, of course — 250 of them. Saturday's formal, at which Bob Corvill and his orchestra played, provided a variety of entertainment. Several singing groups, as well as soloists, were featured at the four-hour event, which began at 9 p.m. Saturday. (Photo by Gerald Tenney)

Bravery and endurance play part in water show

COLD CUMBERLAND CRUISE — Sizzle or drizzle, the show must go on. And it did. Friday afternoon's water show, which took place during rather unfortunate weather, featured some of the most dauntless pioneering spirits in this area. Skiing, canoeing and a bit of unexpected swimming occurred, smearing Old Man Winter in the face. (Photo by Gerald Tenney)

by RAMONA LUMPKIN

Thrills, spills and chills were the order of the day in the first annual water show last Friday afternoon. The sun refused to show its face, and guests of wind ruffled the surface of the river.

Spectators lined the bank to watch skiers turn blue with cold as they fought the rough waters of the Cumberland. Exhibition skiing originally on the program was limited because of the choppy waterway.

The performers had practiced all week for events such as pyramid, trick skiing and barefoot-skiing, but the weather refused to co-operate. However, three of them managed to build a

human pyramid, and others skied on the sialom or two skis.

Participants in the canoe races also refused to be daunted by the elements. They manned their crafts and attempted to outdistance rivals while keeping the canoes upright. All of them were not so lucky. Canoes overturned, and motor boats patrolling nearby fished the dowed losers out of the river.

There were no casualties in either event—with the exception of possible colds or double pneumonia.

And, believe it or not, the survivors are ready to try it again next year!

Summer conference set

A calendar of evaluation conferences involving records has been set up for the summer quarter. According to the Office of Admissions, the schedule is as follows:

Final Checkouts (for anyone completing requirements for bachelor's degree) June 15 - 24
Comprehensive Evaluations (145-hour checkout) June 27 - July 8
Evaluation of Transfer Records June 27 - July 1
Evaluation of Armed Services Records June 27 - July 1

One for men, one for women

Dormitory construction advances

by ANN LANE

When AFSC students return to the campus next fall, they will be cheered by the conveniences of two new dormitories.

Dr. Leon Bibb, chairman of the Industrial arts department, stated, "This is the best progress we've seen on any building we have had under construction." Thanks to Hilde and Johnson,

architects, and R. K. Smith, contractor, work is progressing rapidly.

The concrete works have been completed already. The dorm is being constructed on a plan similar to Rawlins Hall. All the rooms will have outside entrances. Private telephones will be available and the dorm will be air-conditioned. The

building will hold approximately 156 boys.

The women's dormitory, which will be connected to Blount Hall, will be used by juniors and seniors. It will also be air-conditioned, with outlets for private phones and televisions in each room.

About 213 girls will occupy this dorm.

Who is your ideal date? Thousands use Central Control and its high-speed computer for a live, flesh-and-blood answer to this question.

Your ideal date - such a person exists, of course. But how to get acquainted? Our Central Control computer processes 10,000 names an hour. How long would it take you to meet and form an opinion of that many people? You will be matched with five ideally suited persons of the opposite sex, right in your own locale (or in any area of the U.S. you specify). Simply send \$3.00 to Central Control for your questionnaire. Each of the five will be as perfectly matched with you in interests, outlook and background as computer science makes possible.

Central Control is nationwide, but its programs are completely localized. Hundreds of thousands of vigorous and alert subscribers, all sharing the desire to meet their ideal dates, have found computer dating to be exciting and highly acceptable.

All five of your ideal dates will be delightful. So hurry and send your \$3.00 for your questionnaire.

2 directors make debut in Friday plays

Two amateur directors will make their debut Friday on the AFSC stage. They are under the direction of John Griffin.

Linda Nichols and Hank McKinney, although directing their first plays, have had previous experience on the stage.

