[31]. Alcohol and other Drugs (AOD) Committee

Student Wellness Steering Committee

Membership: Selected in consultation with the Student Wellness Steering Committee and the AOD Committee Chair. Recommend balance of faculty and staff members, at least one staff member from Athletics, and two student members.

Description: In consultation with the Student Wellness Steering Committee, the AOD Committee will engage in population assessment, community building, education, policy development, strategic planning, and reporting around key areas of student health and wellness pertaining to alcohol, drug, and marijuana use. In the interest of strategically addressing these and other areas of student health and wellness, the committee will administer the CORE survey to the student population once every three years and will use data and analytics derived from these assessments to set priorities and assign tasks.
