

Standing Committee Annual Report

Name of Committee or Council: Admission Standards Committee

Chair: Scott McDonald

Meeting Dates in Current Year: Feb. 14, Mar. 2, 23, April 6, 20, May 11, 25, June 8, 22, July 6, 20, Aug. 10, 24, other dates TBA

Major Actions or Accomplishments: The Admission Standards Committee has once again come together to look at students who do not meet regular APSU admission requirements and recommend either to admit or deny them to APSU based upon their GPA, ACT/SAT scores and grades made in the prescribed TBR 14 unit requirements. The Committee has taken a stronger approach this year and has to date only admitted four students realizing that many of the students who come before the committee are not yet ready for university level course work.

The Committee has also worked with Dr. Houston Davis to recommend increased admission standards for the entering class of 2006. Those recommendations were given to Dr. Davis in early April to be shared with the President and Vice-Presidents. To date, no feedback has been received.