Miss Nichols, who was the leading lady in "The Solid Gold Cadillac," will direct "The Lord's Will" by Paul Green. This is an emotional drama about the conflict between a tenant farmer who feels called to preach and his wife who suffers from his absences and preoccupation.

"Sorry, Wrong Number" will be directed by Hank McKinney. This is a murder mystery about a woman who accidentally hears two men talking about their plans to kill her.

Both plays will be presented Friday in the Clement auditorium.

What time is it?

NE'ER THE TWAIN SHALL MEET — Those glancing at the tower clock on route to class who casually reflect "where does the time go?" may see, upon second glance, that it really hasn't gone anywhere. In fact, time has actually been photo by a second glimpse at the side facing College Street. (Painted by Gerald Tenney)

38 attend library science dinner at Stagecoach Inn

The Bell Witch country served as the setting for the Alpha Beta Alpha library science fraternity spring banquet held recently at the Stagecoach Inn at Guthrie, Ky.

Thirty-eight students and library personages from AFSC and the local area were present amidst the rustic and historical atmosphere of the old Stagecoach Inn and the renowned area of the Bell Witch, who has spread her

influence throughout the country.

Guest speaker for the evening was Miss Hazel Griffin, library science instructor at Austin Peay State. Miss Griffin provoked the imagination of those present through a book review of "Natchez from the Mississippi," by Harriet T. Kane.

Natchez, who is said to have her 'feet' in clay, was brought to life by Miss Griffin, who presented her as a city of many faces.

A city representing its environment, Natchez has lived through the course of history, yet preserved the south at the height of her glory and southern tradition.

Volunteers sought for Peace Corps Micronesian tours

The Peace Corps recently launched an intensive nation-wide recruiting campaign on college campuses to seek volunteers for

(Continued on Page 8, Col. 3)

nicus was "very pleased with the entire show," terming it a precedent to build upon in the future.

According to Diello, "We have proved to ourselves as a student body that we can put on a show such as this. Such spirit can be carried throughout the year and eventually develop into something really big."

Perhaps the most impressive part of Carnicus was the water show held Friday afternoon. Hundreds of cars lined the banks of the Cumberland as Mayor Charles Crowe and other Clarksvillians were also on hand.

There has been some discussion about the city cooperating with Austin Peay State in the future in planning the water show. The city may possibly donate a sum of money toward developing the event.

Following the water show, Tom Nease, director of the cafeteria, treated students, faculty and administration to a buffet supper, which featured as much as anyone wanted to eat for \$1.

The Iris Ball provided the climax to Carnicus Saturday night. According to ASB officials, the largest crowd attended this event in the history of the college.

Bill Arrington, vice-president of the ASB, informed THE ALL-STATE that 500 people were at-

Staffs seek applicants

Any persons interested in holding a position on the staff of a student publication for 1966-67 should submit this preliminary application.

photography has been used by the full-time college photographer, Gerald Tenney.

The yearbooks are free of cost for full-time students, but a fee of \$1.50 will be charged for each quarter a student has not been enrolled.

Carnicus

(Continued from Page 3)

tendance. Arrington believes this to be an indication that such formal events will be met with even greater success in the future.

Miss Linda Norris and her court reigned at the annual affair; and Bob Correll's Orchestra provided the musical background, featuring several soloists and singing groups.

The ASB presented each girl attending the ball with an Iris corsage. This has become another tradition connected with the formal spring occasion.

Many additions and alterations will most likely be added to Carnicus Weekend in the ensuing years.

However, a beginning had to be somewhere and, judging from student response, this beginning was a huge success.

Govs travel to Eastern for OVC championships

APSC Closeup

B

BUSTER YATES

Netters gain success

This year's tennis squad is the most successful in APSC history. Sporting a 5-5 record the Governors have won more matches this year than any other season. In 1939 under coach V. C. Moffitt the netters compiled a 3-55 slate. The most wins they had posted before was two. Three different seasons they have won two matches. However, through the hard work of head coach Fred Overton the Governors have won half of their matches.

