Oh, my mistake. Sorry.

Unfortunately, I do not know who the chair of this committee is/was. We never had cause to meet this past year.

I know that you aren't chair. You were the next person listed on the Student Non-Academic Grievance Committee which Heraldo Richards was chair of. Since it came back to me undeliverable to him, I thought you might know who the chair of the committee is. Your wife is not on this committee.

I think you need to send this to my WIFE, Dr. Anne Black.

I see her listed below, and I am not the chair of any standing committee.

Sincerely, Prof. Kell Black

Dr. Black,

This was sent to Heraldo Richards because he was listed as the chair of this committee. It came back to me undeliverable. If he is no longer the chair, can you please forward this to whomever is or let me know who I need to send it to. Thanks.
