The residency appeals committee met on 8/12/16 to consider the out of state residency appeal of 3 students (2 in absentia). The residency appeals committee also scheduled a meeting on 1/9/2017. There were two residency appeals in person and 1 in absentia. The residency appeals committee upheld out of state tuition for one student and granted in-state tuition for another student. The student in absentia had out-of-state tuition upheld (5-0, 3 non-voting). As committee chair it is preferable for the committee to be named prior to the start of August so new committee members have time to schedule this meeting in the calendar as part of pre-semester activities.