Previous to this campaign the entire record was 13 wins and 53 losses. Needless to say tennis had not fared too well at APSC. The Govs recorded their first triumph over an Ohio Valley Conference school this year when Tennessee Tech fell to the scarlet and white at Cookeville several weeks ago.

Actually, APSC's chances in the OVC championships this weekend cannot be estimated. The Govs have not been in direct competition with three of the conference schools. East Tennessee, Morehead State and Eastern Kentucky were not on the schedule this year; however, APSC and ETSU were in the Tennessee Intercollegiate together.

Considering that Overton lost two of his top players, Mike Marshall and Gary Lovell, before the season began, the Governors have done extremely well.

Oddity on the cinders

When APSC met Murray State and Ft. Campbell in a triangular track meet Saturday the 440 yard relay had to be run twice before anyone could be declared a winner. Actually all three teams were disqualified in the first trial thus necessitating the second running. APSC's Bob Neilson tripped and "threw" the baton about 10 yards causing the Govs to be disqualified. Then Murray and the Screaming Eagles both dropped the batons. As it turned out, APSC finished last.

Craig Kody set a new school record in the pole vault as he vaulted 13-0.

File 13

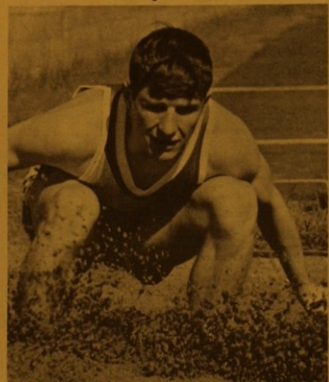

Although the OVC championships in tennis, track and golf are being held at Eastern Kentucky this weekend the baseball playoff for the conference crown will be held at the diamond of the Western Division champs. This could be either Murray State or APSC, depending on the outcome of the twinbill between the Governors and the Racers.

Austin Peay State College's track, tennis and golf squads leave Clarksville today and tomorrow to go to Richmond, Ky. for the Ohio Valley Conference spring sports championships. Coach Sherwin Clift's linksmen are leaving for Eastern Kentucky today while coach Overton's netters and coach Mayes' thinclads will probably depart tomorrow.

Clift will take basically the same squad he has used in recent matches. This group is composed of seniors Jimmy Barber and A.B. Sisco, who will be completing their collegiate careers on the links; sophomores Jimmy Smith and Tim Tague; and freshmen Fred Pitts and Danny Daniel.

Beat Ft. Campbell

Cindermen finish second

IT'S A LONG WAY TO GO — Terry Schultz captures one of the APSC first places in the triangular meet with Murray State and Fort Campbell.

APSC finished second in a triangular meet Saturday, losing to Murray and beating Ft. Campbell. The final score was 120-41-28.

Although the Governors were not able to capture more than two first places against the Racers and the Screaming Eagles there were several outstanding performances. Ronnie Bell, a freshman from Florida who also plays football, turned in his best performance of the year in the 440 yard dash as he toured the oval in 50.1 seconds.

Terry Schultz, one of three lettermen on the squad, took the other APSC first in the triple

jump. Schultz copped seven points for the scarlet and white for the day.

At press time APSC has compiled a 5-3-1 record on the links; however, the Govs entertained Murray State and David Lipscomb in a match yesterday.

On the cinders Mayes' thinclads will be trying for an improvement over last year's seven place finish in the championships when the scarlet and white could manage only 14 points. Tennessee Tech finished last with 13 points. However, this season the Governors have several of the top marks in different events in the OVC.

Terry Schultz is ranked second in the OVC and in the 440 hurdles, fourth in the high hurdles and fourth in the triple jump. Howell Platt is ranked third in the high hurdles just ahead of Schultz. Dickie Sapp has the second best broad jump this season and Jeff Fisher is fourth in both the shot put and discus.

