

Health Promotion Committee

Membership: Selected in consultation with the Student Wellness Steering Committee and the Health Promotion Committee Chair. Recommend balance of faculty and staff members, at least one staff member from Athletics, and at least one student member.

Description: In consultation with the Student Wellness Steering Committee, the Health Promotion Committee will engage in population assessment, community building, education, policy development, strategic planning, and reporting around key areas of student health, including exercise, nutrition, sexual health, sleep, and smoking cessation. In the interest of strategically addressing these and other areas of student health, the committee will administer the National College Health Assessment to the student population once every three years and will use data and analytics derived from these assessments to set priorities and assign tasks.

(Approver: VPSA)

2023-2024 Membership:

Name	Area	Department	Service Term	Email
