## Agenda Item

**Date:** August 3, 2017

**Subject:** Resolution of Gender Discrimination Allegation

---

### Background Information:

On May 25, 2017, Jessica Morris filed a complaint of gender discrimination against President Alisa White and Dr. Rex Gandy. Because the complaint was made against the President, Chair O'Malley appointed Blayne Clements, Director of Internal Audit, to serve as the investigator of the complaint, because he reports directly to the Board of Trustees. The investigation was completed on July 19, 2017 and the investigator concluded that the allegation of gender discrimination could not be substantiated.

Per APSU Policy 6:004 Discrimination and Harassment Complaints, the Board is required to "review the investigator's report, make a final written determination, within a reasonable time as to whether a violation has occurred and, what the appropriate resolution should be."