Other Governors who rank are Craig Kody, who holds fifth in the pole vault, Terry Womack, third in the three mile run and Bob Neilson, fifth in the 100 yard dash.

Coach Overton, who had led his netters to the most successful season in APSC history, will probably take David Balthrop, Jon Kessell, Ron Frey, James Lucas, Ronnie Rice and Rick Zwacknagel for the singles and will substitute Brenda Marshall for Rice in the doubles.

Rogers receives Joy Award

Rodney Rogers received the Joy's Jewellers Award as the most valuable senior athlete at Austin Peay State College today. Rogers, who was quarterback on the APSC pigskin squad this fall and is shortstop on the diamond nine, succeeds Carlton Platt as recipient of the honor. Rogers, who is a native of Win-

Toombs was All-OVC on defense during the football season and was a starting guard much of the case season.

The Russell Awards, which are based on scholarship, lead-

LARRY BLACK

most valuable football player, Dennis Snyder (basketball), Don Rogers (baseball), Terry Schultz (track), A. B. Staco (golf) and David Balthrop (tennis) received awards for being most valuable in their respective sports.

Staco's award marked the third straight year that he has been acclaimed most valuable on the links.

The Jack Wallace Memorial Award for the varsity football and with the highest scholastic average was given to Larry Black, who played defensive end on this year's contingent.

Waller signed to cage grant-in-aid by APSC

Jim Waller, a much-sought basketball star for Hopkinsville, Ky., Attucks High School, has signed an Ohio Valley Conference grant-in-aid with Austin Peay State.

Waller, a 6-5 lad who played center for Attucks, will probably play forward with the Governors. Waller averaged 20

Netters blanked by Blue Raiders

Austin Peay State saw its tennis record evened at 5-5 last week when Middle Tennessee slant out the scarlet and white, 9-0. The loss to the Raiders made APSC's record against OVC competition 1-5 this year.

"We didn't play well," said

coach Fred Overton. "I thought MTSU played better than tin did when they played on our courts. Our only group in contention was Lucas and Balthrop in the doubles with a 6-3, 6-4 match."

The results:

John Prevost (MT) beat James Lucas (AP) 6-2, 6-0; Jim Seymour (MT) beat Jon Kennell (AP) 6-1, 6-2; Jack Whitley (MT) beat David Balthrop (AP) 6-0, 6-2; Steve Wakefield (MT) beat Ron Frey (AP) 6-1, 6-0; Chick Fuller (MT) beat Rick Zwischonagl (AP) 6-2, 6-0; Mike Albano (MT) beat Ronnie Rice (AP) 6-1, 6-1. Prevost-Whitley (MT) beat Kennell-Frey (AP) 6-1, 6-0; Seymour-Wakefield (MT) beat Balthrop-Lucas (AP) 6-3, 6-4; Albano-Fuller (MT) beat Brenda Marshall-Zwischonagl (AP) 6-0, 6-0.

DAVID BALTHROP

RODNEY ROGERS

chester, set a new APSC total offense record on the gridiron as he helped lead the Governors to their best record in history. The diminutive quarterback also set a school standard by throwing for 13 touchdowns during the campaign.

Andy Toombs, a 180-pound junior, received the Crow's Jewellers Award for the second year in a row. The award is given annually to the most versatile athlete on the campus each year.

TIM CHILCUTT

eraship and ability, are awarded to outstanding participants in football, basketball, track and baseball. Recipients of these awards are Tommy Dillard, football captain, Tom y Head, basketball center, Rodney Rogers, Gov shortstop, and Terry Schultz, Mr. Do-everything in track.

Tim Chilcutt, Little All-American halfback, received the Town and Country Award as the

'A Day' today

A Day is today. Classes will be dismissed at 3 p.m. for the remainder of the afternoon so that all students may participate in the festivities.

Events which will be held will include a Hoyde race for all students. A picnic and a dance will also be held this afternoon and tonight.

