

## Standing Committee Annual Report

**Name of Committee or Council:**

University Calendar Committee

**Chair:**

Telaina Wrigley

**Meeting Dates in Current Year:**

November 5, 2019

**Major Actions or Accomplishments:**

With the growing number of graduates and increase in participation, we discussed the possibility of moving to four days of finals and have commencement ceremonies on Thursday and Friday. We were to reconvene after the first of the year to prepare proposals to submit to the president. Due to COVID, all plans were put on hold temporarily since Spring commencement was delayed and we were not sure what future ceremonies may look like.