The A Club, sponsoring the event for the second straight year has made all the necessary preparations and is also partly responsible for the early dismissal of students.

John Ogles, speaking for the A Club, said, "The club has put much time and work into the preparation of today's activities."

English major receives stipend to UM

FRANCES BUTLER

The University of Maryland recently announced that Frances Ann Butler, an English major at APSC, is the recipient of a graduate assistantship in its department of English language and literature.

The stipend which becomes effective the fall semester requires that Miss Butler teach two sections of Freshman English.

If Miss Butler wishes to con-

tinue her program toward a doctor's degree, the university will renew the assistantship on a yearly basis.

While at APSC Miss Butler has been an active participant in campus affairs, being a member of Who's Who Among Students in American Universities and Colleges, Laurel Wreath Society, a majorette and Clarksville's Community Ambassador to Greece in the summer of 1964.

Bowman gleans SS facts

M. P. Bowman, dean of admissions, attended a selective service meeting in Nashville yesterday. The purpose of the meeting was for securing information released by Col. T. B. Ketterer of the Selective Service System, state headquarters, Nashville.

Any student or faculty member interested in the results of this meeting should attend a lecture by Dean Bowman in the Clement auditorium beginning at 7:40 a.m.

A selection team for Army officer candidates will visit the APSC campus Monday and will interview interested college seniors and graduates at the student center for the officer candidate enlistment option.

The Army team visiting the local campus is one of many touring selected colleges and universities throughout the nation this spring. The recent action of increasing the size of the armed forces has caused a need for a corresponding increase in the army's officer corps.

tomorrow.

Topics for discussion will include class ranking, reports to be filed with local boards and selective service tests.

Volunteers

its newest are of operation — the Peace Islands. The Islanders have asked for Peace Corps help to get ready for self-government.

The accelerated program calls for:

A first group of volunteers to begin Peace Corps training in July in Hawaii and arrive in Micronesia by October.

A second group to begin training in October, also in Hawaii, arriving in Micronesia in January, 1967.

Because of the special nature of the program, the Peace Corps has prepared a special application form for the Trust Territory and will notify all applicants within 15 days whether or not they qualify. The usual placement test has been suspended.

Interested persons may write the Peace Corps, Project Micronesia, Washington, D. C. 20525.

APSC and Purdue

Band cuts recordings

Another feature has been placed in the cap of the APSC Band. The Governor musicians were selected to record new compositions published by the Kendor Music Publishing Co., Develan, N.Y.

"We are honored by being selected to do this recording of new literature for the band," Dr. Aaron Schmidt, director of bands, stated.

"It is my understanding that the records which we cut will be

distributed to more than 40,000 band directors in this country. We are indebted to the Kendor Music Publishing Co., and to its president, Art Dedrick, for our selection."

Dedrick was present for last Thursday's recording in the Clement auditorium. The band recorded "A Change of Pace" and "Before the Wind" by Sammy Nestico and "Madriene from El Cid" by J. Massenet.

The Purdue concert band was selected to represent universities in the United States. At Wright, under the direction of Al Brand, will record three compositions on the reverse side of the record.

Awards

Special Breakfast & World Famous Chili

Dr. Delzell is banquet guest

Highlighting the year's activities of the Theta Delta chapter of Phi Alpha Theta, national honorary society in history, will be the annual banquet Friday night at Holiday Inn.

Designed to honor graduating members of the organization, this year's banquet will feature Dr. Charles F. Delzell, professor of history at Vanderbilt University, as guest speaker.

A recognized authority on the history of Italy and author of many books and articles about that country, Dr. Delzell has chosen for his banquet speech the topic "Plus XII and Mussolini at the Outbreak of World War II."

Since 1959, Dr. Delzell has served as editorial consultant on modern Italian history for the Encyclopedia Americana.

Joining the Peace Corps isn't hard. Just apply yourself.
